INDEPENDENT AUDITORS' REPORT

To the Trustees of the Gullo Companies 401(k) Savings Plan
500 I-45 South
Conroe, Texas 77304

We were engaged to audit the financial statements of Gullo Companies 401(k) Savings Plan as of December 31, 2011 and 2010, and for the year ended December 31, 2011, and the supplemental schedules as of and for the year ended December 31, 2011 as listed in the accompanying table of contents. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by State Street Bank and Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2011 and 2010, that the information provided to the plan administrator by the trustee is complete and accurate.

As described in Note 2, these financial statements and supplemental schedules were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedules taken as a whole. The supplemental schedules are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

GULLO COMPANIES 401(k) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of Gullo Companies 401(k) Savings Plan ("Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions, a copy of which is available from the Gullo Companies (the "Company").

a) **General**. The Plan is a defined contribution plan established July 1, 1997, covering all employees of the Company who have one year of service and have attained the age of 21. The entry date for all eligible employees is the first day of the following calendar quarter after becoming eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b) **Contributions**. Each year eligible participants may contribute up to the maximum allowed by law of pretax annual compensation. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute, or roll over, amounts representing distributions from other plans and certain IRAs. On a monthly basis, the Company contributes twenty-five percent (25%) of the first three percent (3%) of participant's compensation contributed to the Plan. The amount of the Company's matching contribution is at the discretion of the Board of Directors of the Company, and may be reduced or suspended at any time. The annual maximum Company contribution is $1,000 per participant. Participants direct the investment of both their contributions and the Company's contributions made on their behalf into various investment options offered by the Plan. The Plan currently offers fifteen (15) mutual funds as investment options for participants.

c) **Participant Accounts**. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution, and (b) plan earnings, and charged with an allocation of plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d) **Vesting**. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested in the employer matching contribution after six (6) years of credited service.

e) **Participant Loans**. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or fifty percent (50%) of their vested account balance. Loan terms range from 1 – 5 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

f) **Payment of Benefits**. On termination of service due to death, disability, or retirement, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the employee terminates from the Plan for any reason other than normal retirement or death, a lump-sum distribution in the amount of the participant's vested interest in his or her account will be made at the participant's election as soon as administratively feasible. Involuntary distributions will be made at the trustee's discretion for amounts less than $5,000. The Plan assets are not guaranteed by the Pension Benefit Guarantee Corporation or any other entity.

g) **Forfeited Accounts**. The non-vested portion of a participant's account is forfeited as of the earlier of the date on which the participant receives distributions of his vested account in accordance with the Plan, or the last day of the Plan year in which the participant incurs five (5) consecutive one (1) year breaks in service as defined by the Plan. The plan documents allow forfeited accounts to be used for plan expenses. During 2011 and 2010, the plan used $10,000 and $12,365 of forfeited assets to pay plan expenses, respectively. At December 31, 2011 and 2010, the Plan held $447 and $4,555 from forfeited non-vested accounts, respectively.

h) **Administrative Expenses**. The Company has elected to pay some of the administrative expenses associated with the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates.
The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting
The accompanying financial statements have been prepared on the modified cash basis of accounting. Under this basis, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. This basis differs from generally accepted accounting principles primarily because the Plan has not recognized contributions receivable from employers and employees and the related effects on earnings in the accompanying financial statements.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on an accrual basis.

Payment of Benefits
Benefits are recorded when paid.

Operating Expenses
Forfeited amounts are used to pay expenses of maintaining the Plan.

Funding Policy
The Sponsor deposits monthly contributions based on voluntary withholdings from the paychecks of eligible participants and deposits employer matching contributions monthly.

Date of Management's Review
These financial statements have been evaluated for subsequent events through August 24, 2012, the date when these financial statements were available to be issued. No events requiring adjustment to or disclosure in these financial statements were identified at that time.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The method used to measure fair value produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair values of shares held in pooled separate accounts are based on quoted net asset values of the shares held by the Plan at year-end.

The following tables set forth, by level within the fair value hierarch, the Plan's investments at fair value as of December 31, 2011 and 2010:

December 31, 2011	**Fair Value**	**Quoted Prices in Active Markets for Identical Assets (Level 1)**
Pooled Separate Accounts	$ 7,424,562	$ 7,424,562
Total	$ 7,424,562	$ 7,424,562

NOTE 5 - EXCESS CONTRIBUTIONS

Distributions of excess contributions were made during 2011 in the amount of $12,828 as required to satisfy the relevant nondiscrimination provisions of the Plan.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	December 31

Benefits Paid to Participants per the Financial Statements	$ 547,623
Benefits Paid to Participants per Schedule H of Form 5500	**$ 547,623**

NOTE 8 - INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan, as amended, is qualified and that the related trust is tax exempt.

The Plan Administrator believes the Plan is no longer subject to tax examination for years prior to 2008.

NOTE 9 - FIDELITY BOND

ERISA, Title 1, Section 412, requires Plan trustees to be bonded. At December 31, 2011 and 2010, the Plan trustees were bonded in accordance with this requirement.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

AUDITOR'S COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

To the Plan Sponsor
Gullo Companies 401(k) Savings Plan

We have conducted a DOL limited-scope audit of the financial statements of Gullo Companies 401(k) Savings Plan for the year ended December 31, 2011 and have issued our report thereon dated August 24, 2012. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and schedules taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing or our audit. We have communicated such information in our letter to you dated May 23, 2012. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Gullo Companies 401(k) Savings Plan are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2011. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

> Management's estimate of the fair value of the Plan's investments is based on a calculation by a third-party service organization using prices obtained from outside pricing services. Participant notes receivable are valued at cost (outstanding balance). We evaluated the key factors and assumptions used to develop the fair value of the Plan investments in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 24, 2012.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Plan Sponsor and management of Gullo Companies 401(k) Savings Plan and is not intended to be and should not be used by anyone other than these specified parties.
