XENA HOMES INC. EIN 91-1990624 PLANS 001 AND 002

On Sunday September 16, 2012 a cooling failure led to the destruction of the hard drives and computers at our office. We took the two computers used for plan governmental forms and systems into a pc tech repair. They determined that like most of our hardware the heat spike or electrical spike had damaged the internal components beyond repair. While we do have backups off site the recovery of the data took the remainder of September 16 and all of the 17<sup>th</sup>. We were not able to get into FT William to get revision to our passwords and user names until this morning September 18, 2012.

This was not an employer or plan administrator issue but our problem.

Please send any bill for late filing for the two plans above out of the 14 plans being submitted today
