INDEPENDENT AUDITORS' REPORT

Board of Directors
Marca Industries, Inc.
Marion, Ohio

We have audited the accompanying statements of net assets available for benefits of Marca Industries, Inc. Retirement Plan and Trust as of June 30, 2011 and 2010, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's administrator. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the administrator, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Marca Industries, Inc. Retirement Plan and Trust as of June 30, 2011 and 2010, and its changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes as of June 30, 2011, schedule of reportable transactions for the year ended June 30, 2011, and schedule of investments held in excess of 5% of plan assets as of June 30, 2011, are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's administrator. The supplemental schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements for the year ended June 30, 2011, and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.
