Sacramento, California

We were engaged to audit the financial statements of the Macias Gini & O'Connell LLP 401(k) Profit Sharing Plan as of December 31, 2011 and 2010, and for the years then ended and the supplemental schedule as of and for the year ended December 31, 2011 as listed in the accompanying index. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Capital Bank and Trust Company, the trustee for the Plan as of December 31, 2011 and 2010, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2011 and 2010, and for the years then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1: DESCRIPTION OF PLAN

The following description of the Macias Gini & O'Connell LLP 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1995 to provide benefits for employees of Macias Gini & O'Connell LLP (the "Plan Sponsor") and the employees' beneficiaries. The Plan is a defined contribution plan covering all eligible employees who have attained the age of twenty-one (21) years and have completed ninety (90) days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Capital Bank and Trust Company is the custodian of the Plan assets as well as the Plan trustee.

Plan Year

The Plan year begins January 1 and ends December 31.

Contributions

The Plan allows for the following types of contributions:

- *Employee Salary Deferral 401(k) Contributions*
  The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the "Code"). Upon eligibility, employees are automatically enrolled into the Plan. The automatic enrollment contribution is 5%; however, participants may contribute from 1% to 100% of their regular wages subject to various nondiscrimination tests and limitations prescribed by the Code or they may choose to opt out of the automatic enrollment.

- *Discretionary Employer Matching Contributions*
  The Plan Sponsor may contribute a discretionary amount not to exceed a percentage of compensation for the plan year. The participant must be employed on the last day of the plan year with 1,000 hours of service to be eligible for the contribution. For the years ended December 31, 2011 and 2010, the Plan Sponsor elected to make a matching contribution equal to 50% of the first 5% of eligible compensation deferred by participants.

- *Discretionary Employer Profit Sharing Contributions*
  The Plan Sponsor may contribute a discretionary amount as a profit sharing contribution. The participant must be employed on the last day of the plan year with 1,000 hours of service to be eligible for the contribution. The Plan Sponsor made no profit sharing contributions during 2011 and 2010.

- *Qualified Non-Elective Contributions*
  The Plan Sponsor may make a discretionary QNEC to the Plan in order to correct a failed ADP or ACP Test. If made, the contribution is allocated pro rata to all non-highly compensated employees. The Plan Sponsor made no QNEC during 2011 and 2010.

- *Employee Rollover Contributions*
  Participants may make rollover contributions from another qualified plan.

NOTE 1: **DESCRIPTION OF PLAN (Continued)**

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, rollover contributions, an allocation of Plan earnings, and an allocation of certain Plan expenses, as defined by the Plan document. The yield (interest, dividends, and net realized and unrealized gains and losses) on investments is allocated to each participant's account based on each participant's pro rata share of the total investments in the particular fund. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their elective deferral, rollover, discretionary employer profit sharing, and QNEC contributions. Employer matching contributions and gains/losses credited thereon vest as follows:

Less than 2 years service	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

For vesting purposes, a year of service is equivalent to 1,000 hours of service during the Plan year.

Forfeitures

Forfeitures from non-vested portions of employer contributions may be used to reduce employer contributions. Forfeitures of $59,837 and $7,876 were used to reduce employer contributions paid in 2011 and 2010, respectively. Forfeiture amounts totaling $9,213 and $45,375 were available for the reduction of employer contributions at December 31, 2011 and 2010, respectively.

Retirement

Normal retirement age under the Plan is sixty-five (65) years of age.

Payment of Benefits

Participants may begin receiving benefits in the year following the attainment of age 59½. On termination of service due to death, disability or normal retirement, a participant may elect to receive a lump-sum amount or in partial withdrawals or installments over a period of time not to exceed the participant's or beneficiary's assumed life expectancies. Participants qualifying under "hardship" rules may elect to receive all or a portion of their vested account balance prior to termination or retirement. Refunds of excess contributions generally represent the distribution of certain assets to employees in order for the Plan to comply with nondiscrimination rules in the Code.

Participant Loans

The Plan does not allow participants to borrow against their accounts.

Administrative Expenses

Administrative expenses of the Plan are paid for by the Plan Sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Investment Valuation and Income Recognition

Investments in mutual funds and money market accounts are stated at fair market value based on quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Income Taxes

The Plan has adopted a prototype plan which has obtained a favorable opinion letter on May 28, 2002, in which the Internal Revenue Service stated that the Plan is acceptable under Section 401 of the Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2011 and 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: **INFORMATION CERTIFIED BY THE TRUSTEE**

NOTE 6: **FAIR VALUE MEASUREMENTS**

Financial Accounting Standards establish a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs include quoted market prices for identical or similar assets or liabilities in active or inactive markets or inputs other than quoted prices that are observable or corroborated by observable market data for the asset or liability; and Level 3 inputs have the lowest priority and are unobservable and significant to the fair value measurement. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input significant to the fair value measurement. The Plan's investments are classified within Level 1, Level 2, or Level 3. There were no transfers out of Level 2 or 3 during the years ended December 31, 2011 and 2010.

Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. The money market fund has underlying short-term investments with quoted prices in an active market to preserve the value of the investment at $1.00 per share. There have been no changes in the methodologies used at December 31, 2011 and 2010.

The following table sets forth by level, within the fair value hierarchy, the Plan's financial assets that were accounted for at fair value, as determined by the Trustee, on a recurring basis:

	Assets at Fair Value as of December 31, 2011		
	Level 1	Level 2	Level 3
Mutual funds:

NOTE 7: **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8: **RISKS AND UNCERTAINTEES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts in the statement of net assets available for Plan benefits.

NOTE 9: **EXCESS CONTRIBUTIONS REFUNDABLE**

The Plan failed a nondiscrimination test under the Code for the years ended December 31, 2011 and 2010. Excess contributions amounting to $19,092 and $31,018 are recorded as a liability in the accompanying statements of net assets available for plan benefits at December 31, 2011 and 2010, respectively, and as deductions from net assets in the statements of change in net assets available for plan benefits for the years then ended. In March 2012 and 2011, the Plan refunded those designated highly compensated employees for their excess 2011 and 2010 contributions, respectively.

NOTE 10: **PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds and a money market fund that are managed by American Funds and held in trust by Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee and American Funds is the record keeper and third party administrator, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are recorded in net appreciation (depreciation) in fair value of investments. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 11: **SUBSEQUENT EVENTS**

Plan management evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through September 12, 2012, the date the financial statements were available to be issued. Plan management has determined no events have occurred that would require disclosure.
