401(k) Plan

I was engaged to audit the financial statements of Harris Moran Seed Company 401(k) Plan as of December 31, 2011 and 2010, and for the year ended December 31, 2011, and the supplemental Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2011. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by Mercer Trust Company and Prudential Retirement, the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. I have been informed by the plan administrator that the trustees hold the Plan's investment assets and executed investment transactions. The Plan administrator has obtained certifications from the trustees as of and for the years ended December 31, 2011 and 2010, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and schedule, other than that derived from the information certified by the trustees, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1. PLAN DESCRIPTION

The following brief description of the Harris Moran Seed Company 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a contributory savings and investment plan covering substantially all employees of Harris Moran Seed Company, Vilmorin Inc., Limagrain Cereal Seeds LLC, and Leafyco LLC (the Sponsors) who have completed at least six months of service. Excluded employees are those individuals who are covered by a collective bargaining agreement, who are leased employees, or who are nonresident aliens with no earned income from sources within the United States.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Participants contribute to the Plan each payroll period through payroll deductions in amounts that range from 1% to 70% of their earnings. Contributions are invested in accordance with the participant's direction and are allocated to funds in 1% increments.

The Sponsors match 50% of the first 3% of each participant's eligible contributions and 25% of the next 3%. The Sponsors' actual contributions are reduced by available forfeitures, if any, during the Plan year.

The Sponsors may also make discretionary contributions. No discretionary contributions were made for the years ended December 31, 2011 or 2010.

C. Participant Accounts

Each participant's account is credited with the participant's contribution, Sponsor's contribution and an allocation of Plan earnings. Allocations are based on participant account balances as defined. The benefit to which a participant is entitled is that which can be provided from the participant's account.

D. Vesting

Participants are immediately vested in their voluntary contributions and related earnings thereon.

Vesting in the Sponsors' contributions and related earnings is as follows:

Less than 1 year	0%
1 year but less than 2 years	25%
2 years but less than 3 years	50%
3 years but less than 4 years	75%
4 years and over	100%

NOTE 1. PLAN DESCRIPTION (Continued)

E. Payment of Benefits

Upon retirement or death the participant or beneficiary can elect to receive a lump-sum amount equal to the value of the participant's account or periodic cash payments. If the participant terminates employment for any reason other than retirement or death, the participant is entitled to receive the vested value in his/her account.

Benefits are recorded when paid.

F. Participant Loans

Participants may borrow against their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of the vested interest in their participant account. The loans are secured by the balance in the participant's account and must be repaid within five years unless the proceeds are used to acquire a principal residence. The specific terms and conditions of loans used to acquire such a residence are established by the Plan administrator.

G. Forfeitures

Forfeited nonvested accounts were used to reduce Sponsors' contributions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Date of Management's Review

Subsequent events were evaluated through September 25, 2012, which is the date the financial statements were available to be issued.

B. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

C. Sponsor Paid Expenses

The Sponsor absorbs significant costs of Plan administration.

D. Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are valued using quoted market prices. Investments in pooled separate accounts and unallocated insurance company contracts are valued at net asset value as determined by the issuing entity at year end.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

E. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3. RELATED PARTY TRANSACTIONS

Mercer Trust Company managed the Plan's investments, was the trustee of those investments and served as the Plan's record keeper for the period prior to October 1, 2011. Therefore, it qualified as a party-in-interest.

Effective October 1, 2011, Prudential Retirement assumed all duties from Mercer Trust Company. Therefore, it qualifies as a party-in-interest also.

NOTE 4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of registered investment companies is based on quoted net asset values of the units held by the Plan at year-end.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Level 3 Fair Value Measurements

The fair value of investments in common/collective trusts and pooled separate accounts are determined by the fair value of the underlying investments less administrative charges.

The unallocated insurance company contract is not actively traded and significant other observable inputs are not available. However, the contract is, in effect, a money-market account so it is valued at the cash balance in the account at year end.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2011 and 2010:

		Fair Value Measurements Using:	
	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)
December 31, 2011			
Unallocated insurance company contracts	$ 1,612,273		$ 1,612,273
Pooled separate accounts	5,714,144		5,714,144
Registered investment companies	10,487,709	$10,487,709	
	$17,814,126	$10,487,709	$ 7,326,417
December 31, 2010			
Common/collective trust	$ 512,391		$ 512,391
Registered investment companies	16,692,870	$16,692,870	
	$17,205,261	$16,692,870	$ 512,391

The following table reconciles the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) of the investments in common/collective trusts and pooled separate accounts for the years ended December 31, 2011 and 2010:

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

	December 31, 2011	December 31, 2010
Beginning balance	$ 512,391	$ 531,123
Total gains or losses included in change in net assets available for benefits	191,909	55,835
Purchases	$ 7,534,607	123,658
Sales	(400,009)	(198,225)
	$ 7,326,417	$ 512,391

Gains and losses (realized and unrealized) included in changes in net assets available for benefits are reported in net appreciation or depreciation in fair value of investments.

NOTE 5. TAX STATUS

The Internal Revenue Service has determined and informed the Sponsor by a letter dated February 1, 2010, that the Plan and related trust are designed in accordance with applicable sections of the internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7. PARTICIPANT DIRECTED INVESTMENTS

All investments are participant-directed. Investments, with the exception of Putnam S & P 500 Index Fund, existing at December 31, 2011 and representing 5% or more on net assets available for benefits as of that date are shown separately in the accompanying financial statements.

During 2011, these investments (including investments bought, sold and held during the year) appreciated (depreciated) in fair value as follows:

Putnam S & P 500 Index Fund	$ (54,648)
Victory Diversified	(92,621)

401(k) Plan

I was engaged to audit the financial statements of Harris Moran Seed Company 401(k) Plan as of December 31, 2011 and 2010, and for the year ended December 31, 2011, and the supplemental Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2011. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by Mercer Trust Company and Prudential Retirement, the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information that I did not audit, I am unable to, and do not express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7. PARTICIPANT DIRECTED INVESTMENTS

All investments are participant-directed. Investments, with the exception of Putnam S & P 500 Index Fund, existing at December 31, 2011 and representing 5% or more on net assets available for benefits as of that date are shown separately in the accompanying financial statements.

INDEPENDENT AUDITOR'S REPORT

August 2, 2012

To the Administrative Committee
Harris Moran Seed Company
401(k) Plan

I was engaged to audit the financial statements of Harris Moran Seed Company 401(k) Plan as of December 31, 2011 and 2010, and for the year ended December 31, 2011, and the supplemental Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2011. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by Mercer Trust Company and Prudential Retirement, the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. I have been informed by the plan administrator that the trustees hold the Plan's investment assets and executed investment transactions. The Plan administrator has obtained certifications from the trustees as of and for the years ended December 31, 2011 and 2010, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and schedule, other than that derived from the information certified by the trustees, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1. PLAN DESCRIPTION

The following brief description of the Harris Moran Seed Company 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a contributory savings and investment plan covering substantially all employees of Harris Moran Seed Company, Vilmorin Inc., Limagrain Cereal Seeds LLC, and Leafyco LLC (the Sponsors) who have completed at least six months of service. Excluded employees are those individuals who are covered by a collective bargaining agreement, who are leased employees, or who are nonresident aliens with no earned income from sources within the United States.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Participants contribute to the Plan each payroll period through payroll deductions in amounts that range from 1% to 70% of their earnings. Contributions are invested in accordance with the participant's direction and are allocated to funds in 1% increments.

The Sponsors match 50% of the first 3% of each participant's eligible contributions and 25% of the next 3%. The Sponsors' actual contributions are reduced by available forfeitures, if any, during the Plan year.

The Sponsors may also make discretionary contributions. No discretionary contributions were made for the years ended December 31, 2011 or 2010.

C. Participant Accounts

Each participant's account is credited with the participant's contribution, Sponsor's contribution and an allocation of Plan earnings. Allocations are based on participant account balances as defined. The benefit to which a participant is entitled is that which can be provided from the participant's account.

D. Vesting

Participants are immediately vested in their voluntary contributions and related earnings thereon.

Vesting in the Sponsors' contributions and related earnings is as follows:

Less than 1 year	0%
1 year but less than 2 years	25%
2 years but less than 3 years	50%
3 years but less than 4 years	75%
4 years and over	100%

NOTE 1. PLAN DESCRIPTION (Continued)

E. Payment of Benefits

Upon retirement or death the participant or beneficiary can elect to receive a lump-sum amount equal to the value of the participant's account or periodic cash payments. If the participant terminates employment for any reason other than retirement or death, the participant is entitled to receive the vested value in his/her account.

Benefits are recorded when paid.

F. Participant Loans

Participants may borrow against their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of the vested interest in their participant account. The loans are secured by the balance in the participant's account and must be repaid within five years unless the proceeds are used to acquire a principal residence. The specific terms and conditions of loans used to acquire such a residence are established by the Plan administrator.

G. Forfeitures

Forfeited nonvested accounts were used to reduce Sponsors' contributions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Date of Management's Review

Subsequent events were evaluated through September 25, 2012, which is the date the financial statements were available to be issued.

B. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

C. Sponsor Paid Expenses

The Sponsor absorbs significant costs of Plan administration.

D. Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are valued using quoted market prices. Investments in pooled separate accounts and unallocated insurance company contracts are valued at net asset value as determined by the issuing entity at year end.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

E. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3. RELATED PARTY TRANSACTIONS

Mercer Trust Company managed the Plan's investments, was the trustee of those investments and served as the Plan's record keeper for the period prior to October 1, 2011. Therefore, it qualified as a party-in-interest.

Effective October 1, 2011, Prudential Retirement assumed all duties from Mercer Trust Company. Therefore, it qualifies as a party-in-interest also.

NOTE 4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of registered investment companies is based on quoted net asset values of the units held by the Plan at year-end.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Level 3 Fair Value Measurements

The fair value of investments in common/collective trusts and pooled separate accounts are determined by the fair value of the underlying investments less administrative charges.

The unallocated insurance company contract is not actively traded and significant other observable inputs are not available. However, the contract is, in effect, a money-market account so it is valued at the cash balance in the account at year end.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2011 and 2010:

		Fair Value Measurements Using:	
	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)
December 31, 2011			
Unallocated insurance company contracts	$ 1,612,273		$ 1,612,273
Pooled separate accounts	5,714,144		5,714,144
Registered investment companies	10,487,709	$10,487,709	
	$17,814,126	$10,487,709	$ 7,326,417

Registered investment companies	16,692,870	$16,692,870	
	$17,205,261	$16,692,870	$ 512,391

The following table reconciles the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) of the investments in common/collective trusts and pooled separate accounts for the years ended December 31, 2011 and 2010:

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

	December 31, 2011	December 31, 2010

Total gains or losses included in change in net assets available for benefits	191,909	55,835

Sales	(400,009)	(198,225)
	$ 7,326,417	$ 512,391

Gains and losses (realized and unrealized) included in changes in net assets available for benefits are reported in net appreciation or depreciation in fair value of investments.

NOTE 5. TAX STATUS

The Internal Revenue Service has determined and informed the Sponsor by a letter dated February 1, 2010, that the Plan and related trust are designed in accordance with applicable sections of the internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7. PARTICIPANT DIRECTED INVESTMENTS
