INDEPENDENT AUDITOR'S REPORT

The Plan Administrative Committee
Maita Profit Sharing 401(K) Plan and Trust

I have audited the accompanying statements of net assets available for Plan benefits of Maita Profit Sharing 401(K) Plan and Trust (the Plan) as of December 31, 2011 and 2010 and the related statements of changes in net assets available for Plan benefits for the years then ended. These financial statements are the responsibility of the Plan's management. My responsibility is to express an opinion on these statements based on my audits.

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for Plan benefits of the Plan at December 31, 2011 and 2010 and the changes in net assets available for Plan benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

My audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of detail of investments at December 31, 2011 referred to as "supplemental information" is presented for the purpose of additional analysis and is not required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Financial Statements

December 31, 2011 and 2010

(1) Description of the Plan

The following brief description of the Maita Profit Sharing 401(K) Plan and Trust provides only general information. Participants should refer to the Plan and Trust agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan with 401(K) features covering all employees of Maita Hyundai (dba Maita Subaru), Maita Nissan, Maita Chevrolet, and Maita Enterprises, Inc. (the Company) who have six months of service, are age eighteen or older, and are not a member of a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), but is not insured by the Pension Benefit Guarantee Corporation.

(b) Contributions

At the discretion of the participant, contributions may be made to the Plan by means of a salary reduction election. The employer may also contribute a matching amount to the Plan at the option of the Company's board of directors. Participants have the authority to decide how contributions made on their behalf shall be invested.

(c) Participants Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

(d) Vesting

Participants become 100% vested in their account upon entering the Plan.

(e) Administrative Expenses

The Company pays all administrative costs for the operation of the Plan. During the Plan years ended December 31, 2011 and 2010, $15,726 and $19,600, respectively, in administrative costs were paid by the Company and are not liabilities of the Plan.

(f) Payment of Benefits

On termination of service for any reason other than death, total and permanent disability or retirement, the Plan administrator may either distribute a lump-sum amount equal to the value of the participant's account, or monthly, quarterly, semiannual or annual installments.

(Continued)

Notes to Financial Statements

(1) Description of the Plan (continued)

(g) Forfeited Accounts

Forfeited nonvested accounts at December 31, 2011 and 2010 totaled $340 and $204 respectively. These accounts are used to reduce future employer contributions.

(2) Summary of Significant Accounting Policies

(a) Investment Valuation

Investments in registered investment companies consist of investments in mutual funds administered by American Funds Group. Quoted market prices are used to value the investments.

(b) Use of Estimates

The preparation of Financial Statements in conformity with Generally Accepted Accounting Principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(c) Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

(d) Date of Management's Review

Subsequent events were evaluated through September 20, 2012, which is the date the financial statements were available to be issued.

(3) Plan Restatement and Amendments

The Plan was adopted on June 26, 1986. Since that date, eight amendments to the Plan have been adopted. A summary of each amendment follows:

(1) The first amendment, effective May 17, 1988, amended the Plan to comply with the provisions of the Technical Corrections Act.

(2) The second amendment, effective July 3, 1992, prohibits loans to participants and limits hardship distributions to accounts which are 100% vested.

(3) The third amendment, effective January 1, 1993, amended the Plan to allow a participant to elect to have any portion of an eligible rollover distribution to be paid directly to an eligible retirement plan specified by the distributee.

(4) The fourth amendment, effective January 1, 1994, amended the plan to limit the annual compensation of each employee taken into account under the plan not to exceed the OBRA 1993 annual compensation limit.

(Continued)

Notes to Financial Statements

(3) Plan Restatement and Amendments (continued)

(5) The fifth Amendment, effective January 1, 1998, changed the service requirement and allocation for employer matching contributions.

(6) The sixth amendment, effective May 1, 1998, allowed employees of McLaughlin Ford Sales to enter the Plan and also recognized service with McLaughlin Ford Sales for eligibility and vesting.

(7) The seventh amendment, effective January 1, 2002, amended the plan name and name of the employer.

(8) The eighth amendment, effective May 1, 2006, amended the Plan to allow Roth Elective Deferrals.

(4) Tax Status

The Plan obtained its latest determination letter on March 30, 1988, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

(5) Plan Termination

Although it has not expressed an intent to do so, the Company has the right to discontinue and terminate the Plan at any time subject to the provisions of ERISA.

(6) Investments

The following table presents the fair value of investments at December 31, 2011 and 2010 that represent 5% or more of the Plan's net assets:
