ALDEN RESOURCES, LLC EMPLOYEE RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of Alden Resources, LLC Employee Retirement Savings Plan (the Plan), is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a 401(K) plan established by Alden Resources, LLC on January 1, 2008 to provide retirement benefits for all employees of Alden Resources, LLC (the Company). Employees of the Company are eligible to participate in the Plan after having completed three consecutive months of service. The plan entry date is immediately following attainment of the service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, plan participants may contribute to the Plan, on a pretax basis, an amount not to exceed 100% of their compensation, subject to a limit of $16,500 for 2011 and $16,500 for 2010. Eligible employees may elect to make additional "catch up" contributions. Participants may also contribute amounts on an after-tax basis through Roth contributions subject to the same limitations as pretax basis contributions. Unless a participant chooses otherwise, eligible participants will have automatic employee deferrals of 3%. Automatic deferrals automatically increase 1% per year until they reach 6%. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company contributes a matching contribution on behalf of each participant in an amount equal to 100% on the first 1% of the participant's compensation contributed to the plan and 50% for the next 5% of the participant's compensation for a maximum match of 3.5%..

Participant Accounts

A separate account is maintained for each investment option selected by the participant. Each participant's account is credited with the participant's contributions, the Company's matching contributions, and the Plan's earnings. Allocation of the Plan's earnings is based on participant's account balances.

Participants direct the investment of their contributions and those made by the Company into various investment options offered by the Plan. The plan currently offers twenty-one funds as investment options for participants.

Vesting

Participants are immediately vested in employee contributions. Participants vest in Company contributions over a two year period with 0% being vested after year one of service and 100% being vested after year two of service.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant Loans
Participant loans are not permitted under the plan.

Payment Of Benefits
In case of a normal retirement, retirement due to permanent disability or termination of employment, participants may elect to receive the value of their account balance in a lump sum distribution, or as a rollover in whole or in part to an eligible retirement plan, in accordance with the provisions of the Plan. In the event that a participant dies before retirement, the beneficiary will receive the value of the participant's account balance in either a lump-sum distribution, under a systematic withdrawal plan or as a rollover in whole or in part to an eligible retirement plan. If a participant's vested balance is greater than $1,000 and less than $5,000, and the participant does not make an election to either receive or to rollover the distribution, the distribution must be rolled over to an Individual Retirement Account. If the vested balance is $1,000 or less, the form of distribution remains as a single lump-sum payment.

Forfeitures
Forfeitures resulting from a break in participant service without the attainment of 100% vesting are applied towards employer contributions, if any. At December 31, 2011 and 2010, forfeited non-vested amounts totaled $6,927 and $2,957, respectively.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared under the accrual basis of accounting, in conformity with generally accepted accounting principles.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator and management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Valuation of Investments
The Plan's investments are administered by Transamerica Retirement Services and are stated at fair value. For 2011 and 2010, underlying assets of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Distributions
Benefit distributions are recorded when paid to participants.

Administrative Services
The expenses necessary to administer the Plan are paid by the Plan or Plan sponsor including, but not limited to, those involved in retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment adviser.

Risk and Uncertainties
The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value in the near term would materially affect participant account balances and the amounts reported in the statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

NOTE 3 - TAX STATUS

The Plan uses a volume submitter plan document sponsored by Advanced Pension Solutions Inc. which received an opinion from the IRS, dated March 31, 2008, which states that the volume submitter document satisfies the provisions of Section 401 of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are investments managed by Transamerica Life Insurance Company. Transamerica Life Insurance Company is the custodian of the Plan and therefore, these transactions qualify as party-in-interest.

NOTE 5 - INVESTMENTS

The Plan's investments are held by Transamerica Life Insurance Company as custodian. Transamerica Life Insurance Company maintains the investments in separate accounts, which comprise a significant portion (100% - 2011, 99.88%-2010) of the Plan's assets. The accounts are credited with earnings on the underlying investment and charged for plan withdrawals. The contract is included in the financial statement at contract value which approximates fair value as reported by Transamerica Life Insurance Company. Transamerica Life Insurance Company certified as of December 31, 2011 as to the completeness and accuracy of the information reported. Unrealized gains/(losses) on investments totaled $(15,615) for the year ended December 31, 2011.

The following presents investments at December 31, 2011 and 2010 that represent 5% or more of the Plan's net assets:

NOTE 10 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures,* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB Statement ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 10 - FAIR VALUE MEASUREMENTS

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the quoted net asset value of shares held by the plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2011:

	Assets at Fair Value as of December 31, 2011
