AIR ENTERPRISES ACQUISITION, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Year Ended December 31, 2011 and 2010

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Air Enterprises Acquisition, LLC 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all full-time employees of Air Enterprises Acquisition, LLC, Inc., who have thirty (30) days of service prior to an open enrollment date and are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year, participants may contribute a percentage of pretax annual compensation, not to exceed the limits of Internal Revenue Code Sections 401(k), 402, 404, and 415. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company matches the first 1.5% of compensation that a participant contributes to the Plan, determined based on each payroll period. Additional amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations. All contributions to the Plan are made in the form of cash contributions.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. The vesting schedule is as follows:

<i>Years of Service</i>	<i>Vested Pct.</i>
1	0%
2	20%
3	50%
4	100%

Investment Options: Participants direct the investment of their accounts into various investment options offered by the Plan.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balances in the participants' account and bear interest at the prime rate, currently 3.25%. Principal and interest is paid through payroll deductions. During the year ended December 31, 2011 and 2010, interest income of \$548 and \$348 was received on participant loans, respectively.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits: Upon termination of service due to death, disability, or retirement, a participant will generally receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Upon termination of service, other than due to death, disability, or retirement, a participant with an account balance under \$1,000 will automatically receive a payout equal to the value of the participant's vested interest.

Forfeited Accounts: At December 31, 2011 and 2010 forfeited non-vested accounts totaled \$3,647 and \$246 and these accounts were invested in the money market fund. The forfeiture account will be used to pay administrative expenses or reduce future employer contributions.

Plan Expenses: The administrative expenses of \$340 and \$1,045 for the year ended December 31, 2011 and 2010 consist of amounts paid to American Funds Group for administrative fees. All other expenses of maintaining the Plan, including the administrative service fee, audit fee and Form 5500 preparation, were paid by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review: Subsequent events were evaluated through July 9, 2012, which is the date the financial statements were available to be issued.

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The financial statements are prepared using a contract value basis for such investment contracts.

Notes Receivable from Participants: Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition: The Plan investments are reported at fair value, except for its benefit-responsive investment contract, which is valued at contract value (Note 6). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits: Benefits are recorded when paid.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 4 - TAX STATUS

The Internal Revenue Service has ruled that the Plan is in compliance with applicable sections of the Internal Revenue Code. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

American Funds Group, the custodian of the Plan, provided the information on the Plan's investments and related investment activity as of and for the year ended December 31, 2011 that is included in the accompanying financial statements and supplemental schedules. This information was certified to be complete and accurate by American Funds Group.

This information includes the following:

Investments, at fair value:	
Registered investment companies (mutual funds)	\$ 1,547,521
Investment income:	
Interest - Loan	\$ 548
Dividends	\$ 21,524
Net depreciation in fair value of investments	\$ 69,999

Additional information is shown in the supplemental schedules.

NOTE 6 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS
Year Ended December 31, 2011 and 2010

NOTE 6 – FAIR VALUE MEASUREMENTS (CONTINUED)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are significant observables other than quoted prices in active markets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Level 1 Fair Value Measurements: The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

The inputs or methodology used for valuing an investment are not necessarily an indication of the risk associated with investing in those securities.

The following is a summary of the inputs used to value the Fund's investments as of December 31, 2011:

	Mutual Funds	Total
Level 1 – Quoted Prices	\$ 1,547,521	\$ 1,547,521
Level 2 – Other Significant Observable Inputs	-0-	-0-
Level 3 – Significant Unobservable Inputs	-0-	-0-
Total	\$ 1,547,521	\$ 1,547,521

Investments in mutual funds are valued at their net asset value as of the close of the New York Stock Exchange on the date of valuation.

Following are investments that represent 5% or more of the Plan's net assets at December 31, 2011:

	<u>Units</u>	<u>Balance</u>
American Funds – AMCAP Fund	6,333.151	114,440
