INDEPENDENT AUDITOR'S REPORT

To the Participants and Board of Trustees
Visual Pak Profit Sharing Plan

I have audited the accompanying statements of net assets available for benefits of **Visual Pak Profit Sharing Plan** as of December 31, 2011 and 2010, and the related statements of changes in net assets available for benefits for the year then ended. These financial statements and supplemental schedule are the responsibility of the Plan's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted My audit in accordance with generally accepted accounting principles (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as Ill as evaluating the overall financial statement presentation. I believe that my audit provides reasonable basis for My opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits for the year then ended in conformity with U.S. generally accepted accounting principles.

My opinion was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulation for Reporting Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

VISUAL PAK COMPANY PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010

Note 1- Plan Description

The following description of the Visual Pak Company ("Company") Profit Sharing Plan Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age twenty-one or older. It is subject to the provisions of the employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, the Company contributes to the plan a discretionary portion of it's current profits before profit sharing costs and income taxes. Participants are not allowed to contribute a portion of their compensation to the Plan. Contributions are subject to certain limitations.

Participants' Accounts

Each participant's account is credited with an allocation of (a) the Company's contribution, (b) Plan earnings, and (c) Forfeitures of terminated participants' non vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Loans to Participants

The Plan provides for loans to participants at prevailing market rates. A participant's loan shall not exceed 5 years.

Vesting

Participants vest in the company's contributions, plus the earnings thereon, based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum amount.

Note 2-Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator make assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The plan's investments are stated at fair value. If available, quoted market prices are used to value investments. The amounts shown in Note 3 for securities that have no quoted market price, represent estimated fair value. Many factors are considered in arriving at fair value.

Payment of Benefits

Benefits are recorded when paid for 2011 $374,508 and 2010 $122,490 was paid in benefits.

Note 3- Investments

The following table presents the fair value of investments at December 31, 2011 and 2010. Investments that represent 5% or more of the Plans assets are separately identified.

Common Stocks * *Less than 5% Individually*		
Preferred Stocks * *Less than 5%*		
Total	2,902,899	2,704,787

NOTE 3- INVESTMENTS

The Plan administrator has elected the method of annual reporting compliance permitted by 29CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting Disclosure under ERISA. The Plan's Trustee, Standard Insurance Company, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate at December 31, 2011-2010.

Note 4 Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 5 Fair Value

Measurements, (FAS 157), which replaces various definitions of "fair market" that currently exist throughout generally accepted accounting principles (GAAP) with a single definition. Statement 157 is effective for financial statements for fiscal years beginning after November 15, 2007 (January 1, 2008, for a calendar year entity), and for interim periods that fall within those fiscal years. FAS 157 is important to all plans required to prepare GAAP financial statements, regardless of whether a plan sponsor engages its auditor to perform a full scope or a limited scope audit. FAS 157 sets forth a fair market value hierarchy for different investments. Most, if not all (in some cases), of the investments choices offered through our various products will qualify as "Level 1" investments where the fair market valuation of assets will be based on quoted market prices in active markets. These values will be received from investment providers (or parties acting on their behalf, such as clearing houses) who are responsible for providing with daily valuation information. Valuation information for shares or units of "Level 2" and "Level 3" investments from investment providers, such as investment managers or trustees of common and collective trusts selected by plan fiduciaries, or insurance companies that maintain guaranteed investment contracts. These investment vehicles may hold private equity and other investments that are not publicly traded.

Note 6- Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue it's contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts
