401(K) PROFIT SHARING PLAN
Notes to Financial Statements

Note 1 - Description of Plan

The following description of the Working Solutions (WSOL, Inc.) and W S Live (the "Company") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of WSOL, Inc., WS Live, LLC and Virtual Voice Solutions, Inc. who have reached the age of 21 and completed one year of service. The Company absorbs most administrative costs of the plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute a percentage of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers thirty-seven mutual funds. The Company may make matching contributions, in a specified amount or percentage of compensation, as determined by the advisory committee annually. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. For the Plan year ended December 31, 2011, the Company did not make a discretionary matching contribution or a profit sharing contribution. Contributions are subject to certain limitations.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan earnings and losses, and (c) certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the vested portion of their account balance.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is based on years of continuous service. A participant is 100% vested after five years of credited service.

Note 1 - Description of Plan (Continued)

Participant loans

Participants may borrow from their fund accounts a minimum of $500 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans (no more than one at any time) are secured by the balance in the participant's account and bear interest at rates determined by the administrator, which are commensurate with local prevailing rates. The term of the loans may not exceed five years unless the loan is used to purchase a principal residence. Principal and interest is paid ratably through payroll deductions.

Payment of benefits

On termination of service, a participant, with an account balance exceeding $5,000 may elect to receive a single lump-sum payment, equal to the value of the participant's vested interest in his or her account. Vested account balances of $5,000 or less are automatically distributed in a lump-sum payment only.

Forfeited accounts

Forfeited balances of terminated participants' nonvested accounts are used to reduce plan expenses first and then to reduce employer contributions. There were no unallocated forfeited accounts as of December 31, 2011.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the modified cash basis of accounting. Under this method, assets are reflected on a cash basis except for contributions.

Valuation of investments

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 3 – Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule, as of and for the year ended December 31, was obtained from data that has been prepared and certified to as complete and accurate by the trustee:
