INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Fresno Truck Center 401(K) Plan

We were engaged to audit the accompanying statements of net assets available for plan benefits of the Fresno Truck Center 401(K) Plan (the Plan) as of December 31, 2011 and 2010, and the related statements of changes in net assets available for plan benefits for the years ended December 31, 2011 and 2010 and the supplemental schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2011. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by State Street Bank and Trust, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2011 and 2010, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

FRESNO TRUCK CENTER 401(K) PLAN

Notes to Financial Statements

December 31, 2011 and 2010

NOTE 1 - Description of Plan:

The following brief description of the Fresno Truck Center 401(K) Plan is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

General

Fresno Truck Center 401(K) Plan is a trusteed, defined contribution plan established for the benefit of eligible employees of Fresno Truck Center (the Company). The Plan was originally effective September 1, 2004, and has been amended and restated to conform to new tax laws and provisions as applicable. Employee participation in the Plan is voluntary. Employees who have reached the age of 21 and have completed three months of service are eligible to participate in the Plan. The plan entry date will be as soon as administratively feasible after the eligibility requirements are met. The Company is the Plan administrator of the Plan as defined under the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Participants may elect to contribute a percentage, up to 75%, of their before-tax compensation, as defined, not to exceed a certain dollar limit as set by law. Participants are always 100% vested in this deferral account. There are no employer contributions. Therefore, participants' accounts consisting of deferrals are 100% vested and there are no forfeitures. There were $146,753 and $44,248 of net assets allocated to the accounts of employees who have withdrawn from the Plan but have not yet been paid out as of December 31, 2011 and 2010, respectively.

Participant loans

Participants may borrow from their accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest is paid ratably through payroll deductions.

Payment of benefits

A participant may elect to receive benefit payments under certain circumstances, including death, disability, retirement, severance from employment, age 59 ½, or financial hardship, as defined by the Internal Revenue Service (IRS) and subject to approval by the Company.

Amendment and termination of Plan

The Company shall have the right to amend the Plan by resolution of the Employer's Board of Directors, provided that no amendment shall attempt to cause any of the assets of the Plan to be used for or diverted to purposes other than for the exclusive benefit of participants or their beneficiaries.

In the event the Employer elects to terminate the Plan or discontinue operation of its business, the entire interest of the participants shall vest 100% immediately and be non-forfeitable.

Administrative expenses

Administrative expenses, with the exception of the $1,070 and $1,510 administrator fee, relating to the Plan for the years ended December 31, 2011 and 2010, respectively, were paid by the Company.

NOTE 2 - Summary of significant accounting policies:

Basis of presentation

The accounts of the Plan are maintained on the cash basis of accounting. For financial reporting purposes, however, the financial statements have been prepared on the accrual basis of accounting using information provided by the Trustee and present the net assets available for Plan benefits and changes in those net assets at current values. The difference between current value and the cost of the investments is reflected in the statement of changes in net assets available for Plan benefits as appreciation (depreciation) in fair value of investments.

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Trustees to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Fair value of financial instruments

Unless otherwise indicated, the fair value of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximates the carrying value of such amounts.

Concentration of credit risk

The Financial Accounting Standards Board requires disclosure in the financial statements relating to concentrations of credit risk and financial instruments with off-balance-sheet risk. Financial instruments that potentially subject the Plan to concentrations of credit risk consist principally of investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investments

All contributions to the Plan are invested by State Street Bank and Trust Co. (the Trustee) in certain mutual funds. Plan participants may allocate their account balances held by the Trustee among the various mutual funds.

Federal income tax status

The Plan has not received a determination letter from the IRS. However, the Plan relies on the latest determination letter for the Automatic Data Processing Federal Credit Union document dated May 3, 2002, in which the IRS stated that the Automatic Data Processing Federal Credit Union, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code, as amended (the Code). The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the Plan administrator believes that the Plan was qualified and thus was tax-exempt as of December 31, 2011 and 2010.

Information certified by the Plan's Trustee:

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's Trustee has certified that the following data included in the accompanying financial statements is complete and accurate: (a) investments as shown in the statement of net assets available for plan benefits as of December 31, 2011 and 2010, and (b) investment income (loss) as shown in the statement of changes in net assets available for plan benefits for the years ended December 31, 2011 and 2010. The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

(continued)

Subsequent events

Management has evaluated subsequent events through October 3, 2012, the date on which the financial statements were available to be issued.

NOTE 3 - Investments:

The Plan's investments in mutual funds and common/collective trusts are held by the Trustee, who has provided certified statements as to its completeness and accuracy which are the basis for recording the transactions of the Plan. Plan investments are all participant-directed and are measured at fair value on a recurring basis as determined by quoted market prices (Level 1) as of the plan year end. The investments and their respective current balances at December 31, 2011 and 2010 are as follows:
