FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2011

REISS JACKSON & COMPANY

To the Plan Administrator of the
Superior Electrical, Mechanical & Plumbing, Inc. 401(K) Plan

We were engaged to audit the statement of net assets available for benefits of the Superior Electrical, Mechanical & Plumbing, Inc. 401(k) Plan as of December 31, 2011 and the related statement of changes in net assets available for benefits for the year then ended, and the supplemental schedule (1) Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2011. These financial statements are the responsibility of the Plan's management.

Except as discussed in the following paragraph, we conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Nationwide, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that Nationwide, as trustee, held the Plan's investment assets and executed investment transactions from January 1, 2011 through December 31, 2011. The plan administrator obtained a certification from the trustee, Nationwide, that the information provided to the plan administrator by the trustee is complete and accurate for the period January 1, 2011 through December 31, 2011.

Because of the significance of the information that we did not audit, we are unable to, and do not express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the Superior 401 (k) Plan ("Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

GENERAL - The Plan is a 401(k) plan made available to all employees who have completed one hour of service and are not part of a collective bargaining agreement. Entry dates are upon hire or January 1, April 1, July 1 and October 1 of each year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan utilizes Nationwide Insurance Allocated Retirement Account group annuity contract which permits employees to contribute a portion of their annual compensation to a tax-deferred retirement plan. The employee elects the deferred amount and authorizes its investment under the plan amoung investment options available through the group annuity contract.

CONTRIBUTIONS - Each year, participants may contribute up to the maximum amount permitted by the Internal Revenue Code. Participants direct the investments of their contributions into various investment options offered by Nationwide Insurance. The plan currently offers 30 core mutual funds and availability of 255 mutual funds and self-directed investment option sponsored by Nationwide Insurance as investment options for the participants. The employer may in its sole discretion make a basic matching to the plan. The employer will make contributions to the plan for services performed during the Plan year by prevailing wage employees under the prevailing wage law. The contributions for each prevailing wage employee will be based on the hourly contribution rate required under the applicable prevailing wage law for each such employee's employment classification for each construction project at which prevailing wage law services are performed by each such employee.

PARTICIPANT ACCOUNTS - Each participant's account is credited with the participant's contribution and (a) allocations of Company contributions and, (b) their earnings and charged with an allocation of plan administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

VESTING - Participants are immediatedly vested in their contributions plus actual earnings thereon. Participants are immediately vested in all prevailing wage contributions credited to their account. Participants are 100% vested in matching and non-elective contributions after six years of service.

PARTICIPANT LOANS - Participants may borrow from their accounts up to a maximum of $50,000, or 50% of their account balance.

PAYMENT OF BENEFITS - On termination of service due to death, disability or retirement, a participant will, at their discretion, receive a lump sum amount equal to the participant's vested interest in his or her account.

FORFEITURES - Foreitures attributable to matching contributions and non-elective contributions will be used to reduce, at the discretion of the Administrator, either the matching contribution, the qualified matching contribution, the non-elective contribution, or the qualified non-elective contribution, or any combination thereof, for the current plan year or for a future plan year. At December 31, 2011 forfeited nonvested accounts totaled $1,736.97.

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTINUED

INVESTMENT VALUATION AND INCOME RECOGNITION - The investments in common/collective trust funds are valued by Nationwide ("Trustee") and are based upon the quoted market price underlying the investments in each fund. The mutual funds are valued at quoted market prices. The participant loans are valued at the outstanding principal balance which the Plan administrator ("Organization") has estimated to approximate fair value. The net appreciation or depreciation in the fair value of each fund includes interest, dividends, realized appreciation and depreciation, and unrealized appreciation and depreciation, less expenses. Any net unrealized appreciation or depreciation for the year is reflected in the Statement of Changes in Net Assets Available for Benefits.

BASIS OF ACCOUNTING - The accompanying financial statements have been prepared on the accrual basis of accounting.

PAYMENT OF BENEFITS - Benefits are recorded when paid.

NON-DISTRIBUTED BENEFITS - The Plan does not accrue non-distributed benefits related to Participants who have withdrawn from the Plan, but recognizes such benefits as a deduction from net assets in the year in which such benefits are paid.

CONTRIBUTION FUNDING - The Organization makes contributions to the fund on a weekly basis. In 2011, employee contributions amounted to $72,945.

PLAN ADMINISTRATIVE EXPENSES - The Organization pays for certain accounting, legal and managerial services not directly paid by the Plan. In 2011, $13,843 in direct expense was paid by the plan.

NOTE 2 - TAX STATUS

The Plan has adopted a standardized prototype plan which has received a favorable determination letter from the Internal Revenue Service qualifying the Plan under Section 401(a) and 401(k) of the Internal Revenue Code and making it exempt from federal income taxes under the provisions of Section 501(a) of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. The plan administrator believes the plan is currently designed and is operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, no provision was made for federal income taxes in the accompanying financial statements.

NOTE 3 - RELATED PARTY TRANSACTIONS

Certain Plan investments are common/collective trust funds and mutual funds managed by Nationwide, the Trustee as defined by the Plan, and therefore, these transactions qualify as exempt party-in-interest transactions.

NOTE 4 - RISK & UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities including, mutual funds and common/collective trust funds. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks near term would materially affect Participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

NOTE 5 - FAIR VALUE MEASUREMENT

FAIR VALUE - The Plan's investments are reported at fair value in the accompanying Statement of Net Assets Available For Benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Description	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Level 3
Mutual Funds	$ $811,744	$ $811,744	$ -
Participant Loans	71,387	-	71,387
Total	$ 883,131	$ 811,744	$ 71,387

The fair value measurement literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or 2 inputs were not available.

Level 1 Fair Measurements - The fair value of mutual funds is based on quoted net assets values of the shares held by the Plan at year-end.

Level 3 Fair Value Measurements - The fair value of participant loans approximates the amortized cost of the loans because the loans are secured by each participant's account balance. The following table provides further detail of the Level 3 fair value

Fair Value Measurements Using Significant Unobservable Inputs (Level 3)

Participant Loans	
Beginning Balance	$ 77,906
Purchases, sales, issuance, & settlements (net)	(6,519)
Ending Balance	$ 71,387

Gains and losses (realized and unrealized) included in changes in Net Assets Available For Benefits for the year ended December 31, 2011 are reported in net appreciation in fair value of investments.

NOTE 6 - INVESTMENTS AND INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has obtained certifications from the Trustee that such information is complete and accurate.
