1. Description of the Plan

The following description of Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan provides medical and dental benefits to eligible current and former employees and eligible Directors of the plan sponsor, Holy Cross Electric Association, Inc. (the "Corporation"), a Colorado non-profit corporation which does business under the trade name Holy Cross Energy. The Plan, which was established by the Corporation on July 1, 1983, is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Benefits

The Plan provides medical, dental, and prescription drugs benefits for active employees of the Corporation, as well as their dependents. In addition, the Plan provides medical, dental, and prescription drugs benefits for eligible Directors, retired employees and Directors, as well as their dependents. Coverage for eligible retired employees and Directors extends one year for every three years of service with the Corporation, or until eligible for Medicare benefits. Maximum annual benefit of $5,000,000 per covered individual is available under the Plan. Plan benefits terminate at the date the participant ceases to be eligible for coverage, dies, or the Plan is terminated, whichever occurs earlier.

C. Contributions

The Plan is funded by contributions from the Corporation and participants. For 2011 and 2010, participant contributions were calculated at 10% of estimated premiums.

D. Termination

Although it has not expressed any intent to do so, the Corporation has the right to terminate the Plan, pursuant to the provisions of ERISA. In the event of Plan termination, any remaining net assets would be distributed to the Corporation and the Corporation would assume any liabilities.

2. Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting which recognizes revenues (increases in net assets) when earned, and expenses (decreases in net assets) when incurred.

B. Cash and Cash Equivalents

The Plan considers all checking, savings, and money market accounts, as well as all highly liquid investments with a maturity of three months or less when purchased (including funds subject to sweep/repurchase agreements) to be cash equivalents.

2. Summary of Significant Accounting Policies (continued)

C. Investments

The Plan has invested certain excess funds in certificates of deposit. Because the Plan has the intent and ability to hold these securities to maturity, these investments are classified as held-to-maturity. Accordingly, such securities are reported on these financial statements at amortized cost. Interest earned by the Plan, together with all realized gains or losses are included in investment income as a component of current period earnings. Unrealized gains and losses arising from changes in the market value of these securities are not recognized by the Plan.

D. Allowance for Uncollectible Amounts

The Plan utilizes the allowance method of recognizing uncollectible amounts, whereby an allowance for possible future uncollectibility of accounts receivable is established when collectibility becomes doubtful. No such allowance was required at December 31, 2011 and 2010, as all receivables were considered to be collectible.

E. Plan Benefit Obligations

The Plan benefit obligation represents estimates of the ultimate net cost of all benefit claims incurred but unpaid at the statement of net assets date. The obligation is based on the loss and loss adjustment expense factors derived from industry averages and the Plan's premium structure. These estimates are reviewed annually, and adjustments are reflected in the statement of changes in net assets. Since the obligation is based on estimates, the ultimate settlement of claims may vary from the amounts included in the financial statements. Although it is not possible to measure the degree of variability inherent in such estimates, the Plan administrator believes that the obligation for claims and loss adjustment expenses are reasonable.

The changes in Plan benefit obligation are set forth below:

	2011	2010
Plan benefit obligation - Beginning of the year	$ 246,125	170,898
Claims accrued and/or approved for payment	2,612,482	2,487,140
Claims paid	(2,689,962)	(2,411,913)
Plan benefit obligation - End of the year	$ 168,645	246,125

F. Income Taxes

The trust established under the Plan to hold the Plan's assets is intended to qualify under section 501(c)(9) of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Corporation believes that the Plan, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code granting tax-exempt status to the Plan.

G. Subsequent Events

Management has evaluated subsequent events through August 27, 2012; the date these financial statements were available to be issued.

2. **Summary of Significant Accounting Policies (continued)**

H. **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan sponsor to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. **Investments**

	2011	2010
Certificates of deposit, maturing within one year, interest at 0.5% - 0.519% p.a. (2010 - 0.66% - 0.95% p.a.)	$ 257,441	505,934

4. **Credit Risk and Repurchase Agreement**

The Federal Deposit Insurance Corporation insures depositors up to $250,000 for interest bearing accounts and provides unlimited coverage for non-interest bearing accounts. The Plan's uninsured cash balances totaled $1,503,948 at December 31, 2011 (2010 – $1,509,847).

The Plan has entered into a Sweep and Repurchase Agreement with Alpine Bank, under which funds in excess of a specified threshold are invested by Alpine Bank in obligations issued or guaranteed by the U.S. government or its agencies, with all such invested amounts available to the Plan upon demand. At December 31, 2011 and 2010, the Sweep and Repurchase Agreement had a maximum balance of $1,500,000. Alpine Bank has granted the Plan security interests in the securities underlying the Sweep and Repurchase Agreement, but the underlying securities are not the property of the Plan. Amounts invested under the terms of the Sweep and Repurchase Agreement are not insured by the Federal Deposit Insurance Corporation and are not guaranteed by the U.S. government or its agencies.

The bank's obligations pursuant to this agreement are general obligations secured by the Underlying Securities. Prior to any event of default, the Plan will be paid the repurchase price from the general assets of the Bank rather than from proceeds resulting from the sale of the Underlying Securities. However, in the event of a default, the Plan will be entitled to Plan's ratable portions of the proceeds from the sale of the Underlying Securities in an amount equal to the repurchase price, if sufficient, and the Plan shall become a general, unsecured creditor to the Bank. To the extent that the Plan's ratable share of the proceeds from any sale of the Underlying Securities is not sufficient to cover the Bank's obligation, the deficiency, if any, shall be paid from the general assets of the Bank.

5. **Insurance Premiums**

The excess loss insurance limits the amount of claims to be paid by the Plan to $80,000 per participant per year, for 2011 and 2010, and to an aggregate of $3,300,000 per year for 2011 ($3,100,000 for 2010). Claims in excess of the specified and aggregate dollar amount are paid by the insurance.

6. Administration

Effective January 1, 2007, the Plan entered into an agreement with CNIC Health Solutions, Inc. ("CNIC") for the administration of the Plan. The agreement had an initial one-year term, and automatically renewed for successive one-year terms unless otherwise terminated. CNIC's responsibilities under the agreement included claims supervision, accounting, and other administrative services. CNIC's compensation was paid as a monthly fee, and was determined using an agreed-upon rate per participant and number of dependents.

Effective January 1, 2011, the Plan entered into an agreement with Regional Care, Inc. ("RCI") for the administration of the Plan. The agreement has an initial two-year term, and automatically renews for successive one-year terms unless otherwise terminated.
