INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
The Sport Clips Game Plan

We have audited the accompanying statements of net assets available for benefits of The Sport Clips Game Plan (the Plan) as of December 31, 2011 and 2010, and the related statement of changes in net assets available for benefits for the year ended December 31, 2011. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2011 and 2010, and the changes in net assets available for benefits for the year ended December 31, 2011, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules, as listed in the accompanying table of contents, together referred to as "supplemental information," are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

THE SPORT CLIPS GAME PLAN
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2011 AND 2010

NOTE 1 - DESCRIPTION OF THE PLAN

General:
The Sport Clips Game Plan (the Plan) is a single employer defined contribution plan covering substantially all eligible employees of Sport Clips, Inc. (the Sponsor). The Plan became effective January 1, 1989. Effective December 1, 2004, the Sponsor adopted a Safe Harbor provision for employer contributions. Plan assets are held by Sungard Employee Benefit Systems, LLC as of December 31, 2011 and 2010, under the direction of the Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Complete information regarding the Plan is included in the Plan document. Significant Plan provisions are summarized below.

Eligibility:
Employees of the Sponsor may participate in the Plan if they are 20 years or older and have completed 1,000 hours of service in a period of 12 consecutive months. Non-resident alien employees and union employees are excluded from the Plan. The Plan's enrollment dates for existing employees are January 1 or July 1 after satisfying the eligibility requirements.

Contributions:
An employee electing to participate in the Plan may contribute up to 100% of their eligible compensation on a pre-tax and/or after tax basis up to the maximum allowed by the Internal Revenue Code. The Plan also provides for a default contribution election in the amount of 3% in the absence of an affirmative decision not to participate. Participants who have attained the age of 50 at the end of the Plan year are eligible to make catch-up contributions. The maximum catch-up contribution cannot exceed $5,500 in 2011 and 2010.

The Sponsor has adopted the Safe Harbor matching contribution in which the employer will match each eligible participant's contribution in the amount equal to 100% of the first 3% of compensation contributed by the participant and 50% of the next 2% of compensation contributed by the participant.

Participant accounts:
Employer contributions are allocated to the accounts of eligible participants based on their relative contributions. Earnings, gains and losses of the individual funds are allocated to each participant's account in proportion to the ratio of the participant's account balance in that fund at the end of each quarter.

Vesting:
Participants are immediately vested in their contributions plus earnings thereon, and on the Sponsor's Safe Harbor match contributions. Any discretionary employer contributions are vested over a six year period, beginning after the second year of service and adding an additional 20% for each year following.

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Payment of benefits:
Under the terms of the Plan, participants are eligible for benefit payments upon the later of age 65, or age 55 and the participant's sixth anniversary of joining the Plan. The Plan also provides for distributions to participants, or their beneficiaries, upon death, disability and termination of employment. A participant or their beneficiary will receive a lump-sum distribution.

If upon termination of employment a participant's balance is $5,000 or less, the Sponsor will automatically distribute the Participant's vested balance.

Participant hardship withdrawals:
Under certain conditions of financial hardship a participant may withdraw all or any portion of the employee's contributions and the vested balance of employer contributions during employment. Financial hardship expenses include deductible medical expenses, funds to purchase a principal residence (excluding mortgage payments), tuition and related educational expenses for participant, spouse or dependents, funds to prevent eviction or mortgage foreclosure on a participant's principal residence, and funds for funeral expenses for a member of the participant's family.

Forfeitures:
Non-vested forfeitures of terminated accounts are used to pay administrative expenses and reduce the employer contributions that the employer would otherwise make for the Plan year in which the forfeitures are allocated. At December 31, 2011, forfeited nonvested accounts totaled $425. There were no forfeited nonvested accounts in 2010. During the year ended December 31, 2011, no forfeitures were used to pay employer contributions and administrative expenses.

Administrative expenses:
The Plan paid all of the Plan's administrative expenses in 2011.

Notes receivable from participants:
Under the terms of the Plan, participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participants' accounts and bear interest commensurate with local prevailing rates, as determined by the Sponsor.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting:
The financial statements of the Plan are presented under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Use of estimates:
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires that management of the Plan make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Notes receivable from participants:
Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment valuation and income recognition:
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits:
Benefits are recorded when paid.

NOTE 3 - TAX STATUS

The Internal Revenue Service has determined and informed the Sponsor by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

NOTE 5 - INVESTMENTS

Investments representing 5% or more of the Plan's net assets at December 31, 2011 and their comparable balances as of the end of the prior year are as follows:

	2011	2010
Investments:		
American Target 2010 R2	$ 480,773	$ 396,539
American Balanced Fund	448,846	381,181
American Funds Cash Management Trust of America	1,422,690	1,182,049
Investments that individually represent less than 5% of net assets available for benefits	850,398	733,278
Total investments	$ 3,202,707	$ 2,693,047

During the year ended December 31, 2011, the Plan's investment in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by $52,087 and earned dividends of $55,937.

NOTE 6 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

quoted prices for similar assets or liabilities in active markets;

quoted prices for identical or similar assets or liabilities in inactive markets;

inputs other than quoted prices that are observable for the asset or liability; and

inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 6 - FAIR VALUE MEASUREMENTS – CONTINUED

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2011 and 2010.

Mutual funds: Valued at the quoted net asset value of shares held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2011:

	Quoted Prices in Active Markets for Identical Assets (Level 1)
Mutual funds	$ 3,202,707

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2010:

	Quoted Prices in Active Markets for Identical Assets (Level 1)
Mutual funds	$ 2,693,047

NOTE 7 - INCOME TAX POSITIONS

FASB ASC 740, *Income Taxes*, requires extensive disclosures about uncertain income tax positions. The requirements under this standard are also applicable to employee benefit plans. The Sponsor evaluates any uncertain tax positions using the provisions of FASB ASC 450, *Contingencies*. Accordingly, a loss contingency is recognized when it is probable that a liability has been incurred as of the date of the financial statements and the amount of the loss can be reasonably estimated. The amount recognized is subject to estimate and management's judgment with respect to the likely outcome of each uncertain tax position.

NOTE 7 - INCOME TAX POSITIONS – CONTINUED

The amount that is ultimately sustained for an individual uncertain tax position or for all uncertain tax positions in the aggregate could differ from the amount recognized. The Sponsor does not believe that the Plan has engaged in any situation that would result in an uncertain tax position. As a result, the Sponsor does not believe that any uncertain tax positions currently exist and therefore, no loss contingency has been recognized in the accompanying financial statements. Federal income tax statutes dictate that tax returns filed in any of the previous three reporting periods remain open to examination. Currently, the Plan has no open examinations with the Internal Revenue Service.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

As of December 31, 2011, 69% of the Plan's investments are concentrated in cash and cash equivalents and bonds. A decline in these markets could result in significant losses to participants' investments due the lack of diversification.

NOTE 9 - DATE OF MANAGEMENT'S EVALUATION OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 9, 2012, the date on which the financial statements were available to be issued.
