1 DESCRIPTION OF PLAN

The following description of the Anamet Electrical, Inc. (Employer) Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL -- The Plan is a defined contribution plan covering substantially all employees age 18 or older who have one service hour. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS -- Employees may elect to contribute, on a pre-tax or post-tax basis, up to the I.R.C. 402(g) limit ($16,500 for the years ended December 31, 2011 and 2010, respectively) of covered compensation. Employees age 50 or over may elect to make a catch-up contribution, on a pre-tax or post-tax basis, up to the I.R.C. 414(v) limit ($5,500 for the years ended December 31, 2011 and 2010, respectively) of covered compensation. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions made on a pre-tax or post-tax basis are subject to certain maximum limitations as defined by the IRS.

As of January 1, 2011, employees may elect to have all or any portion of his or her deferral contributions and catch-up contributions treated as designated Roth contributions. For the calendar year, the maximum amount of elective contributions that an employee can designate as Roth contributions equals the maximum amount of deferral contributions and catch-up contributions according to the I.R.C. limits above, reduced by the aggregate amount of the employee's deferral contributions and catch-up contributions for the calendar year that the employee does not designate as Roth contributions.

The Employer may make matching contributions to participants during the Plan year, and the Plan Administrator determines the dates the matching contribution is allocated. For the year ended December 31, 2011, the Employer contributed an amount equal to 50% of employee contributions up to a maximum of 4% of compensation. For the year ended December 31, 2010, the Employer contributed an amount equal to 50% of employee contributions up to a maximum of 2% of compensation for the period from January 1, 2010 to May 24, 2010 and up to a maximum of 4% of compensation for the period from May 25, 2010 to December 31, 2010. Each year, the Employer may also, contribute an additional discretionary amount. The Employer did not make a discretionary contribution for the years ended December 31, 2011 and 2010.

PARTICIPANT ACCOUNTS -- Each participant's account is credited with the participant's contribution, the Employer's matching contribution, and an allocation of the discretionary profit-sharing contribution and fund earnings. Allocations are based upon covered compensation or account balances as defined in the Plan agreement.

Participants may transfer amounts between funds at any time during the year. The custodian reinvests the amounts to reflect these changes. At the end of the year, the investments are presented net of any transfers in process as directed by the participants.

VESTING -- All participant contributions and income thereon are fully vested at all times. Vesting of amounts related to Employer contributions is based on years of service. A participant is 20% vested after one year, 40% vested after two years, 60% vested after three years, 80% vested after four years and 100% vested after completion of five years of service. Employer contributions and income thereon vest immediately in the case of death, permanent disability, normal retirement, attainment of age 65, or upon termination of the Plan.

1 DESCRIPTION OF PLAN (continued)

LOANS TO PARTICIPANTS -- Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested plan account balance. The loans are secured by the balance in the participant's account and bear interest rates ranging from 4.75% to 7.50%, which are reasonable rates of interest based on the prevailing interest rates charged by persons in the business of lending money for loans under similar circumstances, as determined by the Plan administrator. Principal and interest is paid through payroll deductions. A loan set up fee of $125 is charged to participants requesting loans. Participants are allowed one outstanding loan at a time.

PAYMENT OF BENEFITS -- Upon termination or retirement, a participant's account can be distributed in the form of a lump-sum payment, an annuity, or may be deferred until April 1 of the calendar year next following the later of the calendar year in which the participant attains age 70 1/2 or the calendar year in which the participant retires.

FORFEITURES -- Forfeitures are applied to reduce the contributions of the Employer. However, forfeitures may first be used to pay the administrative expenses of the Plan. Forfeitures amounted to $453 and $665 for the years ended December 31, 2011 and 2010, respectively. Forfeitures were not used to pay certain administrative expenses of the Plan or used to reduce the contributions of the Employer for the years ended December 31, 2011 and 2010. The forfeiture account balance was $3,879 and $3,437 at December 31, 2011 and 2010, respectively.

ACCOUNTING FOR UNCERTAIN TAX POSITIONS -- Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2011, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2009.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION -- The accompanying financial statements of the Plan have been prepared on the accrual basis and present the net assets available for plan benefits and changes in those net assets, except for benefits, which are recorded when paid.

INVESTMENT VALUATION AND INCOME RECOGNITION -- The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

ESTIMATES -- Certain amounts included in the financial statements are estimated based on currently available information and Plan Administrator's judgment as to the outcome of future conditions and circumstances. While every effort is made to ensure the integrity of such estimates, including the use of third-party specialists where appropriate, actual results could differ from these estimates.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

CHANGE IN ACCOUNTING PRINCIPLES -- In January 2010, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2010-06 ("ASU 2010-06"), "Improving Disclosures about Fair Value Measurements," which amends Accounting Standards Codification No. 820 ("ASC 820"), "Fair Value Measurements and Disclosures," to require additional disclosures regarding fair value measurements and clarifies certain existing disclosure requirements. The guidance in ASU 2010-06 clarified that disclosures should be presented separately for each "class" of existing assets and liabilities measured at fair value and provided guidance on how to determine the appropriate classes of assets and liabilities to be presented. ASU 2010-06 also clarified the requirements for entities to disclose information about both the valuation techniques and inputs used in estimating Level 2 and Level 3 fair value measurements.

In addition, ASU 2010-06 introduced new requirements to disclose the amounts (on a gross basis) and reasons for any significant transfers between Level 1, 2 and 3 of the fair value hierarchy and present information regarding the purchases, sales, issuances and settlements of Level 3 of assets and liabilities on a gross basis. The Plan adopted ASU 2010-06 for the Plan year ending December 31, 2010. The Plan only holds Level 1 investments. See Note 5.

In September 2010, FASB released Accounting Standards Update No. 2010-25 ("ASU 2010-25), "Reporting Loans to Participants by Defined Contribution Pension Plans." The ASU clarifies how loans to participants should be classified and measured by defined contribution pension benefit plans. Participant loans were previously classified as investments at fair value in accordance with ASC 962-325. ASU 2010-25 requires that participant loans be classified as notes receivable from participants, which are segregated from plan investments and measured at their unpaid principal balance plus any accrued but unpaid interest. The Plan adopted ASU 2010-25 for the Plan year ending December 31, 2010.

3 PLAN ADMINISTRATIVE EXPENSES

Certain administrative expenses of the Plan have been paid by the Plan sponsor for the years ended December 31, 2011 and 2010, respectively. The Plan did not pay administrative expenses for participant loan processing fees, which were charged to participants' accounts.

4 INVESTMENTS

The Plan has entered into a group annuity contract with John Hancock Life Insurance Company to hold the Plan's investments. Contributions may be allocated to guaranteed interest accounts or sub-accounts which invest solely in shares of an underlying mutual fund.

Guaranteed interest accounts guarantee the return of principal plus interest earned over a 3, 5 or 10-year term provided all contributions remain in the account until maturity. Interest rates are established on the first day of the month and apply to all contributions made into the account during the period.

The group annuity contract offers Pooled Separate Accounts with investment options (sub-accounts) that invest in mutual funds managed by unaffiliated mutual fund companies, mutual funds managed by John Hancock Investment Management Services, LLC and sub-advised by MFC Global Investment Management or unaffiliated third parties, or bank collective trusts managed by John Hancock Life Insurance Company or unaffiliated third parties.

5 FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measure the fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

Level 1 Fair Value Measurements - The fair value of sub-accounts is equal to the market value of the underlying mutual funds as quoted by those funds. The fair value of guaranteed accounts is equal to the value provided by John Hancock Life Insurance Company.

6 INVESTMENTS MANAGED BY JOHN HANCOCK LIFE INSURANCE COMPANY

The Plan has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan has obtained a certification from John Hancock Life Insurance Company that all of the information provided by John Hancock Life Insurance Company is complete and accurate. Information as to the investment assets managed by John Hancock Life Insurance Company, investment transactions, income from investments, and all the information appearing in the accompanying schedules is presented based solely upon that certification.

7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested.

8 ERISA DISCLOSURES

Loan or fixed asset obligations in default or classified as uncollectible	None
Leases in default or classified as uncollectible	None
Investment assets both acquired and disposed of within the plan year	None
Nonexempt transactions	None
Reportable transactions	None

9 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10 TAX STATUS

The Plan obtained its latest determination letter on April 29, 2010, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

11 SUBSEQUENT EVENTS

Subsequent events were evaluated through October 2, 2012, which is the date the financial statements were available to be issued. Management believes no such events require additional disclosures.
