INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
DDH Enterprise, Inc. 401(K) Profit Sharing Plan and Trust

We were engaged to audit the accompanying statements of net assets available for benefits of DDH Enterprise, Inc. 401(K) Profit Sharing Plan and Trust as of December 31, 2011 and 2010, and the related statement of changes in net assets available for benefits for the year ended December 31, 2011. These financial statements and supplemental schedule are the responsibility of the Plan's management.

Except as discussed in the following paragraph, we conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations of Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5., which was certified by AXA Equitable Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2011, and 2010 and for the year ended December 31, 2011, that the information provided to the plan administrator by the custodian is complete and accurate.

General. The Plan is a "salary reduction plan," initially effective January 1, 1994 that was amended and restated on July 1, 2010, covering eligible employees of DDH. The Plan Year begins on January 1st and ends on December 31st. Employees are generally eligible to participate in the Plan, with respect to making salary reduction contributions, after completing 3 months of service and have attained the age of 21. However with respect to Company matching contributions, employees will be eligible to participate if they have completed one (1) year of service, been credited with at least 1,000 hours of service during the plan year and have attained the age of 21. Participants who have not completed one (1) year of service and do not have at least 1,000 hours or have not attained the age of 21 are not eligible for an allocation of the Company matching contributions for such year. The Plan is designed to comply with regulations under of the Internal Revenue Code of 1986, as amended (Code) and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Administration. The Plan is administered by DDH Enterprises, Inc.

Contributions. Each year, participants may contribute up to 15% of pretax annual compensation, as defined in the Plan. Total deferrals in any taxable year may not exceed a dollar limit which is set by law. The limit for 2011 is \$16,500. Employees 50 years of age and older are permitted to contribute up to \$5,500 additional.

Each year, the Employer will contribute a discretionary matching contribution equal to a uniform percentage of the amount of the salary reduction you elected to defer, which percentage will be determined each year by the Employer. On behalf of each participant, a special discretionary contribution equal to a uniform percentage of your compensation, which percentage will be determined each year by the Employer. The Participant must complete a year of service during the plan year to share in this special contribution for the year.

In the event of death, payments shall be made to a primary beneficiary. Distributions are made in one lump-sum payment in cash.

Participant Loans. Loans are available to participants on a reasonably equivalent basis and will be made to participants who are creditworthy. Note 1. Description of Plan (Continued)

Vesting. Participants are immediately vested in their contributions plus actual earnings. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

Rollover Transfers. At the discretion of the Administrator, Participants may be permitted to deposit into the Plan distributions received from other plans and IRAs. Such a deposit is called a "rollover" and may result in tax savings to the Participant.

Plan Termination. The Company reserves the right to terminate the Plan at any time, subject to Plan provisions. Upon such termination of the Plan, no further contributions will be made to the Plan and all amounts credited to the accounts will become 100% vested.

Note 2. Summary of Accounting Policies

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition. The plan's investments are stated at fair value except for its benefit-responsive investment contracts, which are valued at contract value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by Plan at year end. Participants' loans are valued at their outstanding balances, which approximate fair value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits. Benefits are recorded when paid.

Note 3. Tax Status

The Internal Revenue Service has determined and informed the Company that the Plan is qualified and is tax-exempt, under the appropriate sections 401(A) and 501(A) of the Code. A favorable determination letter was received as of February 17, 1999. The Plan administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related Plan was tax-exempt as of the financial statement date.

Note 10. Excess Contribution Distribution

During year 2011, the plan made excess contribution distributions to 13 employees. This distribution includes excess contribution for the year 2011. The total amounts of distribution were \$86,051 which including the tax withheld and cash paid to over funded employees. The distribution is necessary in order to keep the plan in compliance under the IRS guidelines.
