Independent Auditors' Report

Retirement Committee
Doctors Vision Center, O.D., P.A. 401(k) Plan
Rocky Mount, North Carolina

We were engaged to audit the accompanying statements of net assets available for benefits of the Doctors Vision Center, O.D., P.A. 401(k) Plan (the "Plan") as of December 31, 2011 and 2010, and the related statement of changes in net assets available for benefits for the year ended December 31, 2011, and the schedule as of December 31, 2011 as listed in the accompanying table of contents. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Charles Schwab Trust Company, a division of Charles Schwab Bank, the trustee of the Plan, except for comparing the information included in the financial statements and schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2011 and 2010, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedule taken as a whole. The schedule is presented for the purpose of additional analysis and is not a required part of the financial statements, but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements and schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

DOCTORS VISION CENTER, O.D., P.A. 401(K) PLAN

Notes to Financial Statements

December 31, 2011 and 2010

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Doctors Vision Center, O.D., P.A. (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Company established a salary deferral plan under Section 401(k) of the Internal Revenue Code (the "IRC") effective January 1, 1998. Effective January 1, 2009, the Plan was restated and the name of the Plan changed. The Plan allows participation for eligible employees of Doctors Vision Center, O.D., P.A. ("DVC") and Doctors Vision Center of Virginia, P.C. who have completed one year of service (at least 1,000 hours) and are age 19 or older. An employee may enroll in the Plan on the first day of the plan year and the first day of the fourth, seventh, and tenth months of the plan year. During 2011 and 2010, the Plan's trustee was Charles Schwab Trust Company, a division of Charles Schwab Bank (the "Trustee"). During 2011 and 2010, the Plan's third party plan administrator was MVP Plan Administrators (the "TPA"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

For the purpose of determining years of eligible service, employees formally employed with Administrative Resources, LLC, Dr. Alisa D. Stickland O.D., P.A., Dr. Mark Rodammer O.D., P.C., Dr. Glenn Likens O.D., P.A., Michael Haskett, O.D., P.C., Family Eye Care, O.D., P.A., Kevin R. Walker, O.D., P.A., Reidsville Family Eye Care Center, and EyeAmerica, LLC shall be given credit for their hours of service with the predecessor employers.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Contributions

Employees who have satisfied the service and eligibility requirements for participation in the Plan may make tax-deferred contributions of 1% to 100% of their eligible compensation to the Plan. A participant's tax deferred contributions cannot exceed maximum limits allowed by the Internal Revenue Service ("IRS"). Rollover contributions from other qualified plans are allowed.

NOTE 1: DESCRIPTION OF THE PLAN (continued)

The Plan has adopted the automatic enrollment feature, whereby newly hired employees will be automatically enrolled into the Plan when the employee first becomes eligible to participate. The automatic elective deferral contribution is 3% of compensation. The participant may affirmatively elect a different percentage or elect not to make elective deferral contributions.

Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

During 2011 and 2010, the Company matched 100% of the first 1% of participants' tax deferrals, and then 50% of additional deferrals up to 6%.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the employer contribution, (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants become 100% vested in the Company's contribution portion of their accounts plus actual earnings thereon after two years of continuous service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The maximum loan term is five years and up to 30 years for the purpose of purchasing a principal residence. A participant may only have up to one loan outstanding at any time.

The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time of the loan. Principal and interest are paid ratably through payroll deductions.

NOTE 1: DESCRIPTION OF THE PLAN (concluded)

Payment of Benefits

A participant is entitled to distributions under the Plan the later date of (a) when such participant attains their 65th birthday (the normal age of retirement) or their 55th birthday with six years of vesting service (b) in the event of death or disability of the participant before retirement; or (c) termination of employment. Participants can elect to receive their vested account balance in a single lump-sum or a series of payments. Upon separation of service, if the participant's vested balance is less than $5,000, then the balance will be automatically distributed in a single lump-sum payment.

Participants may make withdrawals prior to termination of employment. Hardship withdrawals are available to plan participants, as defined by the Plan and permitted by the IRC. Hardship withdrawals are limited to the participant's salary deferral contributions, which shall not include earnings thereon. Upon making such a withdrawal, the participant is suspended from making deferrals for six months.

Participants who have attained the age of 59½ are allowed to receive a distribution of all or any portion of their vested account balance in a single lump-sum payment.

Benefits are recorded when paid.

Forfeited Accounts

Forfeitures occur upon termination of employment by a participant who is not fully vested. Forfeiture amounts may be used to reduce current or future employer contributions, to pay for allowable plan expenses, or to provide additional allocations for plan participants.

During 2011, $4,578 of forfeitures were used to reduce employer contributions and to pay plan administrative expenses. As of December 31, 2011 and 2010, there were no remaining forfeitures.

Administrative Expenses

Administrative expenses of the Plan including loan fees, certain trustee and recordkeeping fees, and audit fees are paid by the Plan.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in conformity with United Stated Generally Accepted Accounting Principles ("U.S. GAAP").

The plan administrator evaluated subsequent events through October 10, 2012, the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

All investment information disclosed in the accompanying financial statements and schedule, including investments held as of December 31, 2011 and 2010, and net depreciation in fair value of investments, interest, and dividends for 2011 were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee.

Money market funds	690,880	783,510

Notes receivable from participants	$ 134,571	46,488
Cash	$ -	28,744
Total investment loss	$ (238,286)	
Interest income on notes receivable from participants	$ 3,487	

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information included in the financial statements and schedule.

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures* ("FASB ASC 820"), provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820's framework are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;

NOTE 4: FAIR VALUE MEASUREMENTS (continued)

- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of an input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used as of December 31, 2011 and 2010.

Money market funds and mutual funds - Valued at the net asset value ("NAV") of shares held by the Plan as of year-end, which is the quoted market price.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2011 and 2010:

During 2011, the Plan's investments in mutual funds (including gains and losses on investments bought, sold, as well as held during the year) depreciated in value by $238,286.

NOTE 6: RELATED PARTY TRANSACTIONS

The Plan invests in certain funds managed by the Trustee; therefore, transactions related to these funds qualify as party-in-interest transactions that are allowable under ERISA.

The Plan does not consider any company contributions to the Plan to be party-in-interest transactions. The Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged.

Fees paid for audit and recordkeeping services amounted to $45,926 for the year ended December 31, 2011.

NOTE 7: INCOME TAX STATUS

The Plan obtained its latest opinion letter dated March 31, 2008 in which the IRS stated that the Prototype Non-Standardized Profit Sharing Plan, as then designed, is qualified under Section 401(a) of the IRC, and that any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Federal and state tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.
