These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note H, which was certified by Reliance Trust Company, the trustee of the Plan, and ADP Retirement Services, Inc., the recordkeeper of the Plan as agent for JPMorgan Chase Bank, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that Reliance Trust Company holds the Plan's investment assets and executed investment transactions from November 19, 2010 to December 31, 2011, and that JPMorgan Chase Bank, N.A. held the Plan's investment assets and executed investment transactions for the period from January 1, 2010 to November 18, 2010. The plan administrator has obtained certifications from the trustee and the agent on behalf of the trustee as of and for the years ended December 31, 2011 and 2010, that the information provided to the plan administrator by the trustee and the agent for the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee and the agent on behalf of the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

GOOD NITE INN RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2011 AND 2010

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the Good Nite Inn Retirement Savings Plan (the Plan) are maintained on the accrual basis.

Investment Valuation

Plan investments are participant-directed. Investments are reported at fair value. Fair value is the dollar amount that would be received in a sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Income Recognition and Payment of Benefits

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Benefits are recorded when paid.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest based on the interest rate and repayment terms specified in the loan documents. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires that the plan administrator make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of plan income and expenses during the reporting period. Actual results could differ from those estimates.

Date of Management's Review

For purposes of measurement and disclosure in these financial statements, management has considered subsequent events occurring through October 3, 2012, the date that the financial statements were available to be issued.

NOTE B - DESCRIPTION OF THE PLAN:

The Plan was adopted as of January 1, 1995 to provide benefits to employees of Good Nite Inn, Inc., its affiliates and successor companies under Internal Revenue Code Section 401(k). The Plan is a voluntary salary-deferral plan designed to enable employees to maintain tax deferred savings account. Since the initial adoption of the Plan, it has been amended and restated to comply with various regulatory and organizational changes. The Plan was restated effective January 1, 2009 in order to become an Automatic Data Processing (ADP) Retirement Services Prototype Plan. Effective December 1, 2011, GNIMGT, Inc. and RAMCALMGT, Inc. which are wholly owned subsidiaries of Good Nite Inn, Inc. became participating employers.

The following brief description of the Plan is provided for general information only. Participants should refer to the plan agreement for more complete information.

1. Eligibility. Each employee is eligible to participate after completing one year of service with minimum of 1,000 service hours and attaining age 21.

2. Employee Contributions. Employees may contribute up to 87% of their pre-tax annual compensation pursuant to salary deferral agreements subject to maximum amounts allowable by the Internal Revenue Code.

3. Employer Matching Contributions. Matching contributions equal to 50% of each participant's elective deferrals up to a maximum of 6% of the participant's compensation. Such contributions may not exceed limitations imposed by the Internal Revenue Code. Matching contributions for the plan years ended December 31, 2011 and 2010 totaled $40,556 and $37,054, respectively.

4. Participant Accounts. Each participant's account is credited with the participant's contributions, employer's matching contributions and allocations of Plan earnings (losses) based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE B - DESCRIPTION OF THE PLAN (Continued):

5. Vesting. Participants are immediately vested in their contributions, rollovers from other plans and earnings thereon. Employer matching contributions become 20% vested after 2 years of service as defined by the Plan, plus an additional 20% for each additional year of service.

6. Notes Receivable from Participants. Participants may borrow from their vested fund accounts a minimum of $1,000 and a maximum of the lesser of $50,000 or 50% of their account balance. Note terms may range from one to five years for general-purpose loans and up to 25 years for the purchase of a primary residence. The notes are secured by the balance in the participants' account and bear interest at a rate commensurate with the local prevailing rate as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. As of December 31, 2011 and 2010, there were 9 and 10 outstanding participant loans, totaling $21,568 and $24,465 respectively.

7. Forfeited Accounts. At December 31, 2011 and 2010, forfeited non-vested accounts totaled $1,775 and $10, respectively. These accounts will be used to reduce future employer contributions. In 2011 and 2010, employer matching contributions of $1,546 and $832, respectively, were funded from forfeited non-vested accounts.

8. Expenses of Plan. The employer pays all significant costs of administering the Plan.

9. Payments of Benefits. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Benefits are payable when one of the following events occurs:

    a. The participant reaches normal retirement age as defined by the plan agreement.
    b. The participant terminates employment.
    c. The participant reaches age 59 1/2 and elects to withdraw part or all of his or her account.

In any case, benefits shall be paid at age 70 1/2. Special provisions apply in the case of death, disability or severe financial hardships.

NOTE C - FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

NOTE C - FAIR VALUE MEASUREMENTS (Continued):

NOTE E - INCOME TAXES:

The Plan was restated effective January 1, 2009 as an unmodified volume submitter profit sharing 401(k) plan. The Internal Revenue Service has determined and informed the designer of the Plan by a letter dated March 31, 2008 that the prototype plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or the Department of Labor. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2011, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

NOTE F - TERMINATION OF THE PLAN:

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G - ACCUMULATED BENEFITS DUE TO TERMINATED EMPLOYEES:

Net assets available for Plan benefits included approximately $78,000 and $95,000 of accumulated benefits for terminated employees as of December 31, 2011 and 2010, respectively.

NOTE H - FINANCIAL INFORMATION CERTIFIED BY TRUSTEE AND BY AGENT ON BEHALF OF TRUSTEE (UNAUDITED):

Investments and notes receivable from participants totaling $988,119 and $941,519 as of December 31, 2011 and 2010, respectively, and the related income, gains and losses for the year ended December 31, 2011 and for the period from November 19, 2010 to December 31, 2010, were obtained from reports certified by Reliance Trust Company, the trustee of the Plan, and for the period from January 1, 2010 to November 18, 2010 were obtained from reports certified by ADP Retirement Services, Inc., the recordkeeper as an agent on behalf of JPMorgan Chase Bank, N.A., the trustee of the Plan. As permitted by rule 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974, auditing procedures were not performed with respect to these assets and the related income, gains and losses.

NOTE I - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
