#### INDEPENDENT AUDITORS' REPORT

To the Plan Administrator Emeriti Retiree Health Plan for Whitworth University Spokane, Washington

We were engaged to audit the accompanying statement of net assets available for benefits of Emeriti Retiree Health Plan for Whitworth University (the Plan) as of December 31, 2011 and the related statement of changes in net assets available for benefits for the period from inception (June 1, 2011) through December 31, 2011, and the supplemental schedule, as listed in the table of contents, as of December 31, 2011. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in Note 3, which was certified by TIAA-CREF and Fidelity Management Trust Company, the Trustees of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that Fidelity Management Trust Company held the Plan's investment assets and executed investment transactions from the period June 1, 2011 to December 29, 2011, and that TIAA-CREF held the Plan's investment assets and executed investment transactions from December 30, 2011 to December 31, 2011. The Plan administrator has obtained certifications from the Trustees as of and for the period ended December 31, 2011, that the information provided to the Plan administrator by the Trustees is complete and accurate.

Because of the significance of the information in the Plan's financial statements and supplemental schedule that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
As of and for the Period Ended December 31, 2011

#### NOTE 1 - Description of the Plan

The following description of the Emeriti Retiree Health Plan for Whitworth University (the "Plan") provides only general information. Participants should refer to the Emeriti Retiree Health Plan for Whitworth University summary plan description for a more complete description of the Plan's provisions.

#### General

The Plan, effective June 1, 2011, provides post-retirement health benefits, covering the employees of Whitworth University (the Plan Sponsor) and their covered dependents. The Trustees of the Plan were TIAA-CREF and Fidelity Management Trust Company. The Emeriti Retirement Health Solutions Company appointed TIAA-CREF as the trustee of the Plan effective upon the transfer of Plan assets to TIAA-CREF, which occurred on December 29, 2011. Prior to that date, Fidelity Management Trust Company was the trustee of the Plan. The Plan is a defined contribution health model plan that is funded through employer and employee Voluntary Employees' Beneficiary Association (VEBA) Trusts designed in part by Emeriti Retirement Health Solutions, a not-for-profit company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Upon enrollment in the plan, a participant may direct employer and employee contributions to any combination of available investment options.

#### Eligibility and Contributions

Employees are eligible to participate in the Plan, if they are regularly scheduled to work at least half-time for nine or more months during the Plan year and are 21 years of age. Students, adjuncts, lecturers and individuals working less than half-time are not eligible for participation. Once an eligible participant attains the age of 35, the Plan Sponsor will begin to make a contribution for each payroll period during which the participant is credited with at least one hour of service. Certain retired participants receive contributions into their accounts based on their age at retirement, length of service, date of hire and year of retirement from the Plan Sponsor. Participants, including those no longer employed by the Plan Sponsor may make after-tax contributions into an account, provided the account maintains a positive balance.

#### Participant Accounts

Participant accounts are credited with contributions, plus earnings and interest, less administrative expenses not paid by the Plan Sponsor.

#### Vesting and Forfeiture

A participant must complete five years of continuous service with the Plan Sponsor, to become vested in the employer contributions within their balances. Participants terminating prior to the completion of the five years will have their employer contributions forfeited.

All assets in the Plan are forfeitable upon the last to die (or reach majority) of the participant, spouse (or dependent domestic partner), dependent children and dependent relatives. The trustee will transfer the forfeitable balance to the forfeiture account at the direction of the Plan Sponsor.

As of December 31, 2011, the forfeited nonvested account totaled \$3,445. This account will be used to reduce future Plan Sponsor contributions or Plan expenses. In 2011 there was no activity within the forfeited nonvested account.

## NOTES TO FINANCIAL STATEMENTS As of and for the Period Ended December 31, 2011

#### NOTE 1 - Description of the Plan (continued)

#### Benefits

The Plan makes available certain health benefits to retired participants of the Plan. Retirees age 65 or older may elect an Emeriti Health Insurance option. Residents of Minnesota may choose a HealthPartners plan, residents outside of Minnesota may choose an AETNA plan. Both plans have the option for prescription coverage. Participants must enroll within 90 days of attaining age 65. The spouse of a retiree may also enroll in health coverage if age 65 or older. Monthly insurance premiums are incurred by the selection of a health insurance option and are deducted from the participants' VEBA account. If the participants' account is exhausted, participants may retain coverage under the Emeriti Health Insurance option by paying insurance premiums directly from a personal checking or savings account. COBRA is available for dependents of retirees who lose eligibility.

A participant is eligible for reimbursement benefits payable from the non-forfeitable balance in their VEBA account upon the date the participant ceases to be employed and attains age 55. Retirees who have a balance in their VEBA account are immediately eligible for reimbursement. Participants may submit qualified medical expenses claim forms along with the required documentation for reimbursement. In the event of the death of a participant, the dependent named on the account may submit qualified medical expenses for reimbursement until the account is exhausted.

#### Special Benefit Circumstances

If the participant ceases to be employed by the Plan Sponsor prior to attaining age 55 and the aggregate balance of the VEBA Account is less than \$5,000 then the participant is immediately eligible to use the VEBA accounts for qualified medical expenses.

If the participant has a terminal illness or injury expense, the participant is immediately eligible to use the VEBA account for qualified medical expenses.

If the participant and/or eligible dependents have incurred medical expenses during a single 12-month period which exceeds \$15,000, the participant is immediately eligible to use the VEBA accounts for qualified medical expenses for any amount greater than \$15,000.

#### Termination of Plan

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### Participant Loans

There are no participant loans allowed under the Plan.

#### Administrative Expenses

General plan administrative expenses, such as legal fees and administrative costs, are paid for directly by the Plan Sponsor. Fees specific to the participant's investment selections and accounts are charged against that participant's account balance, where the account balance is often funded partially or fully by Plan Sponsor contributions.

#### **NOTE 2 - Summary of Significant Accounting Policies**

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared on the accrual basis of accounting. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are valued at fair value using quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measure date. Refer to Note 4 Fair Value of Financial Instruments for details on inputs, valuation techniques and fair value measurement level within the fair value hierarchy.

Net depreciation in fair value of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the year. The net realized gains or losses on the sale of investments represents the difference between the sale proceeds and the fair value of the investment as of the beginning of the year or the cost of the investment if purchased during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

#### NOTE 3 - Information Prepared and Certified by Trustees - Unaudited

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to be complete and accurate by the Trustees.

Net assets available for benefits as of December 31, 2011:

Money market funds	\$ 3,880
Mutual funds	 93,429
Total Net Assets Available for Benefits	\$ 97,309

## NOTES TO FINANCIAL STATEMENTS As of and for the Period Ended December 31, 2011

#### NOTE 3 - Information Prepared and Certified by Trustees - Unaudited (continued)

During the year ended December 31, 2011, the Plan's investments (including gains and losses on investments bought, sold, and held during the year) depreciated in value as follows:

Net depreciation in fair value of investments - mutual funds	\$ (3,182)
Interest and dividends	 2,796

Net Investment Loss Certified by Trustee

(386)

All assets are held by TIAA-CREF at December 31, 2011.

The following investments represent 5% or more of the Plan's net assets available for benefits as of December 31, 2011:

TIAA-CREF Lifecycle 2010 Fund - Retirement Class	\$ 19,319
TIAA-CREF Lifecycle 2015 Fund - Retirement Class	17,879
TIAA-CREF Lifecycle 2020 Fund - Retirement Class	16,007
TIAA-CREF Lifecycle 2025 Fund - Retirement Class	9,778
TIAA-CREF Lifecycle 2030 Fund - Retirement Class	13.961
TIAA-CREF Lifecycle 2035 Fund - Retirement Class	9,859

Investments, in general, are subject to various risks, including credit, interest, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the statements of net assets available for benefits. Plan investments are not insured by FDIC or similar loss coverage.

#### NOTE 4 - Fair Value of Financial Instruments

The Plan follows accounting principles generally accepted in the United States of America for measuring, reporting, and disclosing fair value. These standards apply to all assets and liabilities that are measured, reported, and/or disclosed on a fair value basis.

As defined in the accounting standards, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Assets and liabilities measured, reported and/or disclosed at fair value will be classified and disclosed in one of the following three categories:

- Level 1 Quoted market prices in active markets for identical assets or liabilities.
- Level 2 Observable market based inputs or unobservable inputs that are corroborated by market data.
- Level 3 Unobservable inputs that are not corroborated by market data.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## NOTES TO FINANCIAL STATEMENTS As of and for the Period Ended December 31, 2011

#### NOTE 4 - Fair Value of Financial Instruments (continued)

The Plan Sponsor is responsible for the determination of fair value. Accordingly, they perform periodic analysis on the prices received from the pricing services used to determine whether the prices are reasonable estimates of fair value. As a result of these reviews, the Plan Sponsor has not historically adjusted the prices obtained from the pricing services.

The table below presents the balances of assets measured at fair value on a recurring basis by level within the hierarchy.

		December 31, 2011						
	Total		1	evel 1	Level 2		Level 3	
INVESTMENTS  Money market funds	\$	3,880	\$	3,880	\$	-	\$	-
Mutual funds Target date funds		88,803		88,803		_		~
Blended fund	**************************************	4,626		4,626		-	-	
Total Investments	\$	97,309	\$	97,309	\$	-	\$	-

The following assumptions were used to estimate the fair value of each class of financial instrument:

Money market funds – The money market is a Level 1 investment and as of December 31, 2011 consisted of the TIAA-CREF Money Market Fund Retirement Class. TIAA-CREF Money Market Fund holding are generally valued using market quotations or prices obtained from independent pricing services.

Mutual funds – The mutual funds are Level 1 investments and as of December 31, 2011 consisted of TIAA-CREF Lifecycle Funds. TIAA-CREF Fund is a Delaware statutory trust that is registered with the Securities and Exchange Commission under the Investment Company Act of 1940 as an open-end management investment company. The fund invests primarily in underlying index funds according to a fixed, more conservative asset allocation strategy designed for investors who are already in or entering retirement. Fund holdings are generally valued using market quotations or prices obtained from independent pricing services.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### NOTE 5 - Parties-In-Interest

Plan investments are managed by the Trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment, claims, and other management services amounted to \$4,754 for the period ended December 31, 2011.

NOTES TO FINANCIAL STATEMENTS
As of and for the Period Ended December 31, 2011

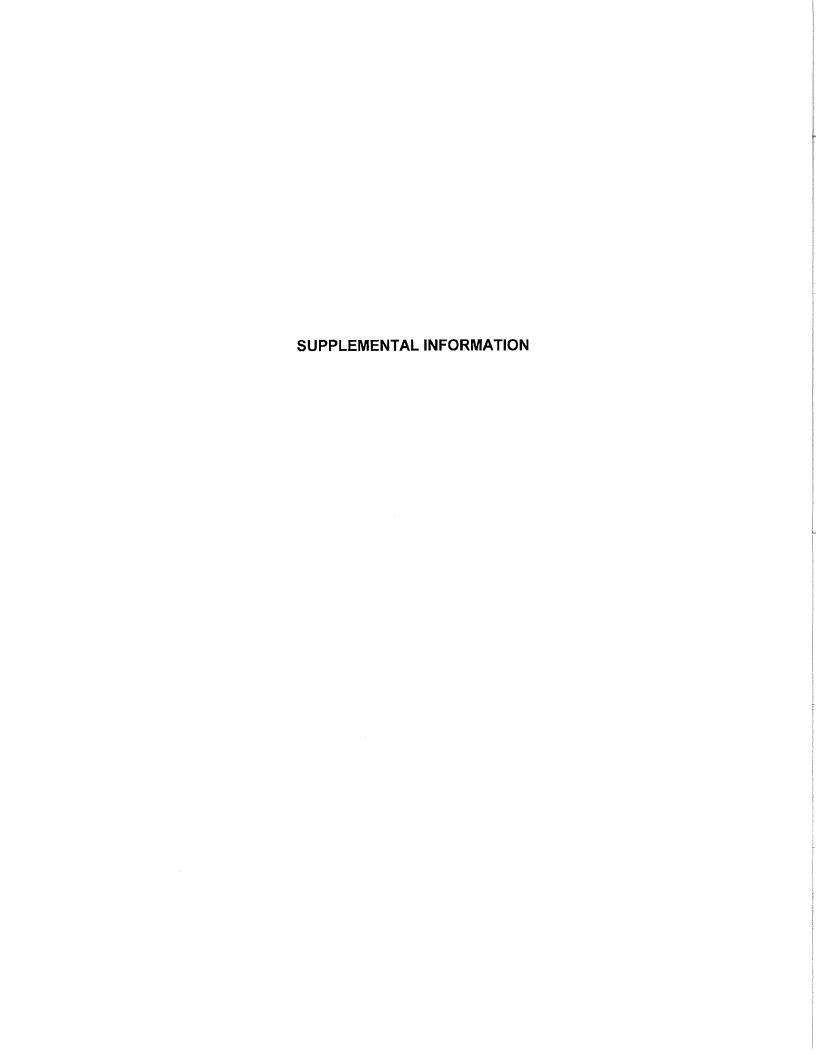

#### **NOTE 6 - Tax Status**

The trust has made application to the Internal Revenue Service to qualify under Section 501(c)(9) for tax exemption under present income tax law. The Plan is required to operate in conformity with the IRS to obtain and maintain tax exempt status. The plan administrator is not aware of any events that have occurred that might adversely affect its application for qualified status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2011, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE 7 - Subsequent Events**

The Plan has evaluated subsequent events through September 27, 2012 which is the date that the financial statements were approved and available to be issued.
