We have been informed by the plan administrator that the trustee holds the certified Plan assets and executes the related transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2011 and 2010 and for the year ended December 31, 2011, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to express, and we do not express, an opinion on the accompanying financial statements and supplemental schedules taken as a whole. ## 1. DESCRIPTION OF THE PLAN

The following brief description of the WestPoint Home, Inc. Retirement Savings Plan for Employees (the "Plan"), as amended and restated, is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

### General

The Plan is a voluntary defined contribution Plan for substantially all salaried and non-salaried employees of WestPoint Home, Inc. and certain of its subsidiaries (the "Company" or the "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

### Trust Agreement

The assets of the Plan were held for safekeeping and investment by T. Rowe Price Trust Company ("T. Rowe" and collectively "Trustee").

### Eligibility and Contributions

Among other requirements as described in the Plan document, employees of the Company are eligible to participate in the Plan if they have completed three months of service.

Each active Plan participant may make contributions up to a maximum of 50% of his or her compensation on a before-tax basis, and up to a maximum of 50% on an after-tax basis, as long as the sum of the after-tax and before-tax percentages does not exceed 100% of the Plan participant's compensation. Plan participant contributions made on a before-tax basis under Section 401(k) of the Internal Revenue Code ("IRC") could not exceed the elective contribution limit of $16,500 during 2011. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions of up to $5,500 for 2011. Contributions by highly compensated employees are subject to additional restrictions.

The Plan Sponsor matches 50% of each Plan participant's before tax contributions not to exceed 6% of the Plan participant's gross compensation.

### Vesting

Participants are immediately vested in their rollovers and 401(k) contributions plus actual earnings thereon. Vesting in the Company's contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three years of service.

### Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Plan Sponsor's contributions and earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Forfeitures**

An employee may forfeit the non-vested portion of their account if employment ceases and the employee is less than 100% vested in any employer contributions made to their account. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Plan Sponsor contributions. During the year ended December 31, 2011, $10,438 of forfeitures was used to reduce Plan Sponsor contributions. The balance of forfeited nonvested accounts was $1,291 and $5 as of December 31, 2011 and 2010, respectively.

**Notes Receivable from Participants**

Participants may borrow from their vested balance in the Plan. The minimum loan amount is $1,000. The loan is to be secured by the participant's vested assets in the Plan and the maximum loan amount is the lesser of 50% of the borrower's vested account balance or $50,000. The maximum term of a general loan is 5 years and the maximum term of a residential loan is 15 years. The interest rate is to be based primarily on the rate of interest that one or more local banks or other lending institutions would charge on a similar loan, taking into account, among other things, the collateral secured to pledge the loan. Interest rates range from 3.25% to 9.25% for loans outstanding at December 31, 2011.

**Benefit Payments**

Upon retirement, disability, death or termination of service, a participant may receive either a lump sum or a rollover amount equal to the value of the vested portion of his or her account. Distributions are subject to the applicable provisions of the plan document. The Plan allows in-service withdrawals, such as hardship withdrawals, under certain conditions based on participant eligibility and approval by the Plan administrator.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Presentation**

The financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America ("US GAAP"), as applied to employee benefit plans. A summary of the Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

**Use of Estimates**

The preparation of financial statements in conformity with US GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements and accompanying notes. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Purchases and sales of securities are reflected on the trade dates. Dividend income is recorded on the ex-dividend date. Income from other investments is recorded as earned.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in investment contracts through a common collective trust. The statement of net assets available for benefits presents the fair value of the investment in the common collective trust as well as the adjustment of the investment in the common collective trust from fair value to contract value relating to the investment contracts. The statement of changes in net assets available for benefits is prepared on a contract value basis.

**Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

**Payment of Benefits**

Benefit payments are recorded when paid.

**Plan Expenses**

The Plan Sponsor pays the administrative costs of the Plan associated with any professional services provided to the Plan, and the cost of communications to the participants. Administrative expenses recorded in the Plan represent custodial fees and other recording fees paid directly from the Plan to the trustee.

**Subsequent Events**

In preparing the Plan's financial statements, subsequent events were evaluated through October 1, 2012, the date the financial statements were available to be issued.

## 3. CERTIFICATION BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, T. Rowe Price Trust Company, the custodian of the Plan, has certified that the following information in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2011 and 2010.
- Investment income and interest from notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2011.

## 5. FAIR VALUE MEASUREMENTS

The Plan estimates the fair value of its financial instruments utilizing a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. The Plan estimates the fair value of its financial instruments utilizing a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

The following summarizes the three levels of inputs, as well as the assets that the Plan values using those levels of inputs.

Level 1 - Quoted market prices in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

*Mutual funds* - valued at the quoted net asset value of shares held by the Plan at year end.

*Common/collective trust* - valued based on the fair value of the common/collective trust's underlying investments using information reported by the investment advisor at year end.

The methods described above may produce a fair value measurement that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different estimate of fair value at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2011:

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Mutual funds | | | | |

## 6. TAX STATUS

The prototype plan sponsor has obtained an opinion letter dated July 8, 2010, in which the Internal Revenue Service stated that the prototype plan document was in compliance with the applicable requirements of the Internal Revenue Code. The Plan itself has not filed for a determination letter. The Plan Sponsor believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2011, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

## 7. PLAN TERMINATION

While the Sponsor has not expressed any intent to do so, the Sponsor retains the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event a decision is made by the Sponsor to terminate the Plan, all participants shall receive full distributions of the balances in their accounts or the Sponsor may instruct the Trustee to continue to manage the assets for a set period of time.

## 8. PARTY-IN-INTEREST TRANSACTIONS

Certain investments are shares of a collective trust fund and mutual funds managed by the trustee, and therefore these transactions qualify as party-in-interest transactions. Participant loans are deemed party-in-interest transactions as defined by ERISA.

## 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:
