REPORT OF INDEPENDENT AUDITOR

ADMINISTRATIVE COMMITTEE OF THE
PRODIGY HEALTH GROUP, INC.
401(K) SAVINGS PLAN

I was engaged to audit the accompanying financial statements and supplemental schedule of the Prodigy Health Group, Inc. 401(k) Savings Plan as of December 31, 2011 and 2010 and for the years then ended, as listed in the table of contents. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the investment information described in Note 4, which was certified by Massachusetts Mutual Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. I have been informed by the plan administrator that the custodian holds the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2011 and 2010, that the information provided to the plan administrator by the custodian is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying financial statements and schedule taken as a whole. The supplemental schedule is presented for the purposes of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements and schedule, other than that derived from the investment information certified by the custodian, have been audited by me in accordance with auditing standards generally accepted in the United States and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PRODIGY HEALTH GROUP, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2011 AND 2010

1. DESCRIPTION OF PLAN

The Prodigy Health Group, Inc. 401(k) Savings Plan (the Plan) is a defined contribution plan established January 1, 1987 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers substantially all employees of Prodigy Health Group, Inc., Meritain Health, Inc., American Health Holdings, Inc. and Scrip World, LLC (the Employers).

Effective January 1, 2010, US Healthcare Holdings, LLC (USHH) became an adopting Employer of the Plan. In conjunction with this, a plan formerly sponsored by USHH was frozen effective January 1, 2010 and was subsequently merged into the Plan during 2010. As a result of the merger, assets of approximately \$1.6 million were transferred into the Plan during 2010.

The following description of the Plan only provides general information. Participants should refer to the Plan agreement or the Summary Plan Description for a more complete description of the Plan's provisions.

PARTICIPATION

All eligible employees of the Employers who have attained age 18 may participate in the Plan. Employees begin participation in the Plan on their date of hire.

CONTRIBUTIONS

Participants may elect to defer a specified percentage of compensation, not to exceed Internal Revenue Code limitations. The Employers may make matching contributions each year in an amount at the discretion of the Employers. For the years ended December 31, 2011 and 2010, the Employers made total matching contributions equal to 50% of an employee's elective deferral contribution, disregarding any elective deferral contribution in excess of 6% of the employee's compensation. During 2010, a match of 25% was contributed during the year, with an additional 25% matching contribution approved and funded in early 2011. In 2011, a match of 25% was contributed during the year, with an additional 25% matching contribution approved and funded in December 2011.

The Employers may also make discretionary profit sharing contributions to all participants who are employed on the last day of the Plan year. These contributions are allocated based on participant earnings, as defined in the Plan. There were no discretionary allocations for the year ended December 31, 2011 and 2010.

401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. DESCRIPTION OF PLAN (CONTINUED)

VESTING

Participants are immediately vested in their elective deferral contributions. The vesting percentage in the Employers' contributions is shown in the following schedule:

<u>Vesting Service</u> <u>(whole years)</u>	<u>Vesting</u> <u>Percentage</u>
Less than 2	0%
2	50%
3 or more	100%

FORFEITURES

Participants who leave the Employers with less than the required years of service forfeit the nonvested portion of the Employers' contributions. Forfeitures may be used to reduce expenses associated with the Plan's administration or offset future Employer contributions. During the year ended December 31, 2011, approximately \$94,000 of forfeitures were utilized to offset Employer contributions. At December 31, 2011, the Plan has approximately \$50,000 of unallocated forfeitures.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may obtain loans up to the lesser of \$50,000 (reduced by the highest outstanding loan balance the previous year less any current outstanding loan balance), or 50% of the participants' non-forfeitable accrued benefit. In addition, participants may only have two loans outstanding, generally at a five year maximum term. Loans are subject to a minimum of \$1,000, and bear interest at a prime-based rate.

PLAN TERMINATION

The Employers intend to continue the Plan indefinitely, but reserve the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their account balances.

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accounting records are maintained on the accrual basis.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value, if any. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

VALUATION OF INVESTMENTS

The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts and disclosures reported in the financial statements. Actual results may differ from management's estimates and assumptions.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the audit report date, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 *Fair Value Measurements* (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The financial instruments' fair value measurement level is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Other significant observable inputs (including quoted prices in active markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2011 and 2010.

- Registered investment companies – Fair value is based on quoted net asset values of the shares held by the Plan.
- Guaranteed investment contract – Payment of contract value could be deferred up to 12 months upon discontinuing the contract. Mass Mutual estimates fair value by discounting cash flows based on the amount the Plan would have received in the event of withdrawal as of the reporting date, considering whether the deferral period was being imposed at each date.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. INVESTMENTS

All investment information disclosed in the accompanying financial statements and schedule, including investments held at December 31, 2011 and 2010, as well as the net investment gain (loss) from registered investment companies and interest income on guaranteed investment contract for the years then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Massachusetts Mutual Life Insurance Company, the custodian of the Plan.

The guaranteed rates of return on the guaranteed investment contract are updated quarterly in accordance with the terms of the contract, subject to a variable minimum guaranteed rate. The average yield and credited rate was 2.21% and 2.67% in 2011 and 2010, respectively.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, could limit the Plan's ability to transact at contract value with Mass Mutual. The Plan administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with Plan participants is not probable. There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

4. INVESTMENTS (CONTINUED)

The fair value of individual investments that represent 5% or more of the Plan's net assets as of December 31, 2011 or 2010 are as follows:

	2011	2010
Capital Preservation Investment Option	\$ 4,607,206	\$ 3,594,125
PIMCO Total Return Fund	9,643,580	9,104,855

T. Rowe Price Retirement 2030 Fund	3,980,749	3,622,326
Mass Mutual Premium Focused International Fund	2,741,650	2,998,520

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's investments are held in mutual funds and a guaranteed investment contract managed by the Massachusetts Mutual Life Insurance Company, the custodian of the Plan. Therefore, these transactions and account balances qualify as party-in-interest.

The Plan incurs various management fees and operating expenses for its investments in registered investment companies. These costs are not reflected separately, but are included in the net investment return of these investments.

Fees paid from Plan assets consisted of certain asset charges and withdrawal fees, as well as fees for certain legal and consulting services. Any other administrative expenses not paid from Plan assets are provided at the expense of the Plan Sponsor. Fees paid were based upon customary and reasonable rates for such services.

6. TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service dated March 31, 2008, stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation. Subsequent to the issuance of this opinion letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Sponsor has indicated that it will take the necessary steps to maintain the Plan's qualified status.

The Plan Sponsor has concluded that as of December 31, 2011, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. In early 2011, the Internal Revenue Service completed a review for the 2007 through 2009 Plan years, and no tax liability by the Plan was needed. The Plan Sponsor believes it is no longer subject to tax examinations for reporting years prior to 2008.
