INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
Robinson Media Company, LLC 401(k) Plan

We have audited the accompanying statements of net assets available for benefit of Robinson Media Company, LLC 401(k) Plan as of December 31, 2011 and 2010, and the related statement of changes in net assets available for benefits for the year ended December 31, 2011. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2011 and 2010, and the changes in net assets available for benefits for the year ended December 31, 2011, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at year end as of December 31, 2011 is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

ROBINSON MEDIA COMPANY, LLC
401(k) Plan

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2011

1. DESCRIPTION OF THE PLAN

The following description of Robinson Media Company, LLC ("the Company") 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Robinson Media Company, LLC who have completed at least one year (1,000 hours) of service and have attained the age of twenty-one. The service requirement was waived for employees who were Cox Enterprises Acquired Employees as of August 1, 2009. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee Contributions

Participants may elect to have the employer make salary reductions to contribute to the Plan. Pursuant to Section 401(k) of the Internal Revenue Code (the "IRC"), participants may contribute up to the lesser of 100% of their compensation or \$16,500 for 2011 and 2010. Employees who are age 50 or older may also make catch-up contributions of up to \$5,500 for 2011 and 2010. Participants direct the investment of contributions to various investment options offered by the Plan. All participants' accounts are fully vested at all times.

Employer Contributions

Each year the Company can elect to contribute to the Plan through a discretionary matching or discretionary profit sharing contribution. During 2011 and 2010, the Company made a discretionary matching contribution of 75 cents for every dollar contributed by the participant up to 5% of participant compensation.

During 2011 and 2010, there was no discretionary profit sharing contribution.

Participant Accounts

Each participant's account is credited with the participant's voluntary contribution, the discretionary Company's matching contribution, any employer discretionary profit-sharing contribution, and Plan earnings, which are allocated proportionately among all participants based on their investment in each fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(continued)

1. DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon and the employer matching contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 9.00%, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

Upon termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in the manner chosen by the individual as soon as practicable. If a participant's vested interest in his or her account is less than \$1,000, the participant will have their account automatically distributed.

Administrative Expenses

The expenses of maintaining the Plan are paid by the Company, except for certain investment transaction charges that are paid by the participants involved.

Forfeitures

There are no forfeitures at year end as participants are immediately vested in all contributions.

Investment Options

The assets of the Plan are allocated to the various funds at the direction of the participant.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

(continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities and changes therein at the date of the financial statements. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

The investments in all of the funds are presented at fair value based on the quoted market prices of the underlying securities within each fund at December 31, 2011 and 2010. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

3. INVESTMENTS

All Plan investment assets are held by Capital Bank and Trust. All investments are participant-directed.

The Plan's investments (including investments bought, sold and held during the year) depreciated in value by \$61,601 during 2011.

4. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2011 and 2010.

Money market –

Valued at the net asset value (NAV) of shares held by the Plan at year-end

Mutual funds –

Valued at the net asset value (NAV) of shares held by the Plan at year-end.

(continued)

4. FAIR VALUE MEASUREMENTS (Continued)

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2011 and 2010.

Assets at Fair Value as of December 31, 2011				
	Level 1	Level 2	Level 3	Total
Money market	\$ 64,422	\$ -	\$ -	\$ 64,422
Mutual funds	<u>1,693,197</u>	<u>-</u>	<u>-</u>	<u>1,693,197</u>
	<u>\$ 1,757,619</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,757,619</u>

Assets at Fair Value as of December 31, 2010				
	Level 1	Level 2	Level 3	Total

	<u>\$ 1,512,797</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,512,797</u>

5. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The financial statements agree to Schedule H of Form 5500 in its entirety.

6. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Capital Bank and Trust, the custodian of the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan as direct compensation for the investment management services amounted to \$219 for the year ended December 31, 2011.

During the year ended December 31, 2011, the Plan paid \$1,719 in direct compensation for third party administration services. These transactions qualify as exempt party-in-interest transactions.

7. TAX STATUS

The Internal Revenue Service has determined and informed the company by a letter dated August 1, 2009, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administration and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. PLAN TERMINATION

The Company has a right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. As discussed in Note 11, the Plan was terminated effective July 23, 2012.

9. RISK AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

10. RECLASSIFICATIONS

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

11. SUBSEQUENT EVENTS

Robinson Media, LLC sold Waco Tribune-Herald in July 2012. As a part of this sale, Robinson Media Company, LLC 401(k) Plan was terminated effective July 23, 2012.

For the year ended December 31, 2011, the Company has evaluated subsequent events for potential recognition and disclosure through October 1, 2012, the date of financial statement issuance. No additional events requiring disclosure were noted.
