NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the North Olmsted Auto Collection Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was adopted by the Bernie Moreno Companies dba Collection Auto Group (the Company) effective March 1, 2006. The Plan is a defined contribution plan covering all employees of the Company who have reached the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute to the Plan subject to the maximum permitted by the Internal Revenue Service. The Company makes safe harbor matching contributions equal to 100% of the first 3%, and 50% of the next 2% of the elective contribution made by the participant not to exceed 5% of the participant's total compensation. Safe harbor matching contributions of approximately \$219,000 were made for the year ended December 31, 2011. The Company may also make discretionary profit sharing contributions to the Plan. There were no profit sharing contributions authorized for 2011. Contributions are subject to certain limitations under Internal Revenue Code (IRC) section 404(a)(3)(A).

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution and allocations of the Company's contributions, and plan earnings or losses as defined by the Plan agreement. Plan earnings or losses are allocated daily based on each participant's account balance. Allocations of the Company's profit sharing contributions are paid at a uniform percentage of participant compensation, as defined, and require a participant to be employed on the last day of the Plan year or, if terminated, require a participant to have 501 hours of service in 91 consecutive days. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account, as defined.

Vesting

Participants are immediately vested in their contributions plus actual earnings and losses thereon and the Company's safe-harbor matching contributions. Vesting in the Company's other contributions are based on years of continuous service over a six year graded scale. As of December 31, 2011 and 2010, all Company matching contributions held in the participant accounts were from safe-harbor matching contributions. Therefore, all participants are 100% vested.

Notes Receivable from Participants

The Plan allows participants to borrow money within certain limits from their individual accounts. Such loans bear interest at a reasonable rate commensurate with current interest rates charged for loans made under similar circumstances by persons in the business of lending money. Principal and interest are paid through payroll deductions.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a future period. If the participant's account balance is \$5,000 or less, the plan administrator directs the trustee to make an automatic lump sum distribution. Participants terminated for other reasons are entitled to receive their benefits as soon as administratively feasible. Distributions of a participant's 401(k) account balance may be authorized at anytime by the plan administrator under certain hardship conditions.

Forfeitures

Forfeitures are used first to reduce administrative expenses and then to reduce future employer contributions. At December 31, 2011 and 2010, there were no forfeited non-vested accounts and during 2011, there were no amounts transferred to the forfeiture account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value as reported by Reliance Trust Company (Reliance). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (continued)

Assets of the Plan are held in separate accounts of a trust administered by Reliance as of December 31, 2011 and 2010, representing investments in mutual funds.

Investments of participant's contributions and the Company's contributions into these funds are at the direction of each participant. The accounts are credited with actual earnings or losses on the underlying investments and charged for Plan withdrawals and administrative expenses.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

The Plan's administrative expenses are paid either by the Plan or the Company as provided by the Plan agreement.

Income Taxes

The Plan recognizes and discloses uncertain tax positions in accordance with GAAP. As of December 31, 2011 and 2010, and for the year ending December 31, 2011, the Plan did not have a liability for unrecognized tax benefits. The Plan is no longer subject to examination by federal and state taxing authorities prior to 2008.

Subsequent Events

Management has evaluated subsequent events through October 11, 2012, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY TRUSTEE

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Reliance, the trustee.

Reliance has certified as to the completeness and accuracy of the investments it holds, changes in net assets arising from investment activity, and the schedule of assets held at end of year as of December 31, 2011 and 2010, and for the year ended December 31, 2011.

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS

The various inputs that may be used to determine fair value of the Plan's assets are summarized in three broad levels:

- Level 1 Quoted prices in active markets for identical securities
- Level 2 Other significant observable inputs (including quoted prices for similar securities, interest rates, credit risk, etc.)
- Level 3 Significant unobservable inputs (including the Plan's own assumptions used to determine value)

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Generally, the Plan utilizes quoted market prices and other relevant information generated by market transactions to measure fair value when available. If quoted prices are not available, fair values are measured using independent pricing models or other model-based valuation techniques. In certain cases, the Plan may be required to make judgments about assumptions that market participants would use in estimating the fair value of financial instruments (Level 3 valuations).

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2011 and 2010.

Mutual funds: Valued at quoted net asset value of the shares held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value on a recurring basis are comprised of the following at December 31, 2011:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds			
Growth and income funds	\$ 556,144		
Target retirement funds	411,882		
Fixed income funds	191,585		
International funds	142,278		
	<u>\$ 1,301,889</u>	<u>\$</u>	<u>\$</u>

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

Fixed income funds	181,530		
International funds	129,682		
	<u>\$ 930,472</u>	<u>\$</u>	<u>\$</u>

The Plan did not hold any level 3 assets during 2011. There were no transfers between levels during 2011.

5. INVESTMENTS

The Plan's investments which exceed 5% of the Plan's net assets available for benefits as of December 31, 2011 and 2010 are as follows:

	<u>2011</u>	<u>2010</u>
John Hancock Lifecycle 2040 Portfolio R3	<u>\$ 174,385</u>	<u>\$ 114,301</u>

PIMCO Total Return	<u>\$ 89,557</u>	<u>\$ 81,391</u>
American Funds Money Market R3		<u>\$ 74,128</u>

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. PLAN QUALIFICATION

The Plan adopted the DailyAccess Corporation defined contribution prototype plan. The Internal Revenue Service has ruled, by letter dated March 31, 2008, that the form of the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended subsequent to the latest determination letter. The plan sponsor believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan continues to qualify under the applicable provisions of the IRC.

NOTES TO THE FINANCIAL STATEMENTS

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2010, to the Form 5500:

10. OPERATIONAL ERRORS

The Company is in the process of self-correcting certain operational errors. Management believes these errors do not have a material impact on the Plan's net assets available for benefits, and the Company does not expect these errors to affect the Plan's tax status.
