INDEPENDENT AUDITORS' REPORT

To The Trustees
Cutco Cutlery Corporation
Hourly Employees' Savings Plan

We have audited the accompanying statements of net assets available for plan benefits of the ***Cutco Cutlery Corporation Hourly Employees' Savings Plan*** as of December 31, 2011 and 2010, and the related statements of changes in net assets available for plan benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Plan as of December 31, 2011 and 2010, and the changes in net assets available for plan benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedule of assets held for investment purposes is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the ***Cutco Cutlery Corporation Hourly Employees' Savings Plan*** provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The effective date of the Plan is December 1, 1990.

General

The Plan is a defined contribution plan covering all union employees and watchmen of the Company who have completed two months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a Section 401(k) retirement arrangement under the Internal Revenue Code.

Contributions

Employees may make contributions of their compensation to the Plan subject to Internal Revenue Service limititations. Contributions are invested in interest bearing cash equivalents and/or mutual funds, at the discretion of the employees. Contributions are funded as accrued. The Company provides a discretionary matching contribution that matches 50% of the employee's contribution to the Plan, but not exceeding 3.5% of the employee's compensation. The plan allows plan participant's to make catch-up elective deferral contributions in a taxable year if the participant will be at least age 50 by the end of that year.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of a) the Company's contribution, b) plan earnings and c) rollover contributions, if any. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service for the Company contributions.

Forfeitures

Non-vested balances of terminated participants are forfeited and used to offset future employer matching contributions.

NOTE 1 - DESCRIPTION OF PLAN (CONT'D)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 25% of their account balance (50% for hardship purposes). The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.25%. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

On termination of service, a participant will normally receive a lump sum amount equal to the participant's vested interest in his or her account, subject to spousal consent. Alternate forms of distribution include payments over a specified period of time.

Transfers out to other Plans

During the plan year ended December 31, 2010, certain employees who were formerly covered by the Plan transferred their plans assets in the amount of $218,607 into the Cutco Corporation Salaried Employees' Savings Plan, under which they are now covered.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting. Plan assets are stated at fair value. Shares of registered investment companies are valued at quoted market prices. Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Benefits to participants are recorded when paid. Substantially all plan administrative costs are paid directly by the employer.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events

Subsequent events were evaluated through October 4, 2012, which is the date the financial statements were available to be issued.

NOTE 3 – INVESTMENTS

Participants in the Plan may direct their investments into certain mutual funds of the American Funds Group Pimco, or the Franklin Templeton Investments. The following presents investments that represent 5% or more of the Plan's net assets as of December 31, 2011 and 2010:

	2011	2010
Growth Fund of America	$ 4,922,432	$ 5,338,638
Investment Company of America	5,441,196	5,604,328
New Perspective Fund	2,151,554	2,451,476
American Balanced Fund	1,863,499	1,770,247
American Funds Money Markey Fund A	1,299,218	1,014,139

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account.

NOTE 5 - INCOME TAX STATUS

The Internal Revenue Service has determined in a letter dated March 31, 2008, that the form of the Prototype Plan adopted by the ***Cutco Cutlery Corporation Hourly Employees' Savings Plan*** is acceptable under Section 401 of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan's Form 5500 is subject to examination by the Internal Revenue Service; plan years that remain open for examination include 2008 and later.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

NOTE 7 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. FASB Accounting Standards Codification 820-10-50 (formerly SFAS No. 157), *Fair Value Measurements,* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs on the hierarchy consist of unadjusted quoted prices in active markets and have the highest priority. Level 2 inputs consist of quoted prices in active markets for similar assets or liabilities or quoted prices in inactive markets for identical or similar assets or liabilities. Level 3 inputs on the hierarchy are unobservable and significant to the fair value measurement, and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of net assets available for benefits. As of December 31, the Plan's net assets available for benefits measured at fair value consisted of the following instruments and classifications within the fair value hierarchy.

	Quoted Prices in Active Markets for Identical Assets (Level 1) December 31, 2011	Quoted Prices in Active Markets for Identical Assets (Level 1) December 31, 2010
