Allied Digital Services, LLC
401(k) Savings Plan

NOTES TO FINANCIAL STATEMENTS
December 31, 2011

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Allied Digital Services, LLC 401 (k) Savings Plan (the "Plan") provides only general information. Allied Digital Services, LLC (the "Company") is the plan sponsor. Employees of Allied Digital Services, LLC are eligible to participate in the Plan. Participants should refer to the Plan agreement and Summary Plan Description for a more complete description of the Plan's provisions.

1. *General*

The Allied Digital Services, LLC 401 (k) Savings Plan is a defined contribution plan for all employees of the Company who are at least twenty-one years of age and have been completing 6 consecutive months of eligibility service. Effective January 1, 2011, all employees shall be eligible to participate following their election on the Entry Date, which are the first day of the plan year and the first day of the fourth, seventh and tenth months of the plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

2. *Contributions*

Within each calendar year, participants may voluntarily elect to contribute up to the annual dollar limit, as defined in the Plan ("Salary Deferral"). The Participant's Salary Deferral is subject to annual dollar limits published by the Internal Revenue Service of $16,500 for years ended 2011. The Company has elected to make discretionary matching contributions, which equal to that percentage of each Qualifying Contributing Participant's Elective Deferral which the Employer, in its sole discretion, determines from year to year. The amount, the allocation formula, and the percentage or dollar amount limit applicable to such match, if any, is at the complete and sole discretion of the Employer and may vary from year to year. Any matching contribution is allocated in a nondiscriminatory manner based upon each Contributing Participant's Elective Deferrals ("Employer Matching"). The Company has been making Employer matching contributions. Employer matching contributions are subject to a vesting schedule, as described below. The Company also is permitted to make annual discretionary profit sharing contributions; however, no such profit sharing contributions were made for the years ended 2011. The Company's discretionary profit sharing

contribution must be allocated in the same ratio as the individual participant's compensation to all participants' compensation. Participants are also permitted to make rollover contributions ("Rollover Account Balance") to the Plan of distributions from certain other tax-qualified retirement plans in which the Participant has participated. The plan does not accept Roth Elective Deferrals as direct or indirect rollovers.

3. *Participant Accounts and Vesting*

Separate accounts are maintained for each participant's contributions and earnings thereon. The participant may direct that the account be invested in one or more funds, as permitted by the Plan. During the year the participants were entitled to increase, decrease or resume the contributions on a monthly basis. Upon termination of employment, a participant is entitled to 100% of the value of his / her Salary Deferral account balance and Rollover Account balance and qualifying rollover distribution plus a specified percentage of his/her Employer Matching account balance (participant's share of employer matching contributions), based upon the vesting provisions of the Plan (25% vested after two year of service, 50% vested after three years of service, 75% vested after four years of service and 100% vested after five years of service). Forfeitures, resulting from application of the vesting provisions, are maintained separately by the Plan. Forfeitures can only be used to reduce employer-matching contributions in the future. In the event of the Plan termination, any unused forfeiture balances will be allocated to participant accounts.

4. *Withdrawals and Distributions up on Termination of Employment*

Upon termination of employment for any reason, a participant's vested account balance will be distributed to the participant, or designated beneficiary, at his or her option.

5. *Loans to Participants*

Loans are available to active participants and employees who have made Rollover Account contributions to the Plan but have not yet satisfied the plan eligibility requirements.

The Plan provides for loans to a maximum of the lesser of (1) $50,000 or (2) 50% of the participant's vested account balance. The loans are payable over

a maximum of five years, unless the loan is used to acquire a principal residence, with interest as specified in the Plan. The loans are secured by one-half of the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan. Interest rates ranged from 4.25% to 6.00% in 2011. Principal and interest are paid ratably through payroll deductions. If a participant has an outstanding loan balance and leaves employment for any reason, then such loan balance is immediately payable.

6. *Administrative Expenses*

Certain administrative expenses, such as processing fees are borne by the Plan. All other expenses are borne by the Company.

The fund is reviewed quarterly following the end of January, April, July and October and rebalanced if the actual percentage of any individual fund at the end of the quarter is over or under its "target" percent by five percentage points or more.

5. MUTUAL DIRECTIONS V

The investment seeks maximum long-term capital appreciation. The fund allocates 100% of investments to the stocks of domestic (75%) and international (25%) companies. The fund employs both active and passive funds.

6. BOND INDEX FUND

The investment seeks current income by tracking the Leman Brothers Government/Credit Index. The fund invests in the State Street Global Advisors Passive Government Credit Bond Index Securities Lending Series Fund, a bank commingled fund for tax exempt retirement plans. The fund utilizes fundamental credit analysis and quantitative portfolio construction techniques to select a portfolio with the same characteristics as Lehman Brothers Government/Credit Index.

7. STOCK MARKET INDEX FUND

The fund is managed by State Street Global Advisor (SSgA). SSgA attempts to match, before expenses, the performance of the S&P 500 Index. The fund typically attempts to invest in the securities comprising the index in the same proportions as they are represented in the Index. The fund may employ a sampling or optimization technique to construct the portfolio when it is not possible or practicable to purchase all of the securities comprising the index, or to hold them in the same weightings as they represent in the index. The fund invests the majority of the assets in US stocks (96.2%) and it's returns may vary from the returns of the Index. From time to time the fund may purchase securities that are

not yet represented in the Index or sell securities that have not yet been removed from index

8. INTERNATIONAL DEVELOPED COUNTRIES FUND

The fund seeks long-term capital appreciation by investing in both the Causeway International Value Fund and the Julius Baer International Equity Fund II. The fund recognized both growth and value investment styles for selecting storks from developed countries outside the United States. Causeway seeks to provide current income and long-term growth of income, accompanied by growth of capital. Stocks are selected based on value, dividends and earning yield. The Julius Baer fund's investment objective is long-term growth of capital and invests in mid to large capitalization companies that are dominant within their industry, companies within industries that are undergoing dramatic change and companies that are market leaders in developing countries.

9. SMALL COMPANY FUND

The objective of the fund is to seek long-term capital growth by investing in small companies of relatively high financial quality and primarily located in the United States. The fund utilizes proprietary research and selects companies that are within the market cap range of the fund's benchmark, the Russell 2000 Index. The fund is broadly diversified.

10. VANGUARD WINDSOR II FUND

The fund seeks long-term capital growth and some dividend income. The fund uses the Russell 1000 Value Index as its benchmark and invests in stocks with below-average price/earnings ratios, above-average yields, and solid relative-return potential.

11. GUARANTEED INVESTMENT ACCOUNT (OMAHA GUARANTEED ACCOUNT)

The investment seeks to provide safety of principal and guaranteed rates of interest. The Guaranteed Account is backed by the applicable underwriting company's general asset account, which is a well-diversified, managed portfolio of bonds, mortgage loans, and other appropriate investments. The general asset account investment policy strictly limits the bond holdings by type, quality, and

maturity to create a stable low-risk bond portfolio. It also has appropriate asset/liability management strategies which are utilized to insulate portfolio assets from the effects of adverse interest rate movements and to offer competitive, risk-adjusted returns. The Guaranteed Account has no fluctuation of principal and offers liquidity to withdraw funds for benefits payments and investment elections.

12. PIMCO TOTAL RETURN FUND

The investment seeks maximum total return consistent with preservation of capital and prudent investment management. The found normally invests at least 65% of its total assets in a diversified portfolio of Fixed Income Instruments of varying maturities, which may be represented by forwards or derivatives such as options, futures contracts, or swap agreements. The fund may invest up to 15% of its total assets in securities and instruments that are economically tied to emerging market countries.

13. BLACKROCK CAP APPREC PORTFOLIO
