Plan Administrator
ATEK Companies Savings Plan
Plymouth, Minnesota

We were engaged to audit the financial statements and supplemental schedule of ATEK Companies Savings Plan (the Plan) as of December 31, 2011 and 2010 and for the years then ended, as listed in the accompanying table of contents. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information cited in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing such information with related information included in the supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2011 and 2010, that the information provided to the Plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on these accompanying financial statements and supplemental schedule taken as a whole. The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**ATEK COMPANIES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010**

NOTE 1 DESCRIPTION OF PLAN

The following description of the ATEK Companies Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1976, most recently amended effective October 1, 2011, and most recently restated during 2009 with certain provisions effective January 1, 2002. The Plan is a defined contribution plan covering all eligible employees of the following affiliated companies: ATEK Companies, Inc.; ATEK Plastics, Inc.; Progress Casting Group, Inc.; ATEK Products, LLC; ATEK Medical, LLC; and ATEK Precision Castings, LLC (collectively, the "Employers"). Employees of the Employers who attain age 18 are eligible to participate in the salary deferral portion of the Plan immediately coinciding with or following the date the age requirement is met. The Plan excludes collectively bargained employees and non-resident aliens. Participants are eligible for discretionary matching contributions and discretionary non-elective contributions after completion of six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective October 1, 2011, Red Mountain Ranch Corporation adopted the Plan as a participating employer.

Effective November 10, 2011, ATEK Medical, LLC and ATEK Plastics, Inc. were sold to The MedTech Group, Inc. ATEK Medical, LLC and ATEK Plastics, Inc. ceased to be participating employers in the Plan effective January 1, 2012.

In January 2012, Plan assets of \$5,367,078 were transferred to The MedTech Group, Inc. 401(k) Salaried Employees Retirement Savings Plan related to the sale of ATEK Medical, LLC and ATEK Plastics, Inc.

Contributions

The Plan includes a 401(k) salary deferral arrangement. Under this arrangement and subject to Plan provisions, participants may elect to contribute up to the maximum allowed of their eligible compensation to the Plan. The Employers automatically withhold 3% as pre-tax contributions unless the participant elects otherwise. The Plan allows participants age 50 and older to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Employers may make a discretionary match or a non-elective contribution to the Plan. For the years ended December 31, 2011 and 2010, ATEK Companies, Inc., ATEK Plastics, Inc., ATEK Products, LLC and ATEK Medical, LLC matched 50% of participant contributions up to 6% of the participant's eligible compensation. ATEK Precision Castings, LLC reinstated the Employer match contribution effective February 1, 2010. There were no non-elective contributions for the years ended December 31, 2011 and 2010. A participant must be employed on the last day of the Plan year and complete at least 1,000 hours of service during the year to receive an allocation of the Employers' non-elective contributions. Contributions are subject to certain limitations.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

The Plan permits participants to direct the investment of their account balance under the Plan. Each participant's account is credited with the participant's contribution, and allocations of (1) the Employers' contributions, (2) Plan earnings or losses, and (3) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participants' account.

Vesting

Participants are immediately vested in their voluntary contributions and Employers' matching contributions plus actual earnings thereon. A participant's non-elective account for contributions made prior to 2007 is 10% vested after one year of service, increasing 15% every year thereafter, with 100% vesting after seven years of service or upon death, total permanent disability, attainment of age 65 or early retirement age of 55. For non-elective contributions made after December 31, 2006, the participant's non-elective account is vested as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

The Plan also recognizes past service with Air Regent Investors, Inc., Cornerstone Fuels International, Inc. and Crosby Manufacturing, Inc. Effective December 9, 2010, the Plan recognizes prior service with Datakey Electronics, Inc. for employees whose employment with ATEK Products, LLC is a direct result of the acquisition of Datakey Electronics, Inc.

Forfeitures

Forfeitures may first be applied to offset Plan expenses and next used to reduce the Employers' matching contributions. There were unallocated forfeitures of \$6,823 and \$4,008 at December 31, 2011 and 2010, respectively. There were no forfeitures used to reduce the Employers' matching contributions for the years ended December 31, 2011 and 2010. Forfeitures of \$6,000 and \$5,743 were used to pay Plan expenses for the years ended December 31, 2011 and 2010, respectively.

**ATEK COMPANIES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants may elect to receive the value of their account as a lump sum or periodic distributions upon termination, retirement, death or disability. Account balances less than \$5,000 will be automatically distributed in a lump sum payment without the participants consent. If the vested balance exceeds \$1,000, the amount will be paid in a direct rollover to an Individual Retirement Account. The Plan also permits in-service distributions if attained age 59½ or incurred a financial hardship or disability, as defined in the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note terms range from 1-5 years or up to 15 years for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%. Principal and interest is paid ratably through payroll deductions. At December 31, 2011, interest rates on outstanding notes ranged from 4.25% to 9.25%.

Plan Termination

Although it has not expressed any intent to do so, the Employers have the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, the Plan's assets will be distributed in accordance with the Plan document. In the event of a Plan termination, the participants will become 100% vested in their accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statements of net assets available for benefits present the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The statements of changes in net assets available for benefits are prepared on a contract value basis.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2011 and 2010.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**ATEK COMPANIES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Collective Trust Fund: Valued based on the NAV of units, which is based on the observable prices for the underlying assets, held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

The Employers at their discretion absorb certain administrative expenses pertaining to the Plan. If not paid by the Employers, the administrative expenses become the responsibility of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 8, 2012, the date the financial statements were available to be issued.

NOTE 3 INVESTMENT INFORMATION CERTIFIED BY TRUSTEE

The Employers appointed Wells Fargo Bank, N.A. (Wells Fargo) as trustee of the Plan. The trustee is responsible for the Plan's investment assets and investing transactions. Wells Fargo has supplied the Plan administrator with certification as to the completeness and accuracy of notes receivable from participants and all investment information (except for the adjustment from fair value to contract value) presented in the accompanying statements of net assets available for benefits as of December 31, 2011 and 2010, statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2011.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31:

2011				
Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Return Collective Trust Fund	\$ 1,784,479	\$ -	Daily	Daily

2010				
Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Return Collective Trust Fund	\$ 2,134,111	\$ -	Daily	Daily

Any Plan Sponsor initiated withdrawal from the stable return collective trust fund (Fund) will require a twelve-month written redemption notice. At the direction of the trustee, the notification for withdrawals may be waived.

The Fund's objective is to protect principal while providing a higher rate of return than shorter maturity investments, such as money market funds or certificates of deposit. To achieve this, the Fund invests in instruments which are not expected to experience significant price fluctuation in most economic or interest rate environments. However, there is no assurance that this objective can be achieved.

NOTE 5 INVESTMENTS

Investments that represent 5% or more of the Plan's net assets available for benefits at December 31 are as follows:

NOTE 5 INVESTMENTS (CONTINUED)

During 2011 and 2010, the Plan's investments (including investments bought, sold, and held during the year) appreciated (depreciated) in value as follows:

	2011	2010
Mutual Funds (at Quoted Prices)	\$ (537,558)	\$ 2,031,905
Collective Trust Fund (at Estimated Fair Value)	36,475	56,856
Net Appreciation (Depreciation) in Fair Value	<u>\$ (501,083)</u>	<u>\$ 2,088,761</u>

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2008 received from the Internal Revenue Service (IRS) on the prototype plan indicating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is qualified and, therefore, the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2011 and 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
ATEK Companies Savings Plan
Plymouth, Minnesota

We were engaged to audit the financial statements and supplemental schedule of ATEK Companies Savings Plan (the Plan) as of December 31, 2011 and 2010 and for the years then ended, as listed in the accompanying table of contents. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information cited in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing such information with related information included in the supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2011 and 2010, that the information provided to the Plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on these accompanying financial statements and supplemental schedule taken as a whole. The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 DESCRIPTION OF PLAN

The following description of the ATEK Companies Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1976, most recently amended effective October 1, 2011, and most recently restated during 2009 with certain provisions effective January 1, 2002. The Plan is a defined contribution plan covering all eligible employees of the following affiliated companies: ATEK Companies, Inc.; ATEK Plastics, Inc.; Progress Casting Group, Inc.; ATEK Products, LLC; ATEK Medical, LLC; and ATEK Precision Castings, LLC (collectively, the "Employers"). Employees of the Employers who attain age 18 are eligible to participate in the salary deferral portion of the Plan immediately coinciding with or following the date the age requirement is met. The Plan excludes collectively bargained employees and non-resident aliens. Participants are eligible for discretionary matching contributions and discretionary non-elective contributions after completion of six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective October 1, 2011, Red Mountain Ranch Corporation adopted the Plan as a participating employer.

Effective November 10, 2011, ATEK Medical, LLC and ATEK Plastics, Inc. were sold to The MedTech Group, Inc. ATEK Medical, LLC and ATEK Plastics, Inc. ceased to be participating employers in the Plan effective January 1, 2012.

In January 2012, Plan assets of \$5,367,078 were transferred to The MedTech Group, Inc. 401(k) Salaried Employees Retirement Savings Plan related to the sale of ATEK Medical, LLC and ATEK Plastics, Inc.

Contributions

The Plan includes a 401(k) salary deferral arrangement. Under this arrangement and subject to Plan provisions, participants may elect to contribute up to the maximum allowed of their eligible compensation to the Plan. The Employers automatically withhold 3% as pre-tax contributions unless the participant elects otherwise. The Plan allows participants age 50 and older to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Employers may make a discretionary match or a non-elective contribution to the Plan. For the years ended December 31, 2011 and 2010, ATEK Companies, Inc., ATEK Plastics, Inc., ATEK Products, LLC and ATEK Medical, LLC matched 50% of participant contributions up to 6% of the participant's eligible compensation. ATEK Precision Castings, LLC reinstated the Employer match contribution effective February 1, 2010. There were no non-elective contributions for the years ended December 31, 2011 and 2010. A participant must be employed on the last day of the Plan year and complete at least 1,000 hours of service during the year to receive an allocation of the Employers' non-elective contributions. Contributions are subject to certain limitations.

**ATEK COMPANIES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

The Plan permits participants to direct the investment of their account balance under the Plan. Each participant's account is credited with the participant's contribution, and allocations of (1) the Employers' contributions, (2) Plan earnings or losses, and (3) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participants' account.

Vesting

Participants are immediately vested in their voluntary contributions and Employers' matching contributions plus actual earnings thereon. A participant's non-elective account for contributions made prior to 2007 is 10% vested after one year of service, increasing 15% every year thereafter, with 100% vesting after seven years of service or upon death, total permanent disability, attainment of age 65 or early retirement age of 55. For non-elective contributions made after December 31, 2006, the participant's non-elective account is vested as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

The Plan also recognizes past service with Air Regent Investors, Inc., Cornerstone Fuels International, Inc. and Crosby Manufacturing, Inc. Effective December 9, 2010, the Plan recognizes prior service with Datakey Electronics, Inc. for employees whose employment with ATEK Products, LLC is a direct result of the acquisition of Datakey Electronics, Inc.

Forfeitures

Forfeitures may first be applied to offset Plan expenses and next used to reduce the Employers' matching contributions. There were unallocated forfeitures of \$6,823 and \$4,008 at December 31, 2011 and 2010, respectively. There were no forfeitures used to reduce the Employers' matching contributions for the years ended December 31, 2011 and 2010. Forfeitures of \$6,000 and \$5,743 were used to pay Plan expenses for the years ended December 31, 2011 and 2010, respectively.

**ATEK COMPANIES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants may elect to receive the value of their account as a lump sum or periodic distributions upon termination, retirement, death or disability. Account balances less than \$5,000 will be automatically distributed in a lump sum payment without the participants consent. If the vested balance exceeds \$1,000, the amount will be paid in a direct rollover to an Individual Retirement Account. The Plan also permits in-service distributions if attained age 59½ or incurred a financial hardship or disability, as defined in the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note terms range from 1-5 years or up to 15 years for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%. Principal and interest is paid ratably through payroll deductions. At December 31, 2011, interest rates on outstanding notes ranged from 4.25% to 9.25%.

Plan Termination

Although it has not expressed any intent to do so, the Employers have the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, the Plan's assets will be distributed in accordance with the Plan document. In the event of a Plan termination, the participants will become 100% vested in their accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statements of net assets available for benefits present the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The statements of changes in net assets available for benefits are prepared on a contract value basis.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2011 and 2010.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Collective Trust Fund: Valued based on the NAV of units, which is based on the observable prices for the underlying assets, held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

The Employers at their discretion absorb certain administrative expenses pertaining to the Plan. If not paid by the Employers, the administrative expenses become the responsibility of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 8, 2012, the date the financial statements were available to be issued.

NOTE 3 INVESTMENT INFORMATION CERTIFIED BY TRUSTEE

The Employers appointed Wells Fargo Bank, N.A. (Wells Fargo) as trustee of the Plan. The trustee is responsible for the Plan's investment assets and investing transactions. Wells Fargo has supplied the Plan administrator with certification as to the completeness and accuracy of notes receivable from participants and all investment information (except for the adjustment from fair value to contract value) presented in the accompanying statements of net assets available for benefits as of December 31, 2011 and 2010, statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2011.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31:

2011				
Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Return Collective Trust Fund	\$ 1,784,479	\$ -	Daily	Daily

2010				
Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Return Collective Trust Fund	\$ 2,134,111	\$ -	Daily	Daily

Any Plan Sponsor initiated withdrawal from the stable return collective trust fund (Fund) will require a twelve-month written redemption notice. At the direction of the trustee, the notification for withdrawals may be waived.

The Fund's objective is to protect principal while providing a higher rate of return than shorter maturity investments, such as money market funds or certificates of deposit. To achieve this, the Fund invests in instruments which are not expected to experience significant price fluctuation in most economic or interest rate environments. However, there is no assurance that this objective can be achieved.

NOTE 5 INVESTMENTS

Investments that represent 5% or more of the Plan's net assets available for benefits at December 31 are as follows:

NOTE 5 INVESTMENTS (CONTINUED)

During 2011 and 2010, the Plan's investments (including investments bought, sold, and held during the year) appreciated (depreciated) in value as follows:

	2011	2010
Mutual Funds (at Quoted Prices)	\$ (537,558)	\$ 2,031,905
Collective Trust Fund (at Estimated Fair Value)	36,475	56,856
Net Appreciation (Depreciation) in Fair Value	<u>\$ (501,083)</u>	<u>\$ 2,088,761</u>

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2008 received from the Internal Revenue Service (IRS) on the prototype plan indicating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is qualified and, therefore, the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2011 and 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
ATEK Companies Savings Plan
Plymouth, Minnesota

We were engaged to audit the financial statements and supplemental schedule of ATEK Companies Savings Plan (the Plan) as of December 31, 2011 and 2010 and for the years then ended, as listed in the accompanying table of contents. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information cited in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing such information with related information included in the supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2011 and 2010, that the information provided to the Plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on these accompanying financial statements and supplemental schedule taken as a whole. The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 DESCRIPTION OF PLAN

The following description of the ATEK Companies Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1976, most recently amended effective October 1, 2011, and most recently restated during 2009 with certain provisions effective January 1, 2002. The Plan is a defined contribution plan covering all eligible employees of the following affiliated companies: ATEK Companies, Inc.; ATEK Plastics, Inc.; Progress Casting Group, Inc.; ATEK Products, LLC; ATEK Medical, LLC; and ATEK Precision Castings, LLC (collectively, the "Employers"). Employees of the Employers who attain age 18 are eligible to participate in the salary deferral portion of the Plan immediately coinciding with or following the date the age requirement is met. The Plan excludes collectively bargained employees and non-resident aliens. Participants are eligible for discretionary matching contributions and discretionary non-elective contributions after completion of six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective October 1, 2011, Red Mountain Ranch Corporation adopted the Plan as a participating employer.

Effective November 10, 2011, ATEK Medical, LLC and ATEK Plastics, Inc. were sold to The MedTech Group, Inc. ATEK Medical, LLC and ATEK Plastics, Inc. ceased to be participating employers in the Plan effective January 1, 2012.

In January 2012, Plan assets of \$5,367,078 were transferred to The MedTech Group, Inc. 401(k) Salaried Employees Retirement Savings Plan related to the sale of ATEK Medical, LLC and ATEK Plastics, Inc.

Contributions

The Plan includes a 401(k) salary deferral arrangement. Under this arrangement and subject to Plan provisions, participants may elect to contribute up to the maximum allowed of their eligible compensation to the Plan. The Employers automatically withhold 3% as pre-tax contributions unless the participant elects otherwise. The Plan allows participants age 50 and older to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Employers may make a discretionary match or a non-elective contribution to the Plan. For the years ended December 31, 2011 and 2010, ATEK Companies, Inc., ATEK Plastics, Inc., ATEK Products, LLC and ATEK Medical, LLC matched 50% of participant contributions up to 6% of the participant's eligible compensation. ATEK Precision Castings, LLC reinstated the Employer match contribution effective February 1, 2010. There were no non-elective contributions for the years ended December 31, 2011 and 2010. A participant must be employed on the last day of the Plan year and complete at least 1,000 hours of service during the year to receive an allocation of the Employers' non-elective contributions. Contributions are subject to certain limitations.

**ATEK COMPANIES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

The Plan permits participants to direct the investment of their account balance under the Plan. Each participant's account is credited with the participant's contribution, and allocations of (1) the Employers' contributions, (2) Plan earnings or losses, and (3) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participants' account.

Vesting

Participants are immediately vested in their voluntary contributions and Employers' matching contributions plus actual earnings thereon. A participant's non-elective account for contributions made prior to 2007 is 10% vested after one year of service, increasing 15% every year thereafter, with 100% vesting after seven years of service or upon death, total permanent disability, attainment of age 65 or early retirement age of 55. For non-elective contributions made after December 31, 2006, the participant's non-elective account is vested as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

The Plan also recognizes past service with Air Regent Investors, Inc., Cornerstone Fuels International, Inc. and Crosby Manufacturing, Inc. Effective December 9, 2010, the Plan recognizes prior service with Datakey Electronics, Inc. for employees whose employment with ATEK Products, LLC is a direct result of the acquisition of Datakey Electronics, Inc.

Forfeitures

Forfeitures may first be applied to offset Plan expenses and next used to reduce the Employers' matching contributions. There were unallocated forfeitures of \$6,823 and \$4,008 at December 31, 2011 and 2010, respectively. There were no forfeitures used to reduce the Employers' matching contributions for the years ended December 31, 2011 and 2010. Forfeitures of \$6,000 and \$5,743 were used to pay Plan expenses for the years ended December 31, 2011 and 2010, respectively.

**ATEK COMPANIES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants may elect to receive the value of their account as a lump sum or periodic distributions upon termination, retirement, death or disability. Account balances less than \$5,000 will be automatically distributed in a lump sum payment without the participants consent. If the vested balance exceeds \$1,000, the amount will be paid in a direct rollover to an Individual Retirement Account. The Plan also permits in-service distributions if attained age 59½ or incurred a financial hardship or disability, as defined in the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note terms range from 1-5 years or up to 15 years for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%. Principal and interest is paid ratably through payroll deductions. At December 31, 2011, interest rates on outstanding notes ranged from 4.25% to 9.25%.

Plan Termination

Although it has not expressed any intent to do so, the Employers have the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, the Plan's assets will be distributed in accordance with the Plan document. In the event of a Plan termination, the participants will become 100% vested in their accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statements of net assets available for benefits present the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The statements of changes in net assets available for benefits are prepared on a contract value basis.

**ATEK COMPANIES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2011 and 2010.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**ATEK COMPANIES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2011 AND 2010**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Collective Trust Fund: Valued based on the NAV of units, which is based on the observable prices for the underlying assets, held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

The Employers at their discretion absorb certain administrative expenses pertaining to the Plan. If not paid by the Employers, the administrative expenses become the responsibility of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 8, 2012, the date the financial statements were available to be issued.

NOTE 3 INVESTMENT INFORMATION CERTIFIED BY TRUSTEE

The Employers appointed Wells Fargo Bank, N.A. (Wells Fargo) as trustee of the Plan. The trustee is responsible for the Plan's investment assets and investing transactions. Wells Fargo has supplied the Plan administrator with certification as to the completeness and accuracy of notes receivable from participants and all investment information (except for the adjustment from fair value to contract value) presented in the accompanying statements of net assets available for benefits as of December 31, 2011 and 2010, statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2011.

NOTE 4 FAIR VALUE MEASUREMENTS

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31:

2011				
Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Return Collective Trust Fund	\$ 1,784,479	\$ -	Daily	Daily

2010				
Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Return Collective Trust Fund	\$ 2,134,111	\$ -	Daily	Daily

Any Plan Sponsor initiated withdrawal from the stable return collective trust fund (Fund) will require a twelve-month written redemption notice. At the direction of the trustee, the notification for withdrawals may be waived.

The Fund's objective is to protect principal while providing a higher rate of return than shorter maturity investments, such as money market funds or certificates of deposit. To achieve this, the Fund invests in instruments which are not expected to experience significant price fluctuation in most economic or interest rate environments. However, there is no assurance that this objective can be achieved.

NOTE 5 INVESTMENTS

Investments that represent 5% or more of the Plan's net assets available for benefits at December 31 are as follows:

NOTE 5 INVESTMENTS (CONTINUED)

During 2011 and 2010, the Plan's investments (including investments bought, sold, and held during the year) appreciated (depreciated) in value as follows:

	2011	2010
Mutual Funds (at Quoted Prices)	\$ (537,558)	\$ 2,031,905
Collective Trust Fund (at Estimated Fair Value)	36,475	56,856
Net Appreciation (Depreciation) in Fair Value	<u>\$ (501,083)</u>	<u>\$ 2,088,761</u>

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2008 received from the Internal Revenue Service (IRS) on the prototype plan indicating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is qualified and, therefore, the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2011 and 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

NOTE 8 RELATED-PARTY TRANSACTIONS

The Plan investments are managed by Wells Fargo. Wells Fargo is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest.
