401(k) Plan
Notes to the Financial Statements
(See Independent Auditor's Report)
as of December 31, 2011 and December 31, 2010

Note 1 - *Description of Plan*

The following description of the Jenkins Services, Inc. ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering all employees of the Company who have one-half year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, not to exceed the dollar limitation contained in Internal Revenue Service Code Section 402(g)(for 2011 $16,500), and to deposit such amount in the Plan fund. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make matching contributions to each participant based on his or her elective deferral in a percentage set by the Company prior to the end of each plan year. The Company may also make a discretionary contribution amount determined in its sole judgement. This discretionary contribution, if any, will be allocated in proportion to each eligible employees' compensation as a ratio of all eligible employees' compensation.

Note 1 - *Description of Plan (continued)*

C. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan earnings and, (c) forfeited balances of terminated participants' non-vested accounts, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are immediately vested in their contributions. Company contributions and actual earnings on all contributions become vested after one year of service. A participant is 100% vested after six years of credited service, or upon reaching normal retirement age, or becoming totally disabled or dying, or if the Company completely discontinues contributions to the Plan.

E. Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from 1-5 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator.

Note 1 - *Description of Plan (continued)*

F. Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments, or applied to the purchase of an annuity contract. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

G. Forfeited Accounts

For the year ended December 31, 2011, forfeited non-vested accounts totaled $4,805. These amounts were used to offset employer contributions.

H. Administrative Fees and Expenses

All reasonable costs, charges, and expenses incurred by the Trustee or Plan Administrator in connection with the administration of the Plan (including fees for auditing services rendered to the Plan Administrator) may be paid by the Company, but if not paid by the Company when due, shall be paid from the fund.

Note 2 - *Summary of Accounting Policies*

A. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Note 2 - *Summary of Accounting Policies (continued)*

B. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The investments' fair value is their quoted market price.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

D. Payment of Benefits

Benefits are recorded when paid.

Note 3 - *Plan Termination*

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
