INDEPENDENT AUDITORS' REPORT

October 5, 2012

To the Plan Administrator of the
Empire Recycling Corporation
Employees' Deferred Savings and Profit Sharing Plan

We have audited the accompanying statements of net assets available for benefits of Empire Recycling Corporation Employees' Deferred Savings and Profit Sharing Plan as of December 31, 2011, 2010 and 2009, and the related statements of changes in net assets available for benefits for the years ended December 31, 2011 and 2010 and three months ended December 31, 2009. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Empire Recycling Corporation Employees' Deferred Savings and Profit Sharing Plan as of December 31, 2011, 2010 and 2009, and the changes in its net assets available for benefits for the years ended December 31, 2011 and 2010 and three months ended December 31, 2009, in conformity with U.S. generally accepted accounting principles.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (Held At End Of Year), referred to as "supplemental information", is

291 Genesee Street, Utica, NY 13501 | Phone: (315) 724-2145 | Fax: (315) 724-7268

presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

NOTE 1 - Description of Plan:

The following description of the Empire Recycling Corporation ("Company") Employees' Deferred Savings and Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. During 2011 a defined contribution 401(k) plan of a related party (Nathan Steel, Inc.) with assets of $320,000 merged into this Plan.

A. General - The Plan is a defined contribution plan covering all qualified employees of the Company (and several of its affiliates) who have completed three months of service and have attained age twenty-one. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

B. Contributions - Participants may contribute up to 75% of their compensation to a maximum of $16,500. Participants age 50 or over may contribute an additional "catch-up" contribution of up to $5,500. The Company contributes a non-elective 1% contribution of eligible wages. The Company also has the option to make matching and/or profit sharing contributions for Empire employees, however, the Company currently elected not to make any contributions.

Nathan Steel employees receive a matching contribution of one-half of the employee deferral up to maximum of 4% (2% employer).

C. Participant Accounts - Each participant's separate account is credited with the participant's contribution, their share of Company contributions and earnings thereon. Participants' direct investment of their account into investments selected by the Plan's Administrator. Upon an account reaching a predetermined amount, participants can direct their investment into an individual managed account.

D. Vesting - Participants are immediately 100% vested in their contributions, their share of the Company's 1% non-elective contribution and earnings thereon. Employer matching and profit sharing contributions, and earnings thereon, are vested 20% per year starting after the employee completes two years of service and are 100% vested after six years of service (Six year graded schedule). A participant is also 100% vested upon reaching normal retirement age, or in the event of death or disability.

NOTE 1 - Description of Plan (Continued):

E. Payment of Benefits - Payment of benefits will begin as soon as administratively feasible following the date on which the distribution is requested or otherwise payable. Participants will receive a lump sum distribution unless they elect to receive distributions in the form of an annuity.

F. Participant Loans

Participants may borrow a minimum of $1,000 up to a maximum of one-half of their vested accounts (not to exceed $50,000). Repayments are to the participant's account and the loans carry an interest rate of prime plus 1% fixed at the loan date. The loans are reflected on the statement of net assets at the outstanding principal balance.

NOTE 2 - Summary of Significant Accounting Policies:

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (See Note 3). Changes in fair value are included in the change in net assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

D. Notes Receivable from Participants

Loans to participants are reported at their outstanding balance plus any accrued interest.

E. Payments of Benefits

Benefits are recorded when paid.

NOTE 2 - Summary of Significant Accounting Policies (Continued):

F. Administrative Expenses

Administrative expenses of the Plan are paid by the Company.

Investment fees are paid by the Plan, by direct charge to the individual accounts.

G. Subsequent Events

The Company did not have any subsequent events through October 5, 2012 (the date the financial statements were available) requiring recording or disclosure in the financial statements for the year ended December 31, 2011.

NOTE 3 - Fair Value Measurement:

In accordance with generally accepted accounting principles, the Plan established a hierarchy that prioritizes the inputs used to measure fair value. The hierarchy consists of three broad levels as listed below:

- Level 1. Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2. Inputs consist of observable inputs other than quoted prices for the identical assets.
- Level 3. Inputs consist of unobservable inputs and should be used only when Level 1 and Level 2 inputs are unavailable. Level 3 inputs have the lowest priority.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit and are summarized below.

		Fair Value Measurements Using:	
		Quoted Prices In Active Markets For Identical Assets	Significant Unobservable Inputs
December 31, 2011	Fair Value	(Level 1)	(Level 3)
Held by Reliance Trust Co.	$3,042,044	$3,042,044	$ -
Held by Cadaret, Grant & Co., Inc.	1,107,747	1,107,747	-
State of Israel Zero Coupon Bond	71,405	-	71,405
Total	$4,221,196	$4,149,791	$ 71,405

NOTE 3 - Fair Value Measurement (Continued):

		Fair Value Measurements Using:	
		Quoted Prices In Active Markets For Identical Assets	Significant Unobservable Inputs
December 31, 2010	Fair Value	(Level 1)	(Level 3)
Held by Reliance Trust Co.	$2,795,168	$2,795,168	$ -
Held by Cadaret, Grant & Co., Inc.	1,056,034	1,056,034	-
State of Israel Zero Coupon Bond	64,957	-	64,957
Total	$3,916,159	$3,851,202	$ 64,957
December 31, 2009			
Held by Reliance Trust Co.	$2,602,288	$2,602,288	$ -
Held by Cadaret, Grant & Co., Inc.	916,136	916,136	-
State of Israel Zero Coupon Bond	57,071	-	57,071
Total	$3,575,495	$3,518,424	$ 57,071

The Plan measures Fair Value using the highest level input available because they generally provide the most reliable evidence of Fair Value. Level 3 inputs were only used when level 1 and 2 inputs were not available.

Level 1 - Fair Value Measurement

The Fair Value of Mutual Funds are based on quoted net asset values of the shares held by the Plan at year-end. The Fair Value of Common Stocks, U.S. Government Securities, Corporate Debt (U.S. and Foreign) obligations and money market funds are based on quoted prices.

Level 3 - Fair Value Measurement

State of Israel Zero Coupon Bond is not actively traded and significant other observable inputs are not available. The fair value of the bond is determined by discounting to the present value of the Bond's maturity value.

The following table provides further details on the Level 3 Fair Value Measures.

Fair Value Measurements using unobserved inputs (Level 3)

Investment Category	Beginning Balance Jan. 1, 2011	Total Gain (Loss)	Ending Balance Dec. 31, 2011	Unrealized Gains (Losses)
State of Israel Bond	$ 64,957	$ 6,448	$ 71,405	$ -

NOTE 3 - Fair Value Measurement (Continued):

Investment Category	Beginning Balance Jan. 1, 2010	Total Gain (Loss)	Ending Balance Dec. 31, 2010	Unrealized Gains (Losses)
State of Israel Bond	$ 57,071	$ 7,886	$ 64,957	$ -

Investment Category	Beginning Balance Oct. 1, 2009	Total Gain (Loss)	Ending Balance Dec. 31, 2009	Unrealized Gains (Losses)
State of Israel Bond	$ 57,071	$ -	$ 57,071	$ -

There were no unrealized gains or losses in Level 3 assets still held at the reporting date.

NOTE 4 - Tax Status:

The Plan adopted a prototype plan which received its latest favorable opinion letter on March 31, 2008. The letter stated that the Plan as designed was exempt from income taxes. Therefore, no provision for income taxes has been included in the plan's financial statements.

The tax status of the Plan is subject to audit. Generally years after January 1, 2009 are open to audit.

NOTE 5 - Plan Termination:

Although the Company has not expressed any intent to do so, it has the right under the Plan to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination participants will become 100% vested in their accounts.

NOTE 6 - Investments:

All investments are participant - directed.

The following table presents investments that represent 5% or more of the Plan's net assets at December 31,

Fair Value of Investments in Mutual Funds

	2011	2010	2009
- SEI Stable Asset GIC Fund	$ -	$ -	$ 505,327

NOTE 6 - Investments (Continued):

The Plan's investments (including investments bought, sold and held during the year) appreciated (depreciated) in value as follows:

	For the Year Ended Dec. 31, 2011	For the Year Ended Dec. 31, 2010	For the Three Months Ended Dec. 31, 2009
Mutual Funds	$(194,921)	$ 250,994	$ 96,851
Cadaret, Grant & Co., Inc. Managed Accounts	15,805	101,751	26,347
State of Israel Bond	6,448	7,886	-
	$(172,668)	$ 360,631	$ 123,198

NOTE 7 - Concentration of Risk:

The Plan's mutual funds, although diversified through investment in several different funds are all held by a single custodian, Reliance Trust Co. The Plan is dependent on this Custodian for the safeguarding of its assets.

The Plan's investments are exposed to various risks such as interest rate, credit, and overall market risk. Due to the level of risk associated with investment securities, it is likely that changes in the values of investments securities will occur in the near term and possible that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 8 - Excess Contributions:

Contributions received from participants are net of refunds of excess deferrals to satisfy nondiscrimination provisions of the Plan. These amounts are included in the Plan's statement of net assets available for benefits as excess contributions payable.

NOTE 9 - Legal Proceedings:

The Plan may engage legal counsel to defend it against potential litigation matters whether asserted or anticipated as the Plan's management judges necessary in the circumstances. The Plan does not believe that the outcome of any of those actions are either not covered by insurance or would have a material effect on its financial condition.

NOTE 10 - Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2011:

Net Assets Available for Benefits per the Financial Statement	$4,377,171

INDEPENDENT AUDITORS' REPORT

October 5, 2012

To the Plan Administrator of the
Empire Recycling Corporation
Employees' Deferred Savings and Profit Sharing Plan

We have audited the accompanying statements of net assets available for benefits of Empire Recycling Corporation Employees' Deferred Savings and Profit Sharing Plan as of December 31, 2011, 2010 and 2009, and the related statements of changes in net assets available for benefits for the years ended December 31, 2011 and 2010 and three months ended December 31, 2009. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Empire Recycling Corporation Employees' Deferred Savings and Profit Sharing Plan as of December 31, 2011, 2010 and 2009, and the changes in its net assets available for benefits for the years ended December 31, 2011 and 2010 and three months ended December 31, 2009, in conformity with U.S. generally accepted accounting principles.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (Held At End Of Year), referred to as "supplemental information", is

291 Genesee Street, Utica, NY 13501 | Phone: (315) 724-2145 | Fax: (315) 724-7268

presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

NOTE 1 - Description of Plan:

The following description of the Empire Recycling Corporation ("Company") Employees' Deferred Savings and Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. During 2011 a defined contribution 401(k) plan of a related party (Nathan Steel, Inc.) with assets of $320,000 merged into this Plan.

A. General - The Plan is a defined contribution plan covering all qualified employees of the Company (and several of its affiliates) who have completed three months of service and have attained age twenty-one. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

B. Contributions - Participants may contribute up to 75% of their compensation to a maximum of $16,500. Participants age 50 or over may contribute an additional "catch-up" contribution of up to $5,500. The Company contributes a non-elective 1% contribution of eligible wages. The Company also has the option to make matching and/or profit sharing contributions for Empire employees, however, the Company currently elected not to make any contributions.

Nathan Steel employees receive a matching contribution of one-half of the employee deferral up to maximum of 4% (2% employer).

C. Participant Accounts - Each participant's separate account is credited with the participant's contribution, their share of Company contributions and earnings thereon. Participants' direct investment of their account into investments selected by the Plan's Administrator. Upon an account reaching a predetermined amount, participants can direct their investment into an individual managed account.

D. Vesting - Participants are immediately 100% vested in their contributions, their share of the Company's 1% non-elective contribution and earnings thereon. Employer matching and profit sharing contributions, and earnings thereon, are vested 20% per year starting after the employee completes two years of service and are 100% vested after six years of service (Six year graded schedule). A participant is also 100% vested upon reaching normal retirement age, or in the event of death or disability.

NOTE 1 - Description of Plan (Continued):

E. Payment of Benefits - Payment of benefits will begin as soon as administratively feasible following the date on which the distribution is requested or otherwise payable. Participants will receive a lump sum distribution unless they elect to receive distributions in the form of an annuity.

F. Participant Loans

Participants may borrow a minimum of $1,000 up to a maximum of one-half of their vested accounts (not to exceed $50,000). Repayments are to the participant's account and the loans carry an interest rate of prime plus 1% fixed at the loan date. The loans are reflected on the statement of net assets at the outstanding principal balance.

NOTE 2 - Summary of Significant Accounting Policies:

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (See Note 3). Changes in fair value are included in the change in net assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

D. Notes Receivable from Participants

Loans to participants are reported at their outstanding balance plus any accrued interest.

E. Payments of Benefits

Benefits are recorded when paid.

NOTE 2 - Summary of Significant Accounting Policies (Continued):

F. Administrative Expenses

Administrative expenses of the Plan are paid by the Company.

Investment fees are paid by the Plan, by direct charge to the individual accounts.

G. Subsequent Events

The Company did not have any subsequent events through October 5, 2012 (the date the financial statements were available) requiring recording or disclosure in the financial statements for the year ended December 31, 2011.

NOTE 3 - Fair Value Measurement:

In accordance with generally accepted accounting principles, the Plan established a hierarchy that prioritizes the inputs used to measure fair value. The hierarchy consists of three broad levels as listed below:

- Level 1. Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2. Inputs consist of observable inputs other than quoted prices for the identical assets.
- Level 3. Inputs consist of unobservable inputs and should be used only when Level 1 and Level 2 inputs are unavailable. Level 3 inputs have the lowest priority.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit and are summarized below.

		Fair Value Measurements Using:	
		Quoted Prices In Active Markets For Identical Assets	Significant Unobservable Inputs
December 31, 2011	Fair Value	(Level 1)	(Level 3)
Held by Reliance Trust Co.	$3,042,044	$3,042,044	$ -
Held by Cadaret, Grant & Co., Inc.	1,107,747	1,107,747	-
State of Israel Zero Coupon Bond	71,405	-	71,405
Total	$4,221,196	$4,149,791	$ 71,405

NOTE 3 - Fair Value Measurement (Continued):

		Fair Value Measurements Using:	
		Quoted Prices In Active Markets For Identical Assets	Significant Unobservable Inputs
December 31, 2010	Fair Value	(Level 1)	(Level 3)
Held by Reliance Trust Co.	$2,795,168	$2,795,168	$ -
Held by Cadaret, Grant & Co., Inc.	1,056,034	1,056,034	-
State of Israel Zero Coupon Bond	64,957	-	64,957
Total	$3,916,159	$3,851,202	$ 64,957
December 31, 2009			
Held by Reliance Trust Co.	$2,602,288	$2,602,288	$ -
Held by Cadaret, Grant & Co., Inc.	916,136	916,136	-
State of Israel Zero Coupon Bond	57,071	-	57,071
Total	$3,575,495	$3,518,424	$ 57,071

The Plan measures Fair Value using the highest level input available because they generally provide the most reliable evidence of Fair Value. Level 3 inputs were only used when level 1 and 2 inputs were not available.

Level 1 - Fair Value Measurement

The Fair Value of Mutual Funds are based on quoted net asset values of the shares held by the Plan at year-end. The Fair Value of Common Stocks, U.S. Government Securities, Corporate Debt (U.S. and Foreign) obligations and money market funds are based on quoted prices.

Level 3 - Fair Value Measurement

State of Israel Zero Coupon Bond is not actively traded and significant other observable inputs are not available. The fair value of the bond is determined by discounting to the present value of the Bond's maturity value.

The following table provides further details on the Level 3 Fair Value Measures.

Fair Value Measurements using unobserved inputs (Level 3)

Investment Category	Beginning Balance Jan. 1, 2011	Total Gain (Loss)	Ending Balance Dec. 31, 2011	Unrealized Gains (Losses)
State of Israel Bond	$ 64,957	$ 6,448	$ 71,405	$ -

NOTE 3 - Fair Value Measurement (Continued):

Investment Category	Beginning Balance Jan. 1, 2010	Total Gain (Loss)	Ending Balance Dec. 31, 2010	Unrealized Gains (Losses)
State of Israel Bond	$ 57,071	$ 7,886	$ 64,957	$ -

Investment Category	Beginning Balance Oct. 1, 2009	Total Gain (Loss)	Ending Balance Dec. 31, 2009	Unrealized Gains (Losses)
State of Israel Bond	$ 57,071	$ -	$ 57,071	$ -

There were no unrealized gains or losses in Level 3 assets still held at the reporting date.

NOTE 4 - Tax Status:

The Plan adopted a prototype plan which received its latest favorable opinion letter on March 31, 2008. The letter stated that the Plan as designed was exempt from income taxes. Therefore, no provision for income taxes has been included in the plan's financial statements.

The tax status of the Plan is subject to audit. Generally years after January 1, 2009 are open to audit.

NOTE 5 - Plan Termination:

Although the Company has not expressed any intent to do so, it has the right under the Plan to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination participants will become 100% vested in their accounts.

NOTE 6 - Investments:

All investments are participant - directed.

The following table presents investments that represent 5% or more of the Plan's net assets at December 31,

Fair Value of Investments in Mutual Funds

NOTE 6 - Investments (Continued):

The Plan's investments (including investments bought, sold and held during the year) appreciated (depreciated) in value as follows:

State of Israel Bond	6,448	7,886	-
	$(172,668)	$ 360,631	$ 123,198

NOTE 7 - Concentration of Risk:

The Plan's mutual funds, although diversified through investment in several different funds are all held by a single custodian, Reliance Trust Co. The Plan is dependent on this Custodian for the safeguarding of its assets.

The Plan's investments are exposed to various risks such as interest rate, credit, and overall market risk. Due to the level of risk associated with investment securities, it is likely that changes in the values of investments securities will occur in the near term and possible that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 8 - Excess Contributions:

Contributions received from participants are net of refunds of excess deferrals to satisfy nondiscrimination provisions of the Plan. These amounts are included in the Plan's statement of net assets available for benefits as excess contributions payable.

NOTE 9 - Legal Proceedings:

The Plan may engage legal counsel to defend it against potential litigation matters whether asserted or anticipated as the Plan's management judges necessary in the circumstances. The Plan does not believe that the outcome of any of those actions are either not covered by insurance or would have a material effect on its financial condition.

NOTE 10 - Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2011:
