To the Plan Administrator
Holloway Sportswear, Inc. 401(k) Plan

We were engaged to audit the financial statements of Holloway Sportswear, Inc. 401(k) Profit Sharing Plan as of December 31, 2011 and 2010, and for the years then ended, and the supplemental schedule as of December 31, 2011, as listed in the accompanying table of contents. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2011 and 2010, that the information provided to the plan administrator by the trustee is complete and accurate.

The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The Holloway Sportswear, Inc. 401(k) Plan (the Plan) is a defined contribution plan covering substantially all employees of Holloway Sportswear, Inc. (the Company) who are 21 years of age or older and have completed six months of service during which 1,000 hours of service are credited. Employees of Jones & Mitchell Sportswear, Inc. (Jones & Mitchell), a company related to Holloway Sportswear, Inc. through common ownership, are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

- A. Contributions - Each year, participants may contribute up to the IRS maximum percentage of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust fund as investment options for participants. The Company has the option to make employer profit sharing contributions at its discretion. In addition, the Company has the option to make matching contributions at its discretion equal to a percentage of the participants' contributions.
- B. Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, and b) Plan earnings, and charged with an allocation of administrative expenses. Allocations of Plan earnings are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of their account to any of the investment options available under the Plan. Certain expenses incurred in connection with the operation of the Plan, such as professional fees, are paid directly by the Company. The Plan allows forfeitures to be used to reduce employer contributions. For the years ended December 31, 2011 and 2010, the forfeitures allocated totaled \$7,703 and \$2,276, respectively.
- C. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested in matching contributions after five years of credited (continuous) service and is 100 percent vested in non-elective contributions after three years of credited (continuous) service.
- D. Notes Receivable from Participants - Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The term of the loans may not exceed five years except in the case of a loan for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate on the 14th of the month plus one percentage point. Principal and interest are paid ratably through monthly payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN (continued)

- E. Payment of Benefits - On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments over a period of not more than the assumed life expectancy of the participant or the participant's beneficiary.
- F. Plan Expenses - The Plan pays all trustee and asset fees. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. In addition, all other administrative expenses are paid directly by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The policies and principles that significantly affect the determination of net assets and changes in the net assets are summarized below:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The fair value of the mutual funds owned by the Plan are based on quoted or estimated market prices, which represent the net asset values of shares held by the Plan at year-end. The common collective funds are valued based upon quoted redemption values on the last business day of the plan year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan has evaluated subsequent events through October 10, 2012, the date the financial statements were available to be issued.

NOTE 4 - FAIR VALUE MEASUREMENTS

FASB ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

HOLLOWAY SPORTSWEAR, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2011 and 2010.

Mutual funds: Valued at the net asset value (“NAV”) of shares held by the plan at year end based on quoted market prices.

Common trust funds: Pricing provided by various sources such as issuer, investment manager, fund accountant, client, etc. or default price if a price is not provided.

The proceeding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the plan’s fair value measurements at December 31, 2011 and 2010:

HOLLOWAY SPORTSWEAR, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 8 - INCOME TAX STATUS

The Plan is a prototype plan sponsored by Automatic Data Processing, Inc. The prototype plan has received a favorable determination letter from the Internal Revenue Service dated March 31, 2008. The Plan has been amended since its determination letter was received in order to comply with changes in tax laws. The Plan Administrator of the Holloway Sportswear, Inc. 401(k) Plan has not obtained a separate determination letter from the Internal Revenue Service. The Plan Administrator and the Plan's legal counsel believe the Plan to be acceptable under Section 401 of the Internal Revenue Code and that it has been operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, no provision for income taxes has been provided in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Employee Benefit Securities Administration or the Internal Revenue Service. The plan sponsor has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2011, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

At December 31, 2011, the following years are subject to examination by major tax jurisdictions:

Federal	2008 - 2010
---------	-------------

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments include shares of mutual funds managed by Reliance Trust Company and its affiliates. Reliance Trust Company and its affiliates earn fees for managing its mutual funds, and these fees are deducted from the earnings reported by the mutual funds. Certain fees associated with administering the Plan are also paid to Reliance Trust Company and Automatic Data Processing, Inc. Retirement Services. Reliance Trust Company is the Plan trustee and Automatic Data Processing, Inc. Retirement Services is a third party administrator for the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

NOTE 11 - SUBSEQUENT EVENT

Effective January 1, 2012 the Company adopted a plan amendment to convert the Plan to a Safe Harbor plan. The Company is required to make a nonelective Safe Harbor contribution to the account of each eligible participant in an amount equal to 3% of the employee's compensation for the plan year. The Company's Board of Directors may also elect to make a discretionary contribution to the Plan to the extent of current or accumulated profits.
