We are providing this letter in connection with your audits of the financial statements and supplemental schedule of the Stock Equipment Company 401(k) Retirement Savings Plan (the "Plan") as of December 31, 2011 and 2010 and for the year ended December 31, 2011. We understand that, at our instruction, you did not perform any audit procedures with respect to information prepared by State Street Bank & Trust Company, the trustee, in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (DOL Regulation 2520.103-5), other than comparing such information to the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule taken as a whole.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 11, 2011, the following representations made to you during your audits.

1. We are responsible for the fair presentation in the Plan's financial statements of net assets and changes in net assets in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. We are also responsible for adopting sound accounting policies, establishing and maintaining internal control over financial reporting, and preventing and detecting fraud. The financial statements and related notes are fairly presented in conformity with accounting principles generally accepted in the United States of America and the notes include all disclosures required by laws and regulations to which the Plan is subject, including the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

2. We have made available to you all:
 - a. Financial records and related data.
 - b. All minutes of the meetings of the Plan's Management, or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - c. Amendments made to the plan instrument, the trust agreement, or insurance contracts during the year, including amendments to comply with applicable laws.
3. There has been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices, that could have a material effect on the financial statements in the event of noncompliance.
4. We have no knowledge of fraud or suspected fraud affecting the Plan involving:
 - a. Management or employees who have significant roles in the Plan's internal control.
 - b. Other employees that could have a material effect on the financial statements.
5. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
6. We have no:
 - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b. Intentions to terminate the Plan.
7. The following have been properly recorded or disclosed in the financial statements:
 - a. Related-party transactions, including transactions with parties-in-interest, as defined in ERISA section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties.
 - b. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or other lending institution.
 - c. Amendments to the plan instrument, if any.
8. The ADP prototype Plan obtained its latest determination letter on November 6, 2011, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the plan was qualified and the related trust was tax-exempt as of the financial statement date.

9. There are no:

- a. Violations or possible violations of laws or regulations whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
- b. Unasserted claims or assessments that our lawyer has advised us are probable of assertion and must be disclosed in accordance with FASB ASC 450, *Contingencies*.
- c. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by FASB ASC 450, *Contingencies*.
- d. Material transactions that have not been properly recorded in the accounting records underlying the financial statements.
- e. Other matters (e.g., breach of fiduciary responsibilities, non-exempt transactions, loans or loans in default, events reportable to the PBGC, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed.

10. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

11. There are no significant estimates that have not been properly disclosed in the financial statements. Significant estimates are estimates at the balance sheet date that could change materially within the next year. We have identified all accounting estimates that could be material to the financial statements, including the key factors and significant assumptions underlying those estimates, and we believe the estimates are reasonable in the circumstances.

12. The fair value disclosures, including the level hierarchy, are complete and accurate. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are described in Note 4 of the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

13. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

14. With respect to income taxes and regulatory filings:

- a. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code and intend to continue as a qualified Plan and trust. The plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status.
- b. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- c. The Plan has complied with the Department of Labor's regulations concerning the timely remittance of participants' contributions to trusts containing assets of the Plan.
- d. All required filings of plan documents with the appropriate agencies have been made.

15. The Plan has complied with the fidelity bonding requirements of ERISA.
16. The Plan has satisfactory title to all owned assets. All liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.
17. There are no:
 - a. Non-exempt party-in-interest transactions (as defined in ERISA section 3(l) and regulations under that section) that were not disclosed in the supplemental schedule or financial statements.
 - b. Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedule.
 - c. Reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedule.
18. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
19. We will provide a copy of the Form 5500 for your review prior to attaching the Independent Auditors' Report for filing with the Department of Labor.
20. No events have occurred subsequent to the balance-sheet date and through the date of this letter that would require adjustments to or disclosure in the aforementioned financial statements.
21. We are in agreement with the adjusting journal entries you have recommended (see attached schedule), and they have been recorded in the Plan's accounting records.
