Independent Auditor's Report

Plan Administrator and Trustee
Unicircuit - 401(k) Plan
Littleton, Colorado

I was engaged to audit the financial statements and supplemental schedules of the Unicircuit - 401(k) Plan (the "Plan") as of October 22, 2010 and December 31, 2009, and for the Plan year ends (year to date and year then ended, respectively), as listed in the accompanying contents. These financial statements and supplemental schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Principal Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of October 22, 2010 and December 31, 2009 and for the plan years then ended that the information provided to the plan administrator by the custodian is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedules taken as a whole. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Unicircuit - 401(k) Plan

Notes to financial statements

Plan Years ended October 22, 2010 and December 31, 2009

1. Description of the Plan

The following description of the Unicircuit – 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- a. General - The Plan is a contributory, defined contribution plan covering substantially all employees of Unicircuit, Inc. (the “Company”) who are age eighteen and older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).
- b. Contributions - Participants may contribute up to \$16,500 pretax annual compensation as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers two guaranteed interest accounts and twenty-four pooled separate accounts as investment options for participants. The Company contributes 100 percent of the first 4 percent of base compensation that a participant contributes to the Plan. The Company may also make discretionary contributions for each plan year. Contributions are subject to certain limitations.
- c. Participant Accounts - Each participant’s account is credited with the participant’s contribution, the Company’s matching contributions, and an allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- d. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on the following schedule:

Years of Credited Service	Percent Service
Less than 1	0%
1	25%

Plan Years ended October 22, 2010 and December 31, 2009

2	50%
3	75%
4	100%

- e. *Forfeited Accounts* - Forfeitures by non-vested participants are used to reduce future Company contributions. In 2010 and 2009, employer contributions and fees were reduced by \$843 and \$5,480, respectively, from forfeited non-vested accounts. As of the end of the Plan years 2010 and 2009, the Company had no available funds from forfeited non-vested accounts to apply to Company contributions.
- f. *Payment of Benefits* - Upon termination of service, death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in the form of an annuity fund. The Plan also permits withdrawals from the Plan due to circumstances of financial hardship, in accordance with provisions specified in the Plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.
- g. *Administrative Expenses* - Most of the Plan's administrative expenses are paid from Plan earnings and non-vested account forfeitures. Administrative expenses recorded in the Plan pertain primarily to record keeping fees.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the cash method of accounting except for contributions which are recorded in the plan year associated with the contribution.

Management Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

In accordance with SOP 94-4, the investments in the guaranteed interest account are not fully benefit responsive and are stated at fair market value. The investments in the pooled separate accounts are based on fair market value. Participant loans are valued at cost, which approximates fair market value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

3. Investments

The fair market values of individual investments that represent 5 percent or more of the Plan's net assets are as follows:

<i>October 22, 2010 and December 31, 2009</i>	2010	2009

5. Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Principal Life Insurance Company. Principal Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

6. Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Anaren, Inc. acquired Unicircuit, Inc. (Plan sponsor) on August 29, 2008. Effective October 22, 2010, all Plan assets and liabilities were transferred from this plan to Anaren, Inc.
