We were engaged to audit the financial statements of Bynum Transport, Inc. 401(k) Plan as of December 31, 2009 and 2008, and for the year ended December 31, 2009, and the supplemental schedule as of and for the year ended December 31, 2009 as listed in the accompanying index. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Life Insurance Company, the trustee of the plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2009 and 2008, that the information provided to the plan administrator by the trustee is complete and accurate.

As described in Note 2, these financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

2009 Form 5500

Reasonable Cause:

Prior to the involuntary conversion of Bynum Transport from a "hard-copy" data reporting client to an "electronic" data reporting client (required by our third-party administrator) filed returns were timely or acceptably extended. Bynum Transport, Inc. was required to supply the data in paper format, and did so annually, and the TPA would enter and produce the necessary documentation for audit and reporting requirements. This facilitated Bynum Transport's reporting in comparison to electronic filing, as our payroll software data and reports were in UNIX format, and our software did not include any utility software to convert data files to alternate formats for electronic filing compatible with our TPA's application. Our TPA's decision to require all compliance data be electronically reported and their refusal to accept flat files, and our inability to produce correctly formatted electronic files has required us to attempt to report all necessary data employee via the TPA's web-site application, literally one employee at a time, subject to the speed of the internet access and web-site application. The reporting of accurate information on wage and deduction mounts required an inordinate number of hours, and difficulties associated with staff training, turnaround and errors and software inflexibility (e.g., re-hires and terminations required extensive intervention to the reporting process by our TPA, and as a transportation company with 75 – 100 % turnover and in some cases multiple re-hires of the same employees in one plan year, this inflexibility and associated errors was compounded) added to our inability to file timely and accurately. Reporting annually all employee wage and compliance data, as was done when reporting to the TPA on paper, simply was not practical when filing data electronically, however the years of the delinquent payrolls were already past, and we continued to struggle with the web-site reporting.

These problems have been communicated multiple times to the Department of the Treasury and the Department of Labor and they have accepted our explanation as reasonable cause for late filing.
