Re: Employee Retirement Income Security Act of 1974 (ERISA)
Insurance Information Schedule A (Form 5500)

Unum's policy is to fully disclose and report all broker compensation associated with the insurance plans we offer in accordance with our internal guidelines and with all applicable regulations. We are pleased to certify the enclosed Primary and Supplemental Schedule A data with respect to the filing of an ERISA Form 5500 Annual Report.

This information is forwarded to you for use by your Plan Administrator in the event that your company has determined that it is required to make this filing. Unum is providing this information in compliance with our responsibilities under ERISA, but we do not take any position or provide any advice on ERISA's applicability to any of your company's benefit plans.

The enclosed Primary Schedule A data identifies all Base and Supplemental Commissions paid to a broker for this policy during the plan year as reported through Unum's commission systems. If no plan year has been specified in our records, the information is for the calendar year identified. Base Commissions are a fixed percentage of the policy premium, and may include a one time flat amount for each line of coverage sold. If no compensation has been paid, these figures will be zero (0). Supplemental Commissions may be paid in an amount equal to a fixed percentage of total group insurance premiums. The percentage may range from 0% to 1.25% of total premium paid. The exact Supplemental Commission percentage payable to a broker is based upon the total dollar amount of all group insurance premiums or number of policies that the broker has in force with Unum in the prior calendar year. If no compensation has been paid, these figures will be zero (0).

The Supplemental Schedule A data identifies any additional compensation allocated to this policy and received by a broker. This type of compensation could include, but is not limited to, former incentive plan payouts, overrides, and non-cash compensation. If applicable, this additional compensation has been allocated based on the percentage of premium or standard commissions on this policy as compared to the total amount of premium or standard commissions generated by the receiving entity. If no additional compensation has been paid, this figure will be zero (0).

If you have any questions regarding the enclosed data or think that you may have received this information in error, please do not hesitate to contact us. We would be glad to assist you with any questions relating to Unum insurance coverages or broker compensation. However, we may not provide legal advice on the applicability of particular laws or regulations to your company. For these issues, you should consult your company's attorneys or other advisors.

We appreciate this opportunity to provide service to you.
