Independent Auditors' Report

We were engaged to audit the accompanying Statements of Net Assets Available for Benefits of Guy's Floor Service Inc. Profit Sharing Plan as of December 31, 2011 and 2010 and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the Supplemental Schedule of Assets Held for Investment Purposes as of December 31, 2011. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Wells Fargo Institutional Investments Group, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2011 and 2010 that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information in the Plan's 2011 and 2010 financial statements that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

December 31, 2011 and 2010

A. Description of Plan

The following description of the Guy's Floor Service Inc. Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

1. General The Plan is a defined-contribution prototype plan, sponsored by Guy's Floor Service Inc. covering all eligible employees of Guy's Floor Service Inc. who are age eighteen or older. Participation in the Plan begins on the Entry Date which is defined as the first day of the Plan year, January 1st, or the first day of the seventh month, July 1st, coinciding with or following the date eligibility requirements are satisfied. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Contributions Each year, participants may contribute an amount equal to the maximum deferral amount currently allowed by the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations. Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers thirteen mutual funds and a fixed income common trust fund as investment options for participants.
3. Participant accounts Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are allocated to the remaining participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of credited service. A participant is 100 percent vested after six years of credited service.
5. Payment of benefits On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments.
6. Forfeited Accounts At December 31, 2011 forfeited non-vested accounts totaled \$483. These accounts are allocated to the remaining participants.

B. Summary of Accounting Policies

1. Basis of Accounting The financial statements of the Plan are prepared under the accrual method of accounting.
2. Use of estimates The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.
4. Payment of benefits Benefits are recorded when paid.
5. Fair value measurements Fair values of assets and liabilities are reported as: Level 1 – quoted price for identical instruments in an active market, Level 2 – Quoted price for similar assets in active markets, Level 3 – Assets are illiquid and their value must be estimated using management's assumptions and expectations.
