INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Stevens Graphics, Inc. Local 121 Money Purchase Pension Plan and Trust
Birmingham, Alabama

We were engaged to audit the statements of net assets available for benefits as of September 30, 2010 and 2009 and the statement of changes in net assets available for benefits as of September 30, 2010, and the additional schedule of assets held for investment purposes at end of year as of September 30, 2010 of Stevens Graphics, Inc. Local 121 Money Purchase Pension Plan and Trust. These financial statements and additional schedule are the responsibility of the Plan's management.

Because of the inadequacies of the Plan's 2010 records, we were unable to perform auditing procedures with respect to participants' account balances and contributions made to participants' accounts during the plan year ended September 30, 2010.

Because of the significance of the information that we did not audit, the scope of our work was not sufficient to enable us to express, and we do not express, an opinion on the September 30, 2010 financial statements and additional schedule taken as a whole. The additional schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4 which was certified by Bank of America, N.A., the trustee of the Plan, except for comparing such information with the related information included in the financial statements and additional schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of September 30, 2010 and 2009 and for the year ended September 30, 2010, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying 2009 financial statements and additional schedule as a whole. The form and content of the information included in the 2009 financial statements, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 - PLAN DESCRIPTION

The following description of Stevens Graphics, Inc. (Sponsor) Local 121 Money Purchase Pension Plan and Trust (Plan) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for more complete information.

General

The Plan is a defined contribution money purchase pension plan that covers all employees of Stevens Graphics, Inc. who were members of either the Birmingham Graphic Communications Union Local 121 Collective Bargaining Agreement or the Birmingham Graphic Communications Union Local 540-M Collective Bargaining Agreement (the Union). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The agreement with Union Local 121 covered employees of Stevens Graphics, Inc. who perform work in the Sponsor's press rooms and preparatory and maintenance departments. The agreement with Union Local 540-M covered employees of the Sponsor who perform work in the Sponsor's bindery and shipping/stock handling departments.

Administration of the Plan is overseen by an eight-member committee consisting of four members appointed by Stevens Graphics, Inc., two members appointed by Birmingham Graphic Communications Union Local - 121, and two appointed by Birmingham Graphic Communication Union Local 540-M.

In early 2010, the Sponsor ceased operations. The Plan was amended on February 6, 2010 to transfer sponsorship of the Plan, administration of the Plan and sole authority to amend or terminate the Plan to AT&T, Inc., the Sponsor's parent company.

Contributions

The Plan is segregated into three parts, Fund A, Fund B and Fund D. Fund A and Fund B each have separate contribution rates. The Sponsor contributed eleven percent of the participant's regular straight time scale to Fund A for each hour worked. Contributions to Fund B were calculated pro-rata to the contributions for journey persons, according to their individual stage of progression based on the rates listed in the collective bargaining agreement.

Fund D consisted of voluntary participant contributions made through payroll deductions and lump-sum payments. Participants may contribute up to ten percent of their annual compensation, subject to certain limitations, with the contribution being subject to current federal income tax in the year the compensation was earned. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants directed the investment of contributions into various investment options offered by the Plan.

NOTE 1 - PLAN DESCRIPTION - Continued

Participants' Accounts

Each participant's account is credited with the participant's and the Sponsor's contributions and an allocation of net Plan earnings. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Fund A and D Sponsor contributions were vested 100 percent at the time of contribution, and Fund B Sponsor contributions were 100 percent vested after ninety days of credited service. Participants were eligible to participate in the allocation of Fund A contributions upon employment and Fund B and D upon the completion of three months of service. Effective October 1, 2009, all Plan participants became fully vested in Sponsor contributions.

Notes Receivable from Participants

Participants could borrow from their fund accounts up to fifty percent of the participant's vested interest in their account balance, up to a maximum of \$50,000. Principal and interest are paid ratably through monthly payroll deductions for a period not to exceed sixty months. Interest rates are based on the prime rate plus two percent and range from 5.00% to 7.00%.

Payment of Benefits

Upon termination of service, due to death, disability, retirement or separation of service, a participant could elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in their account, or installment payments under various options, if the vested interest exceeded \$5,000. If the vested interest does not exceed \$5,000, the benefit must be distributed in a lump-sum payment. The Plan also permitted withdrawals from the Plan due to circumstances of financial hardship, in accordance with provisions specified in the Plan document.

Forfeitures

Forfeiture allocations are deemed primarily to be employers' discretionary contributions. Forfeited invested accounts totaled \$0 at September 30, 2010 and 2009.

Administrative Expenses

The Sponsor pays the administrative costs of the Plan associated with any professional services provided to the Plan and the cost of communications to the participants. Administrative expenses recorded in the Plan represent fees paid directly from the Plan to the Plan's trustee.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared under the accrual method of accounting. The financial statements were approved and authorized by management as available to be issued on January 23, 2013.

Investment contracts held by a defined contribution plan are required to be reported at fair value. The Plan's investment options included retirement preservation trusts with Bank of America, N.A., which are benefit-responsive investment contracts, held in a common collective trust (CCT) fund. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment in the CCT as well as the adjustment of the investment in the CCT from fair value to contract value relating to the investment contracts. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the exdividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Realized gains and losses from security transactions are reported on the average cost method.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Fair Value

The established framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair value is the price the Sponsor would expect to receive to sell an asset or pay to transfer a liability in an orderly transaction with a market participant at the measurement date. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs which are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - INVESTMENTS

Investments that represent five percent or more of the Plan's net assets consisted of the following at September 30:

	<u>2010</u>	<u>2009</u>
Merrill Lynch Retirement Preservation Trust	\$ 1,307,326	\$ 6,847,588
Blackrock Global Allocation	186,222	2,148,439
Participant loans	*	2,218,420
Blackrock Total Return Portfolio	*	1,705,229
Blackrock S&P 500 Index I	137,976	*
<i>*Less than 5%</i>		

The Plan's investment income (including gains and losses on investments bought and sold, as well as held during the year) during the year ended September 30, 2010 consisted of the following:

Mutual funds	\$ 258,499
Common/collective trusts	<u>704,232</u>
	<u>\$ 962,731</u>

As described in Note 2, because the CCTs are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the CCTs. Contract value represents contributions made under contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

	<u>2010</u>	<u>2009</u>
Average yields for CCTs		
Based on actual earnings	1.94%	2.35%
Based on interest rate credited to participants	2.18%	2.57%

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and schedules is complete and accurate:

- Investments at fair value and contract value and participant loans, included in the statements of net assets available for benefits as of September 30, 2010 and 2009, and the investments that represent five percent or more of the Plan's net assets at September 30, 2010 and 2009, included in Note 3.
- Investment income and net appreciation in fair value of investments, included in the statement of changes in net assets available for benefits for the year ended September 30, 2010 and investment income by investment type, included in Note 3.
- The schedule of assets held for investment purposes at end of year as of September 30, 2010, included in the additional information.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and additional schedule.

NOTE 5 - PLAN TERMINATION

The Sponsor had the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. The Plan was terminated effective June 15, 2011. (See Note 11)

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - FAIR VALUES

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2010 and 2009.

- *Mutual Funds:* Valued at the net asset value of shares held by the Plan at year-end.
- *Common Collective Trust Fund:* Valued at the net asset value per share/unit reported at the close of every business day.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan investment assets at fair value, as of September 30, 2010 and 2009.

September 30, 2010				
	Quoted Prices in Active Markets for Identical Assets (Level 1)		Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

NOTE 8 - INCOME TAX STATUS

The Internal Revenue Service has determined and informed the plan administrator, in a letter dated February 17, 2010, that the Plan is qualified and the trust established under the Plan is tax-exempt under the appropriate sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. In addition, the Plan has received a determination letter from the IRS dated March 26, 2012 on the proposed termination date of June 15, 2011.

The Plan adopted the provisions of Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 740, *Uncertainty in Income Taxes*, effective July 1, 2009. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more likely than not that the position will be sustained upon examination by the tax authorities.

As of September 30, 2010 and 2009, the Plan believes it had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements for open tax years (after 2006) based on an assessment of many factors including experience and interpretations of tax laws.

NOTE 9 - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Bank of American, N.A., the trustee of the Plan, and, therefore, these transactions qualify as party-in-interest transactions.

The Plan has received its final determination letter from the Internal Revenue Service (IRS) and all assets were distributed to participants as of September 30, 2012.
