Los Angeles, California

I was engaged to audit the accompanying statement of net assets available for benefits of Maxim Lighting International Profit Sharing 401(k) Plan (the "Plan") as of December 31, 2010, and the related statement of changes in net assets available for benefits for the year ended December 31, 2010 and the related supplemental schedules as of or for the year ended December 31, 2010. These financial statements and supplemental schedules are the responsibility of the Plan's management. The financial statements of the Plan as of December 31, 2009 were audited by other auditor. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the other auditor not to perform, and he did not perform, any auditing procedures with respect to the information certified by John Hancock Life Insurance Company (USA), the recordkeeper/custodian (the "Recordkeeper/Custodian") of the Plan. His report, dated November 12, 2010, indicated that (a) because of the significance of the information that he did not audit, he was unable to, and did not, express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the information certified by the Recordkeeper/Custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 and in the supplemental schedule of assets held at year-end, which was certified by John Hancock Life Insurance Company (USA), the Recordkeeper/Custodian of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. I have been informed by the plan administrator that the Recordkeeper/Custodian holds the Plan's investment assets summarized in Note 3 and executes investment transactions. The plan administrator has obtained a certification from the Recordkeeper/Custodian as of and for the years ended December 31, 2010 and 2009, that the information provided to the plan administrator by the custodian is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedules taken as a whole. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Recordkeeper/Custodian, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PROFIT SHARING 401k PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2010 AND 2009

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Maxim Lighting International, Inc. Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plans provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Maxim Lighting International, Inc. (the "Company") who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was initially effective on July 1, 1983.

Contributions

Employees become eligible to make elective deferrals for contributions when they have completed one month of service and attained age 21. Participants may contribute up to 92% of their pre-tax annual compensation, limited to a maximum contribution of $16,500 for 2010 and 2009. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of $5,500 for 2010 and 2009. Participants may also transfer benefits from other qualified plans into the Plan.

The Company may make contributions to the Plan in the form of matching contributions as determined at its sole discretion. Matching contributions when determined will be allocated based on pro rata formula based on the participant's qualifying contribution in relation to the total qualifying contributions for the Plan year. The matching contribution is limited to 25% of the participants qualifying elective deferral but not to exceed 10% of the participant's total compensation for the Plan year. Employees must complete one year of service and generally must be actively employed on the last day of the plan year to be eligible to participate in matching contributions, however, employees who are not employed on the last day of the plan year due to retirement, death or disability will be eligible for matching contributions.

Entry dates for participation in the Plan are January 1 and July 1. Participants direct the investment of their contributions and any employer matching contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of Plan losses and administrative expenses. Allocations are based on participant's earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their 401(k) contributions plus actual earnings thereon. Vesting in the Company's contributions to their accounts is based on a six-year graded vesting schedule. A participant is 100% vested after six years of credited service.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant will receive an amount equal to the value of the participant's vested account in a lump-sum amount. The Plan does not provide for payment of retirement benefits in the form of a life annuity or a joint and survivor annuity. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may receive in-service distributions of their vested profit sharing contributions upon attaining age 59 ½. All withdrawals are subject to the limits specified in the Plan and by the Internal Revenue Service.

Forfeited Accounts

Forfeitures of non-vested Company contributions are used to reduce future Company contributions. During 2010 $329 of forfeited participant accounts were used to reduce the Company's contributions. At December 31, 2010, there were no forfeitures that have not yet been applied to reduce the Company's contributions.

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their account balance, whichever is less. The maximum amortization for general purpose loan is 4.5 years and for primary residence loan is 10 years. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the Plan administrator.

Administrative Expenses

Certain expenses incurred in the administration of the Plan are paid directly by the Company.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or monthly, quarterly or annual installments over a period that shall not extend beyond the participant's life expectancy or the life expectance of the participant and the participant's designated beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

ASC Topic Fair Value Measurements and Disclosures, which defines fair value, establishes a framework for measuring fair value in accordance with accounting principles generally accepted in the U.S., and expands disclosures about fair value measurements. Under this topic, the Plan must report its investments at fair value among three categories of price inputs available. These categories of inputs are quoted prices in active markets for identical assets (Level 1); significant other observable inputs (Level 2); and significant unobservable inputs (Level 3).

Purchases and sales of securities are recorded on a trade date basis. Interest and dividend income is recorded as received. Net increase (decrease) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Cash Surrender Value of Life Insurance

The Plan owns two life insurance policies for the benefit of its two executives. The cash surrender value of the policies as determined by the insurance company approximates their fair value.

Notes Receivable from Participants

Notes receivable from participants (or participant loans) are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan documents.

Administrative Expenses

The Company is responsible for certain costs and expenses incurred in the administration and maintenance of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

For the year-ended December 31, 2010, the Plan has evaluated subsequent events for potential recognition and disclosure through August 17, 2012, the date the financial statements were available to be issued.

NOTE 3 - INVESTMENTS

The Plan's investments that represented five percent or more of the Plan's net assets available for benefits at December 31, 2010 are as follows:

	2010	2009
Retirement Living at 2020	$ 307,323	$ 248,066
Retirement Living at 2015	190,759	155,033
Retirement Living at 2010	133,324	119,122
Retirement Living at 2025	118,176	102,460
DFA Emerging Market Values	117,599	93,973
Cash Surrender Value of Life Insurance	173,848	167,313
	$ 1,041,029	$ 885,967

All plan assets as of December 31, 2010 are Level 2 within the fair value hierarchy:

	2010	2009
Variable annuities sub-accounts	$ 1,745,818	$ 1,443,097
Non-interest bearing cash	1,117	674
Cash Surrender Value of Life Insurance	173,848	167,313
	$ 1,920,783	$ 1,611,084

During 2010, the Plan’s investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $221,624.

NOTE 4 - INFORMATION CERTIFIED BY THE RECORDKEEPER/CUSTODIAN (UNAUDITED)

The following information is a summary of the unaudited information regarding the Plan's financial statements and supplemental information, which was prepared by John Hancock Life Insurance Company (USA), the Recordkeeper/Custodian of the Plan, as of December 31, 2010 and 2009 and for the year ended December 31, 2010, and furnished to the Plan administrator. The Plan administrator has obtained a certification from the Recordkeeper/Custodian that such information is complete and accurate. Information certified by the Recordkeeper/Custodian is summarized as follows:

a. Investments, as indicated on the Statements of Net Assets Available for Benefits;
b. Notes receivable from participants, as indicated on the Statements of Net Assets Available for Benefits;
c. Investment income, as indicated on the Statement of Changes in Net Assets Available for Benefits;
d. Supplemental information of Assets Held at Year End, except for Cash Surrender Value of Life Insurance;
e. All investment balances and investment information in Note 3, except for Cash Surrender Value of Life Insurance.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

NOTE 6 RELATED PARTY TRANSACTIONS

At December 31, 2011, certain Plan investments at fair value of $1,051,315 were variable annuities sub-accounts managed by John Hancock Life Insurance Company (USA). John Hancock Life Insurance Company (USA) is also the Recordkeeper/Custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

The Recordkeeper/Custodian is a party-in-interest with respect to the Plan. All investments are held with the custodian. The investments offered to the participants are managed by John Hancock Life Insurance Company (USA). Notes receivable from participants and the related interest income are also considered party-in-interest transactions.

The records of the Plan indicate no party-in-interest transactions, which are prohibited by ERISA and for which no statutory or administrative exemption exists.

NOTE 8 - TAX STATUS OF THE PLAN

The Internal Revenue Service issued a favorable determination letter dated September 28, 1994, stating that the Plan was designed and was being operated in compliance with the qualification requirements of the Internal Revenue Code.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in a number of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - CORRECTIVE DISTRIBUTIONS PAYABLE

Contributions received from participants for 2010 are net of payments of $3,381 to certain active participants to return excess deferral contributions as required to satisfy the actual deferral percentage nondiscrimination test.

NOTE 11 - DELINQUENT CONTRIBUTIONS

Due to oversight, the Plan has not complied with the Department of Labor's regulation regarding the timely remittance of participant contributions amounting to $70,472 in 2010 and $116,537 in 2009 to trust containing assets of the Plan. The plan is currently researching its records to determine delinquent participant contributions in years prior to 2009. The Plan Administrator and the Plan Sponsor believe that the effect of the delinquent participant contributions is not material to the Plan's financial statements. The Plan is in the process of correcting this violation and has disclosed the violation in its Form 5500.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of total income and total expenses per the statement of changes in net assets available for benefits at December 31, 2010 to Form 5500:

Total income per statement of changes in net assets available for benefits	$398,345
