We have audited the accompanying statements of net assets available for benefits of Jim Burke Ford Welfare Plan (the Plan) as of June 30, 2012 and 2011, and the related statement of changes in net assets available for benefits for the year ended June 30, 2012. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Plan as of June 30, 2012 and 2011, and the changes in its financial status for the year ended June 30, 2012, in conformity with accounting principles generally accepted in the United States of America.

JIM BURKE FORD WELFARE PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2012 AND 2011

NOTE 1: DESCRIPTION OF PLAN

The following brief description of the Jim Burke Ford Welfare Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General – The Plan provides health benefits covering substantially all eligible employees of Jim Burke Ford (the Company). It is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Third-Party Administrator – In 2011, the Plan entered into a third-party administrator contract with HealthComp Administrators, (the Third-Party Administrator). During 2010, the Plan was contracted with Entrust, Inc. to provide third-party administrator services. The Third-Party Administrator handles all aspects of the health benefit plan, including enrollment of eligible participants, receipt of benefit claims, approval and rejection of claims, payment of claims and premium payments to the insurance carriers.

The Third-Party Administrator maintains the contributions in a trust account. The account is credited with employee and employer contributions, as well as Spaggregate advances. The account is charged for payments made on claims, administrative expenses and premiums paid to the insurance carriers.

Benefits – The Plan provides health benefits (medical, dental and vision) to all regular full-time employees of the Company who have completed 90 days of service and to their dependents. Participation in the Plan is voluntary.

Health and vision claims of active participants and their dependents are processed by the Third-Party Administrator, but the responsibility for payments to participants and providers is retained by the Plan.

Employee Contributions – Employees who choose to participate in the Plan pay a flat monthly rate, which is determined by the plan option they select at the beginning of the plan year. The contributions are withheld by the employer through two monthly payroll deductions.

Terminated employees have the option to continue participation by submitting COBRA contributions directly to the Third-Party Administrator.

Employer Contributions – The Company contributes a fluctuating amount on an as-needed basis. Obligations for benefit claims for the Plan that exceed employee contributions and stop-loss insurance reimbursements are funded through employer contributions. The contributions from both the employer and the active employees are submitted to the Third-Party Administrator by the Company on an as-needed basis.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Spaggregate – The Plan is considered a Spaggregate health benefit plan that is self-funded by the Company and the employees. However, the maximum annual cost to the Company and employees is guaranteed by stop-loss coverage provided by QBE Insurance Corporation.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual basis of accounting.

Contributions – Contributions are recorded when earned by the Plan.

Payment of Benefits – Claims are recorded when incurred by the Plan.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

NOTE 3: RELATED-PARTY TRANSACTIONS

Jim Burke Ford, the Plan Sponsor, provides to the Plan certain accounting and administrative services for which no fees are charged.

NOTE 4: PLAN TERMINATION

Although termination of the Plan is not presently contemplated, the Company does have the right to terminate the Plan at any time, subject to the provision set forth in ERISA. Upon termination, the assets then remaining shall be subject to the applicable provisions of the Plan then in effect and shall be used until exhausted to pay benefits to employees in the order of their entitlement.

NOTE 5: FEDERAL INCOME TAX STATUS

The trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)9 of the Internal Revenue Code (IRC). The Plan Sponsor believes that the trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S Federal jurisdiction. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

NOTE 6: SUBSEQUENT EVENTS

Management has evaluated subsequent events through March 28, 2013 (date financial statements available to be issued) and has determined that there are no additional adjustments or disclosures required.
