Independent Auditors' Report

The Plan Sponsor of the
Eastern Sheet Metal, LLC 401(k) Retirement Savings Plan:

We were engaged to audit the accompanying statement of net assets available for plan benefits of Eastern Sheet Metal, LLC 401(k) Retirement Savings Plan (the "Plan") as of January 2, 2008, and the related statement of changes in net assets available for plan benefits for the period from January 1, 2008 through January 2, 2008. These financial statements are the responsibility of the Plan's management. The financial statements of the Plan as of December 31, 2007 were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed the other auditors not to perform, and they did not perform any auditing procedures with respect to the information certified by John Hancock Life Insurance Company, the custodian. Their report, dated July 1, 2009, indicated that because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the financial statements, other than that derived by the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Additionally, the other auditors' report included a modifying paragraph. The Plan failed to follow the definition of compensation. As a result, incorrect employee and employer contributions were remitted to the Plan, the census was prepared incorrectly and the nondiscrimination testing performed was not completed using the correct compensation.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by John Hancock Retirement Plan Services, doing business as John Hancock Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian held the Plan's investment assets and executed investment transactions. 1. PLAN DESCRIPTION

The following description of the Eastern Sheet Metal, LLC 401(k) Retirement Savings Plan (the “Plan”), as amended, provides only general information. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan was effective January 1, 1990 and amended and restated October 1, 2005. The Plan was a defined contribution plan available for qualifying employees of Eastern Sheet Metal, LLC, Southeastern Sheet Metal, LLC and FBN Transportation, LLC, which are all wholly owned subsidiaries of Eastern Sheet Metal Holdings, Inc. (collectively, the “Company”). During October 2006, the Company was acquired by Ruskin Company, which is owned by Tomkins Ltd.; however, there were no changes made to the Plan as a result of the acquisition at that time. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Benefits under the Plan were not guaranteed by the Pension Benefit Guaranty Corporation.

Merger of the Plan

The Company merged the Plan’s net assets totaling \$1,671,874 into the Tomkins Retirement & Savings Plan (“TRS”) on January 2, 2008. The Company’s employees were eligible to participate in the TRS Plan effective January 1, 2008. In conjunction with the merger, all participants were notified there would be a black-out period from December 28, 2007 to mid January 2008, in which distributions, account transfers, and contributions would not be processed. Investments were mapped to similar investments in the TRS Plan.

Custodian and Recordkeeper of the Plan

The custodian and recordkeeper of the Plan was John Hancock Retirement Plan Services, doing business as John Hancock Life Insurance Company (“Custodian” or “John Hancock”). The custodian held all assets of the Plan in accordance with a service agreement with the Company. All assets of the Plan were held in investment plan accounts at John Hancock.

Eligibility

Prior to the merger, each employee was eligible to become a participant in the Plan on the first day of the quarter following six months of service and attainment of age 21. Each employee was eligible for an employer matching contribution once eligible to contribute to the Plan. Participants were eligible for the discretionary profit sharing contribution if they obtained one year of service and were an active employee on the last day of the plan year. Leased employees were not eligible to participate in the Plan.

1. PLAN DESCRIPTION (CONTINUED)

Contributions

Prior to the merger, eligible participants could contribute, on a pre-tax basis, up to 100% of their qualifying annual compensation as elected in their salary deferral agreements. Participant contributions were subject to certain IRC limitations. The Plan also allowed catch-up contributions for participants over the age of 50 subject to certain IRC limitations.

Rollover contributions transferred from other qualified retirement plans were accepted as permitted by the Plan Document.

The Company's matching contribution percentage was 50% of participant elective deferrals that did not exceed 4% of each participant's qualifying compensation. The Plan also provided for a discretionary profit sharing contribution. There were no matching or discretionary profit sharing contributions for the period from January 1, 2008 through January 2, 2008.

Vesting

Participants were 100% vested in all elective deferral, catch-up and rollover contributions and the allocated earnings thereon. Participants vested in their matching contributions 20% after 2 years, and an additional 20% per year, fully vesting at 6 years. Participants vested in their discretionary profit sharing contributions 20% after 3 years and an additional 20% per year, fully vesting at 7 years. Participants were fully vested at upon death, disability, normal retirement age (65) and early retirement (age 59.5 and 7 years service).

Forfeitures

Forfeited accounts totaled \$0 and \$7,692 at January 2, 2008 and December 31, 2007, respectively. Forfeitures occurring during the year attributable to employer matching contributions would be added to any employer matching contribution and allocated to eligible participants. Other forfeitures occurring during the year would be added to any employer discretionary contribution. Forfeitures resulting from the 2007 Plan year of \$7,692 were transferred to the TRS Plan effective January 2, 2008 and were later allocated to former plan participants as required in the TRS Plan.

1. PLAN DESCRIPTION (CONTINUED)

Participants' Accounts

Each participant's account was credited with the participant's pre-tax, catch-up, rollover and employer matching and profit sharing contributions, and a proportional share of net plan earnings or losses. Participants could direct the investment of their account balances into various investment options offered by the Plan. Earnings from investment funds were allocated to each participant's account in the proportion that the balance of each participant's account bore to the total balance of all participants in each investment option. The benefit to which participants were entitled was the vested portion of their accounts.

Payment of Benefits

Upon termination of service, death, attainment of normal retirement age (age 65), or disability, as defined, a participant could elect to receive his/her benefit payment in the form of a lump-sum amount equal to the vested portion of the participant's account, installment payments, partial payments or remain in the Plan if his/her vested account balance had a minimum of \$1,000, or could roll over the amount to another qualified retirement plan or individual retirement account. Hardship withdrawals and certain other in-service withdrawals were also allowed by the Plan if certain criteria were met.

Expenses of the Plan

All expenses of the Plan were paid by the Company. Certain investment fees could be charged within the pooled separate accounts.

Plan Termination

The Company had the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event the Plan was terminated, all participant accounts would immediately become fully vested and non-forfeitable. As discussed in Note 1, *Merger of the Plan*, the Plan was merged into the TRS Plan effective January 2, 2008.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Eastern Sheet Metal, LLC 401(k) Retirement Savings Plan

Notes to Financial Statements

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires the Plan’s management to use estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The value of each insurance company pooled separate account (“PSA”) is determined at the close of each business day based on fair value of the underlying investments held within the PSA as determined by the custodian. The value of the account is expressed in “units.” The “unit value” is the dollar value of one unit and is determined at the close of each business day by dividing the value of the entire account by the total number of units in the account. Contributions to the account increase the number of units. Withdrawals from the account decrease the number of units. The increase or decrease in number of units is determined by dividing the amount of the contribution or withdrawal by the unit value for the day the transaction is made. The value of the participant’s account on any date is determined by multiplying the number of units held by the unit value at the close of the business day. Since these accounts are separate accounts, realized and unrealized gains and losses from the assets in the accounts are credited to or charged against the account without regard to other income, gains or losses of John Hancock.

Guaranteed interest accounts are valued at fair value as determined by John Hancock based on the fair value of the amount a plan participant or plan sponsor would receive if they were to withdraw or transfer funds prior to their maturities and is based on the contractual agreement with John Hancock. The contracts are not fully benefit-responsive as market value adjustments may be charged prior to maturity. Upon liquidation of the investment due to the plan merger an immaterial market value adjustment occurred.

Interest is recorded when earned. Purchase and sale transactions are recorded on a trade-date basis. Net appreciation (depreciation) in the fair value of pooled separate accounts and guaranteed interest accounts investments represents any dividend income, capital gain distributions, and realized and unrealized gains and losses on the investments, as well as any fees charged within the pooled separate accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Tax Status

The Internal Revenue Service (“IRS”) has determined and informed the sponsor of the prototype plan document, in a letter dated August 7, 2001, that the prototype plan was qualified and the trust established under such plan was tax-exempt under the appropriate sections of the IRC. The Plan has been amended since this determination, however, the Company and plan administrator believe the Plan was designed and operated in compliance with the applicable requirements of the IRC and the Plan continued to be tax-exempt. Therefore, no provision for income taxes has been included in the accompanying financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded as of January 2, 2008 and December 31, 2007, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Payment of Benefits

Benefits were recorded when paid.

Contributions

Participant contributions and employer contributions were recognized in the period during which the Company makes payroll deductions from the participant’s compensation.

Risks and Uncertainties

The Plan invested in various investment securities within the John Hancock pooled separate accounts and guaranteed interest accounts. Such investment securities were exposed to various risks such as interest rate, market and credit risks. Additionally, the value, liquidity and related income of the investment securities were sensitive to changes in economic conditions. All assets were liquidated upon the merger into the TRS Plan.

Reclassifications

Certain reclassifications have been made to conform to current year presentation.

Subsequent Events

The plan administrator has evaluated subsequent events through April 3, 2013, which is the date the financial statements were available to be issued. No events or transactions discovered during this evaluation require recognition or disclosure in the financial statements.

3. INVESTMENTS

The fair values of individual investments that represent 5% or more of the Plan's net assets available for plan benefits as of January 2, 2008 and December 31, 2007 are as follows:

	January 2, 2008	December 31, 2007
John Hancock Pooled Separate Accounts:		
John Hancock Lifestyle Balanced Fund	\$ -	\$ 225,284
John Hancock American Funds EuroPacific Fund	-	164,196

John Hancock Health Sciences Fund	-	150,827
John Hancock American Funds Growth Fund	-	150,119

John Hancock Fundamental Value Fund	-	122,294
John Hancock Global Bond Fund	-	108,778
John Hancock Core Equity Fund	-	91,206

During the period from January 1, 2008 through January 2, 2008, the Plan's investments in pooled separate accounts and guaranteed interest accounts, including gains and losses on investments bought and sold, as well as held during the year, depreciated in value by \$8,988 and \$12, respectively.

4. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments were shares of pooled separate accounts and guaranteed interest accounts managed by John Hancock. John Hancock was the custodian and recordkeeper, as defined by the Plan. Transactions in such investments qualified as party-in-interest transactions, which were exempt from the prohibited transaction rules.

6. EXCESS CONTRIBUTIONS REFUNDED

The Plan failed certain nondiscrimination tests for the year ended December 31, 2007. Excess contributions of \$10,918 were refunded to participants as required by the IRC.

7. CORRECTIVE DISTRIBUTIONS

During 2007 there were certain errors in the computation of participant and employer contributions. The corrections relate to the application of eligible compensation, as defined by the Plan Document.
