Notes to Financial Statements

Note 1 Description of Plan

The following description of the Southwest LTC, Ltd. Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General The Plan provides medical, prescription drug, and death benefits to full-time active employees of Southwest LTC, Ltd. (the Sponsor) who elect to participate. The plan was established on July 1, 2003, and it is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan adopted a new plan document effective July 1, 2009. The revised plan document restated the plan provisions for previously adopted amendments and did not significantly change benefits, contributions, or other provisions.

Benefits The Plan provides health benefits (medical, hospital, surgical, major medical, and prescription drugs) and death benefits to employees working at least 30 hours per week after a 90 day eligibility period is satisfied. Dependent coverage is available at the election of the participant.

Health claims of active participants are processed by Meritain Health, Inc., but the responsibility for payments to participants and providers is retained by the Plan.

Contributions Sponsor and employee contribution amounts are determined annually by the Plan's actuary. Employees may contribute specified amounts, determined annually by management in conjunction with the Plan's actuary, to extend coverage to eligible dependents.

Other Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

Note 2 Summary of Accounting Policies

Cash and Concentration of Credit Risk Cash consists of demand deposits at a commercial bank. All funds in a "noninterest-bearing transaction account" are insured in full by the Federal Deposit Insurance Corporation (FDIC) from December 31, 2010, through December 31, 2012. This temporary unlimited coverage is in addition to, and separate from, the coverage of at least $250,000 available to depositors under the FDIC's general deposit insurance rules. At June 30, 2012 and 2011, the Plan had no uninsured cash balances.

Use of Estimates The preparation of financial statements in conformity with accounting principles generally accepted in the United Sates of America requires management to make estimates and assumptions that affect the reported amounts of assets, benefit obligations and changes therein, health claims incurred but not reported (IBNR), claims payable, liabilities and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Insurance Premiums Insurance coverage consists of medical specific and aggregate stop-loss. Specific stop-loss insurance provides coverage on individual claims paid in excess of $75,000 in the years of coverage for 2012 and 2011. The maximum coverage for specific insurance is unlimited for the 2012 Plan

year and $1,925,000 for the 2011 Plan year, for the covered individual's lifetime for any one person. Aggregate stop-loss insurance provides coverage on aggregate claims paid based on an aggregate monthly factor and the number of covered units. The maximum coverage for aggregate insurance is $1,000,000 for 2012 and 2011.

Note 3 Administrator

The Plan paid monthly administrative fees to Meritain Health, Inc. which are included in service fees in the accompanying financial statements.

Note 4 Tax Status

On June 1, 2007, the Plan Sponsor established a trust which was created for the sole purpose of providing health and welfare benefits to eligible participants of the Plan. The Plan has not applied for tax exempt status pursuant to Section 501(c)(9) of the Internal Revenue Code. Management is continuing the Plan as a taxable trust. Income tax expense for the years ending June 30, 2012 and 2011, was $0.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

Note 5 Risks and Uncertainties

Estimated Health Claims Incurred But Not Reported Plan obligations for health claims incurred but not reported are estimated by the Plan's management based on information provided by the Plan's actuary. The actuary prepared their estimate in accordance with accepted actuarial principles. The reserve was developed using paid claims through August 31, 2012, adjusted by expected completion factors, and then subtracting the paid claims from the incurred claims estimate. The expected completion factors were derived from the Plan's claim experience. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 6 Prohibited Transactions

During the current plan year, Southwest LTC, Ltd. inadvertently failed to remit $36 of participant contributions within the required timeframe as stated by the United States Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. These late remittances are properly reported as prohibited transactions on the Form 5500.

Note 7 Subsequent Events

Subsequent to year end, Southwest LTC, Ltd. entered into a contract to sell a significant number of facilities. The sale was effective on December 31, 2012. Effective January 1, 2013, the employees at the sold facilities were terminated and removed from the Plan.

Plan management has evaluated subsequent events through April 9, 2013, the date which financial statements were available to be issued, concluding there were no other events requiring disclosure.
