We were engaged to audit the financial statements and supplemental schedule of the ACCO Savings and Investment Plan as of September 30, 2012 and 2011, and for the year ended September 30, 2012, as listed in the accompanying index. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information described in Note 5, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended September 30, 2012 and 2011, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. Plan Description

The following description of the ACCO Savings and Investment Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by ACCO Engineered Systems, Inc. (ACCO or the Company). The Plan covers all employees of ACCO 18 years of age or older, who are not subject to a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are allowed to contribute up to 60% of pretax annual compensation, and, upon age 50, may contribute up to 100% of pretax annual compensation, up to the annual IRS dollar limits. ACCO matches participant contributions at 100% up to a maximum of $1,500. Additional profit sharing contributions may be made at the discretion of the Board of Directors of the Company.

Participant Accounts

Separate accounts are maintained for each participant's deferred compensation, rollover, employer contribution and participant loan balances. Earnings of the Plan are allocated to the participant account balances according to the ratio that a participant's account balance within each investment fund bears to the total of all participant account balances within such fund. Employer matching contributions are allocated based on participant deferrals. Any profit sharing contributions are allocated to the participant account balances according to the ratio that a participant's compensation bears to the total of all participant compensation.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 reduced by the highest outstanding loan balance during the prior 12 months, or 50% of their account balance. Loans to participants are accounted for in the Loan Fund. Loan terms range from 1 to 5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined periodically by the Plan administrator. The loans are reported at their unpaid principal balances plus any accrued but unpaid interest.

1. Description of the Plan (continued)

Vesting

Participants are immediately vested in their salary deferrals plus earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus earnings thereon is based on years of service; participants vest 20% per year of service. For terminations on account of death, permanent and total disability, or normal retirement at age 65, 100% vesting is granted.

Forfeitures

Forfeitures of terminated participants' non-vested accounts are transferred to and maintained in a single Forfeiture Account, which is invested in interest-bearing deposits. Forfeiture Account amounts are utilized to restore accounts or increase the amount allocated to active participants as directed by the plan administrator. Forfeitures totaling $110,000 were allocated during the year.

Benefits

Upon termination, disability, death or certain hardship cases, participants or their beneficiaries are entitled to receive their vested balances.

Plan Management

The Plan is administered by Fidelity Management Trust Company, which is the trustee.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for benefits and the changes in net assets available for benefits.

Date of Management's Review

The trustee has evaluated subsequent events through the date the financial statements were available to be issued and have determined that there are no subsequent events requiring recognition or disclosure in the financial statements.

2. Summary of Significant Accounting Policies (continued)

Administrative Expenses

The Company pays most of the administrative expenses associated with the Plan.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for the disclosure of fair value of investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Use of Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying disclosures. Actual results could differ from those estimates.

3. Fair Value Measurements

The Plan's investments in mutual funds are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of financial instruments could result in a different fair value measurement at the reporting date. The fair value of the mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

4. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

5. Investment Information Prepared and Certified by Trustee

All information related to investments and investment income included in the accompanying financial statements and supplementary schedule have been included based on information provided by Fidelity Management Trust Company (the trustee). The trustee has certified that the information provided is complete and accurate.

The following investments represent 5% or more of the Plan's net assets:

All other investments less than 5%	34,725,441	21,918,288
	$ 65,000,403	$ 53,023,386

6. Party-in-Interest Transactions

The Plan has investments in mutual funds managed by Fidelity Investments. Fidelity Management Trust Company is the trustee of the Plan; therefore, Fidelity Investments is a party-in-interest.

7. Tax Status of the Plan

The Internal Revenue Service issued a determination letter to Fidelity Management & Research Company, dated December 5, 2001, stating that the prototype plan was acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. In addition, the Service issued a determination letter dated October 9, 2003 regarding the GUST amendments. The plan has been amended since receiving the determination letter. It is the plan administrator's opinion that the adopted plan qualifies under Section 401(a) of the IRC and also satisfies all other relevant sections of the IRC; therefore, it is the plan administrator's opinion that the Plan is exempt from federal and state income taxes.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
