Independent Auditors' Report

To the Plan Committee of the
PRL Glass Systems, Inc. Profit Sharing Plan:

We were engaged to audit the accompanying financial statements of the PRL Glass Systems, Inc. Profit Sharing Plan (the "Plan") as of December 31, 2009 and 2008 and for the year ended December 31, 2009, and the supplemental schedule as of December 31, 2009, as listed in the accompanying index. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Hartford Life Insurance Company, the Custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the Custodian as of December 31, 2009 and 2008 and for the year ended December 31, 2009, that the information provided to the plan administrator by the Custodian is complete and accurate.

The Plan has not presented the supplemental Schedule H, line 4j – Schedule of Reportable Transactions for the year ended December 31, 2009. Hartford Life Insurance Company was unable to provide the reports necessary to develop the information needed for the reportable transactions, if any, for the period January 1, 2009 to December 15, 2009, while the Plan was nonparticipant directed. Disclosure of this information is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. NOTE 1. PLAN DESCRIPTION

The following description of the PRL Glass Systems, Inc. Profit Sharing Plan (the "Plan") provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees who have completed one year of service with PRL Glass Systems, Inc. (the "Company" and the "Plan Sponsor") and have attained 21 years of age. In addition, employees must be employed on the last day of the Plan year to be eligible for the Company contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Company contributions are discretionary and are determined by the Company. Participants are not permitted to contribute to the Plan and, prior to December 15, 2009 participants did not direct their portion of Company contributions into the investment options of the Plan. Effective December 15, 2009 the Plan was amended to allow participants to direct the investment of their accrued benefits. No Company contributions were made for the year ended December 31, 2009.

Participant Accounts

Each participant's account is credited with allocations of the Company's contribution and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Vesting of participant accounts in the Company's contribution portion of their accounts is based on years of service. Participants are vested in Company contributions at 20 percent after two years of service and an additional 20 percent each year thereafter until 100 percent vested upon six years of service.

Forfeitures

Forfeitures of Company contributions may be used to pay Plan administrative expenses or to reduce future Company contributions. For the year ended December 31, 2009, no forfeitures were used. As of December 31, 2009 forfeitures of $23,719 were available for future use.

Participant Loans

Loans to participants are not permitted by the Plan.

NOTE 1. PLAN DESCRIPTION (Continued)

Payment of Benefits

When eligible, a participant may receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments, or an annuity as permitted under the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America, primarily from information provided by Hartford Life Insurance Company (the "Custodian").

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

All Plan investments are reported at fair value. Accounting principles generally accepted in the United States of America require that the amount representing the difference between the fair value of a fully benefit-responsive investment contract and the contract value be presented on the face of the Statements of Net Assets Available for Plan Benefits. As of December 31, 2009 and 2008, the difference between the contract value and fair value of the SEI Stable Asset Fund is immaterial to the financial statements and therefore no adjustments have been made to the accompanying Statements of Net Assets Available for Plan Benefits.

Investments are valued daily. Interest income is recorded on an accrual basis. Dividend income, if any, is included in net appreciation of mutual funds.

Administrative Expenses

Certain administrative expenses incidental to the administration of the Plan, including fees of the Custodian and independent public accountants may be paid by the Plan. Administrative expenses not paid by the Company are paid by the Plan.

Most investment options incur fees that reduce the overall return on assets. The net appreciation of investments is reflected net of these fees.

Concentration of Risk

The Plan's investments have exposure to risk to the extent that the investments are subject to market and interest rate fluctuations that may materially affect the value of the investment balances.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Benefits Payable to Participants

Benefits are recorded when paid.

Fair Value

The Plan accounts for its financial instruments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value measurement hierarchy is based on three levels of inputs, of which the first two are considered observable and the last unobservable. The three levels of the fair value hierarchy are the following:

- Level 1 – Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

- Level 3 – Inputs to the valuation that are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2009 and 2008.

Common Collective Trust – The SEI Stable Asset fund, held in a common collective trust, invests primarily in Guaranteed Investment Contracts ("GICs") issued by insurance companies and other financial institutions and other investment products such as separate account contracts, synthetic GICs ("SICs") and collective investment trusts with similar characteristics. The fair value of GICs is generally determined by discounting the scheduled future payments required under the contract using an interpolated market rate for contracts with maturities comparable to the average remaining life of the contract being valued. The separate account contracts are similar in structure to the GICs except that the underlying assets are held in a separate contract. The fair value of a wrap contract under SICs reflects the difference between the discounted present value of the contract's current cost, based on actual contract rate, and its estimated replacement cost, based on issuer quotes. The trust's investments in collective investment trust funds are carried at net asset value. The SEI Stable Asset fund seeks to provide high current income with the preservation of capital. The common collective trust and its investments are not actively traded in the open market and, therefore, classified as Level 2 within the valuation hierarchy.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value (Continued)

Pooled Separate Accounts — Valued at the net asset value ("NAV") of shares held by the Plan at year-end. The NAV of Pooled Separate Accounts ("PSA") is based on the readily available market value of its underlying investments. The PSA NAV is not a publicly-quoted price in an active market, therefore the PSA are classified as Level 2 within the valuation hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The common collective trust and PSA do not have any unfunded commitments relating to its investments, or any significant restrictions on redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

All of the Plan's investments are Level 2 and the following table sets forth, by investment type, the Plan's investments at fair value as of December 31:

	2009	2008
Common collective trust	$ 17,765	$ 52,018
PSA:		
Growth funds	645,113	431,190
Blend funds	367,338	238,179
Value funds	413,009	292,393
Fixed income funds	471,542	369,166
Total PSA	1,896,912	1,330,928
Total investments at fair value	$ 1,914,677	$ 1,382,946

NOTE 3. INVESTMENTS

Investment options are selected by the Plan Sponsor. Prior to December 15, 2009 participants did not direct the investment of their accounts. Effective December 15, 2009 the Plan was amended to allow participants to direct the investment of their accounts. The participants have several investments from which they can choose. See the attached Schedule of Assets (Held at End of Year) for a detailed listing of investments.

NOTE 3. INVESTMENTS (Continued)

The following presents investments that represent five percent or more of the Plan's net assets at December 31:

	2009	2008
American Funds Growth Fund of America	$ 284,410	$ 195,204
AllianceBernstein International Growth Fund	180,709	117,313
American Funds Bond Fund of America	106,929	87,715
Davis New York Venture Fund	272,690	188,390
Eaton Vance Large Cap Value Fund	177,734	138,048
Oppenheimer International Bond Fund	122,106	103,698
Pioneer Strategic Income Fund	242,417	177,753
AllianceBernstein International Value Fund	235,275	154,345

NOTE 4. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Company contributions.

NOTE 5. TAX STATUS

The Plan obtained its latest determination letter on July 7, 2010 in which the IRS stated that the Plan is in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Company believes that the Plan currently is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2009, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2005.

NOTE 6. FINANCIAL DATA CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the Custodian and was not subjected to any auditing procedures performed by the independent public accountants:

a. Total investments as shown in the accompanying Statements of Net Assets Available for Plan Benefits of $1,914,677 as of December 31, 2009, and $1,382,946 as of December 31, 2008.

b. Net appreciation of common collective trust and mutual funds of $196 and $377,197, respectively, as shown in the accompanying Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2009.

c. Total assets as of December 31, 2009 as shown in the accompanying Schedule of Assets (Held at End of Year).

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are held by the Custodian. Transactions with the Custodian qualify as party-in-interest transactions for which exemptions exist. In addition, the Company utilizes a broker who received indirect compensation of $4,192.

NOTE 8. BONDING

As of December 31, 2009, the amount of the bond in place was $50,000, which is not in compliance with DOL Rules and Regulations. During August 2012, the Company obtained a bond in the amount of $500,000.

NOTE 9. SUBSEQUENT EVENTS

The Company has evaluated subsequent events that have occurred from December 31, 2009 through October 19, 2012, which is the date that the financial statements were available to be issued, and determined that there were no subsequent events or transactions that required recognition or disclosure in the financial statements.
