INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of

Controls Southeast, Inc. 401(k) Profit Sharing Plan:

I was engaged to audit the financial statements and supplemental schedules of ***Controls Southeast, Inc. 401(k) Profit Sharing Plan*** as of September 30, 2012 and 2011, and for the year ended September 30, 2012, as listed in the accompanying index. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Principal Life Insurance Company, Delaware Charter Guarantee Trust Fund and Union Bond and Trust Company, the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustees hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the trustees as of September 30, 2012 and 2011, and for the year ended September 30, 2012, that the information provided to the plan administrator by the trustees is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustee, has been audited by me in accordance with auditing standards generally accepted in the United States of America, and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

September 30, 2012

1. DESCRIPTION OF PLAN:

The following description of the ***Controls Southeast, Inc. 401(k) Profit Sharing Plan*** (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who have three months of service and are age nineteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was effective October 1, 1987.

Contributions. Each year, participants may contribute up to 15% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may match up to 100% of the amount that a participant contributes to the Plan, not to exceed 6% of eligible compensation. Additional amounts may be contributed at the option of the Company's board of directors.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contribution plus actual earnings thereon. There is no vesting in the Company's discretionary contribution plus earnings thereon during the first two years of credited service. However, a participant is 100% vested after two years of credited service.

Investment Options. All investments are participant directed. Participants can choose any of 32 investment options. These options consist of mutual funds and units in pooled separate accounts and common trust funds held by Principal Life Insurance Company (Principal), Union Bond and Trust Company, and Delaware Charter Guarantee Trust Fund.

Participants may change their investment options at any time.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant with an account balance of $5,000 or less will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. These are several payment options for participants with account balances in excess of $5,000.

Forfeited Accounts. Forfeitures of $515 were used to reduce the Company's match for the year ended September 30, 2012, which was made in December, 2012.

Administrative Expenses. Administrative costs of the Plan are paid by the Company.

Notes Receivable from Participants. Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation

The Plan's investments are stated at fair value. (See Note 7)

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Participant loans are reported at the unpaid principal balance plus accrued interest. Delinquent participants' loans are reclassified as distributions based on the terms of the Plan document.

Operating Expenses

All expenses of maintaining the Plan are paid by Controls Southeast, Inc.

3. INVESTMENTS:

The Plan's investments at September 30, 2012 and 2011, are listed in the following table. Investments that represent 5% or more of the Plan's net assets are separately identified.

4. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

5. TAX STATUS:

The Plan has adopted The Principal Financial Group Prototype Savings Plan for Internal Revenue Service purposes. The Internal Revenue Service has informed The Principal Life Insurance Company that the Plan is qualified under Section 401 of the Internal Revenue Code (IRC) by letter dated March 31, 2008. Although the Plan has been amended since this date, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in accordance with the applicable provisions of the IRC.

The Plan's tax returns for the years ended September 30, 2009 through 2011 are subject to examination by the Internal Revenue Service.

6. INFORMATION PREPARED AND CERTIFIED BY TRUSTEES:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Trustees:

	2012	*2011*
Investments:		
Common trust fund	$ 1,753,994	$ 1,628,542

Net appreciation in fair value of investments	1,983,807	
Other	6,156	
	$ 1,999,240	

7. FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Current accounting standards establish a hierarchy for determining fair value. This hierarchy consists of three levels: Level I inputs are based on quoted prices in active markets for identical assets; Level II inputs are observable inputs other than quoted prices such as market-based prices for similar assets; and Level III assets are those for which there are no observable inputs.

The fair value of the Plan's assets are determined as follows –

Level I – The fair value of mutual funds is based on the quoted market prices of the shares held by the Plan.
Level II – The fair value of pooled separate accounts is based on the quoted market prices of the underlying mutual fund shares held.
Level III – The fair value of the Common Trust Fund (guaranteed investment contract) is determined by discounting cash flow based on current yields of similar investments with comparable durations.

The following table lists the classification of the Plan's investments –

September 30, 2012	*Fair Value*	*Level I*	*Level II*	*Level III*
Common trust fund	$ 1,753,994	$ -	$ -	$1,753,994

Purchases, sales, issuances and settlements (net)	116,865
Ending balance	$1,753,994

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. SUBSEQUENT EVENTS:

Management has evaluated subsequent events through the date of the Auditor's report, the date the financial statements were available to be issued.
