Crump Insurance Services, Inc. 401(k) Savings Plan

Notes to Financial Statements

Period from March 28, 2012 (inception) to July 17, 2012

1. Plan Description

The following description of Crump Insurance Services, Inc. 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General

Effective March 28, 2012, the Plan was created as a spin off from the Crump Group, Inc. 401(k) Savings Plan to facilitate the transition of benefits of former employees of Crump Group, Inc. who became employees of CRC Insurance Services, Inc. (“Company” or “Employer”) under the Stock Purchase Agreement dated February 3, 2012. As a result of the spin off, \$46.1 million of assets, including notes receivable from participants of approximately \$706,000, and participant accounts were transferred from the Crump Group, Inc. 401(k) Savings Plan to the newly established Plan. Frontier Trust Company and Ascensus, Inc. remained the trustee and recordkeeper of the Plan, respectively. The Plan is a defined contribution plan sponsored by the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective July 17, 2012, the Plan was merged into the CRC Insurance Service, Inc. 401(k) Profit Sharing Retirement Plan (“CRC Plan”). Mutual fund investments held by the Plan on July 17, 2012 totaling \$36.1 million were liquidated and transferred to the CRC Plan on that date. In addition, the common collective trust investment of \$6.5 million was transferred-in-kind to the CRC Plan, along with notes receivable from participants of approximately \$670,000. With the transfer of all Plan assets into the CRC Plan on July 17, 2012, the Plan was effectively terminated.

Eligibility

An employee was eligible to participate in the Plan if such employee was a participant in the Crump Group, Inc. 401(k) Savings Plan on March 27, 2012. New participants were not allowed to enter the Plan.

Contributions

Contributions to the Plan were not permitted.

Vesting

Participants were 100% vested in their account balances.

Payment of Benefits

All distributions were made in the form of lump sum payments. Hardship withdrawals were allowed by the Plan in accordance with Plan provisions and Internal Revenue Service (“IRS”) regulations.

Crump Insurance Services, Inc. 401(k) Savings Plan
Notes to Financial Statements
Period from March 28, 2012 (inception) to July 17, 2012

Notes Receivable from Participants

Participant notes receivable were limited to 50% of the participant's vested interest up to a maximum amount of \$50,000. The note receivable term was 5 years (up to 15 years if the receivable is for the purchase of a primary residence). Notes receivable were collateralized by the balances in a participant's account and bear interest at prime plus 1 percent at the date of origination. Principal and interest were paid ratably through automatic payroll deductions.

Participant Accounts

Each participant's individual account was credited with the participant's earnings(losses) on the account and reduced by any administrative expenses. Allocations of earnings and expenses were based upon the market activity and fees of the investment options selected by the participant. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Administrative Expenses

The Company paid substantially all administrative costs for the Plan. Loan and distribution fees were paid by the applicable participant.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared and presented in accordance with the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make certain estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from such estimates.

Investment Valuation and Income Recognition

Participants invested in a combination of mutual funds, a money market fund and a common collective trust, each offering different degrees of risk and return. The investments were valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Shares of mutual funds were valued at the net asset value on shares held by the Plan. The Plan invested in investment contracts through a collective trust. Units of the collective trust were valued at the net asset value of shares held by the Plan. Purchases and sales of investments were recorded on a trade date basis. Dividends were recorded on the ex-dividend date.

Crump Insurance Services, Inc. 401(k) Savings Plan

Notes to Financial Statements

Period from March 28, 2012 (inception) to July 17, 2012

The Plan presents in its statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains and losses as well as the unrealized appreciation (depreciation) on those investments.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes receivable were treated as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits were recorded when paid.

3. Information Certified by Trustee

Crump Insurance Services, Inc. 401(k) Savings Plan
Notes to Financial Statements
Period from March 28, 2012 (inception) to July 17, 2012

5. Tax Status

The Plan was established as a spin-off from the Crump Group, Inc. 401(k) Savings Plan. The Plan generally has identical form and features to the predecessor plan, which had received a favorable determination letter from the Internal Revenue Service. The Plan Administrator believes that the Plan was designed and operated in compliance with the applicable provisions of the Internal Revenue Code ("IRC") through the merger date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that there were no uncertain positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements. While there are no tax audits for this period in progress, the Plan may be subject to such an examination in the future.

6. Subsequent Events

The Company has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through May 15, 2013, which is the date the financial statements were available to be issued. There were no events noted that require adjustment to or disclosure in the financial statements.
