Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Standard Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the 2012 financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2012, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2012 financial statements. Accordingly, we do not express an opinion on the 2012 financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule of assets held for investment purposes at year end as of December 31, 2012, is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – 2011 Financial Statements

The financial statements of the Plan as of December 31, 2011, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated October 8, 2012, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2012

The form and content of the information included in the 2012 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CHIEF SUPERMARKETS NON-UNION 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2012 and 2011

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Chief Supermarkets Non-Union 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan that provides benefits to eligible participants as determined according to the provisions of the plan agreement. Employees of Chief Supermarket, Inc. (the "Company") not subject to collective bargaining agreements are eligible to participate in the Plan after attaining the age of 20½. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was effective as of June 1, 1989.

Contributions

Each year, participants may contribute a portion of their annual compensation, as defined in the Plan agreement. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company may, at its discretion, make matching contributions up to 8% of eligible compensation. The Company made discretionary matching contributions equal to 75% of the first 8% of the participants' deferrals for each of the years ended December 31, 2012 and 2011. The Plan allows for profit sharing contributions at the discretion of the Company. There were no profit sharing contributions in 2012 or 2011. All contributions are participant directed based on their existing fund allocation. All contributions are subject to compliance with the Internal Revenue Code regulations.

Forfeited Accounts

Forfeitures, if any, of employer nonvested contributions shall be used to pay plan administrative expenses, any remaining forfeiture amounts will then be used to reduce employer matching contributions. For the years ended December 31, 2012 and 2011, forfeited employer contributions totaled \$462 and \$14,168, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, Plan earnings (losses), and charged with an allocation of Plan administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Years Ended December 31, 2012 and 2011

NOTE 1 – DESCRIPTION OF PLAN, Continued

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contributions and the earnings thereon is based on years of service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts the lesser of 50% of their vested account balance, or \$50,000. The minimum loan amount permitted is \$1,000. The outstanding loan balance at December 31, 2012 and 2011 was \$126,374 and \$191,255, respectively. The loans are secured by the balance in the participant's account. The loan interest rate is determined on a per loan basis as defined in the Plan document at 3.25%. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits

Upon termination of employment, retirement, disability, or death, a participant may elect to remain in the plan, receive a lump sum distribution equal to the participant's vested interest in his or her account, receive partial withdrawals or installments or roll their account into another plan. Participants that have terminated from the Plan and have a vested interest of less than \$1,000 automatically receive a lump sum distribution unless the participant elects to have such distribution paid directly to an eligible retirement plan.

Plan Administrative Fees

Trustee fees are paid by the Plan and all other administrative fees are paid by the Company.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS, CONTINUED
Years Ended December 31, 2012 and 2011

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as determined by the investment trustee of the Plan, Standard Insurance Company.

Purchases and sales of securities are recorded on the settlement-date basis. However, differences between settlement-date and trade-date are immaterial. Interest and dividends are recorded on the accrual basis.

Plan participants may choose investments at their discretion from those offered by the Plan.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus accrued interest. No allowance for credit losses has been recorded as of December 31, 2012 and 2011. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2012 excess contributions to the applicable participants prior to March 15, 2013.

Payment of Benefits

Benefits are recorded when paid.

Information Certified by Trustee

The Plan Administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under this election, the Plan Administrator has obtained a certification from the trustee, Standard Insurance Company, that the information provided to the Plan Administrator by the trustee is complete and accurate. Accordingly, no audit procedures have been performed with respect to information certified by the trustee.

Amounts included in the accompanying financial statements which are certified by the trustee are: Investments and Investment Income, and the information included in the supplemental Schedule of Assets Held for Investment Purposes at Year End.

Subsequent Events

Management has evaluated events and transactions from December 31, 2012 through May 30, 2013 for possible recognition or disclosure in these financial statements. This date is the date these financials were available to be issued. Management concluded there were no subsequent events requiring recognition or disclosure.

NOTE 3 – FAIR VALUE MEASUREMENTS

The financial statements follow the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10, *Fair Value Measurements*, which defines and establishes a single authoritative definition of fair value sets a framework for measuring fair value and requires additional disclosures about fair value measurement.

In accordance with ASC 820-10, the Plan classifies its investments into Level 1, which refers to securities traded in an active market, Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available or Level 1 securities where there is a contractual restriction, and Level 3, which refers to securities not traded in an active market for which no significant observable market inputs are available. The Plan's separate investment accounts are valued at the unit value based on the net assets of the underlying pool of securities. The guaranteed investment account is fully benefit-responsive and is reported at fair value by the insurance company by discounting the related cash flows based on current yields or similar instruments with comparable durations considering the creditworthiness of the issuer and adjusted to contract value. Contract value represents the accumulated contributions plus accrued net earnings, less distributions. Transfers between levels 1, 2 and 3 of the fair value hierarchy are recognized at the date the transfer is made. Net transfers from Level 2 to Level 3 were \$1,757,612 and \$57,443 for the years ended December 31, 2012 and 2011, respectively. Amounts transferred pertain to changes in participant investment allocations.

NOTE 4 – INVESTMENTS, Continued

The Plan's investments (including investments bought, sold, and held during the year) appreciated in value by \$1,528,655 for the year ended December 31, 2012, \$1,482,067 attributable to separate investment accounts and \$46,588 attributable to the investment contract.

The Plan's investments (including investments bought, sold, and held during the year) depreciated in value by (\$238,544) for the year ended December 31, 2011, (\$290,716) attributable to separate investment accounts and \$52,172 attributable to the investment contract.

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with Standard Insurance Company. Standard Insurance Company maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals. The contract is included in the financial statements at fair value and then adjusted to contract value as reported to the Plan by Standard Insurance Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract has certain restrictions that impact the ability to collect the full contract value. Examples of these events would include (but would not be limited to) termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Plan management believes that the occurrence of events that would cause the plan to transact at less than contract value is not probable. Standard Insurance Company may terminate the contract with 30 days advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to render performance necessary to comply with the terms of the contract, failure to maintain assets or at least \$25,000, plan disqualification, and failure to adopt the plan in a reasonable period of time. Upon termination by the Standard Insurance Company, a market value adjustment may apply.

Standard Insurance Company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the contract will track current market yields on a trailing basis.

(1) Computed by dividing interest earned by the ending fair value of the contract.

NOTE 6 - PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7 - TAX STATUS

This Plan is a prototype non-standardized 401(k) profit-sharing plan of Standard Insurance Company. Standard Insurance Company has been informed by the Internal Revenue Service that this Plan is acceptable under Section 401 of the Internal Revenue Code and that a company that adopts this plan will be considered to have a plan qualified under Code Section 401(a) provided all terms of the Plan are followed.

The Company believes that the Plan is currently being operated in compliance with the applicable sections of the Internal Revenue Code and that the Plan and related trust are qualified and tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2009.

Fees paid by the Plan for the investment management services amounted to \$1,749 and \$1,213 for the years ended December 31, 2012 and 2011, respectively.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
