# INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
McCraw Oil/Kwik Chek 401(k) Plan

***Report on the Financial Statements***

We were engaged to audit the accompanying financial statements of the McCraw Oil/Kwik Chek 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2012 and 2011, and the related statement of changes in net assets available for benefits for the year ended December 31, 2012, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

***Basis for Disclaimer of Opinion***

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2012 and 2011, and for the year ended December 31, 2012, that the information provided to the plan administrator by the trustee is complete and accurate.

***Disclaimer of Opinion***

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

***Other Matter***

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year as of December 31, 2012, is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

***Report on Form and Content in Compliance With DOL Rules and Regulations***

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## Note 1 - Description of Plan

The following description of the McCraw Oil/Kwik Chek 401(k) Plan (the Plan) provides only general information. Therefore, participants should refer to the Plan agreement or Summary Plan Description (SPD) for a more complete description of the Plan's provisions.

### *General*

The Plan is sponsored by Taylor-Smartt, L.L.C. for its employees and the employees of its wholly owned subsidiaries, McCraw Oil Company, Inc., McCraw Transport Company, Inc., and Kwik Chek Food Stores, Inc., and its affiliated company, Brownstone Leasing, L.L.C. (collectively, the Company). The Plan is designed to comply with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), and the Internal Revenue Code (IRC). The Plan's financial statements and schedule have been prepared in compliance with ERISA and with accounting principles generally accepted in the United States of America (U.S. GAAP).

### *Eligibility*

All employees of the Company who have completed 3 months of service and have attained the age of 21 are eligible to participate in the Plan.

### *Plan administration*

The Plan is administered by the Company. Fidelity Management Trust Company is the Trustee of the Plan's assets and Fidelity Institutional Operations Company is responsible for recordkeeping and executing participant transactions.

### *Contributions*

Participants may contribute up to 100% of their annual compensation as defined in the Plan, subject to the maximum dollar amount allowable under the IRC which was $17,000 in 2012. Participant contributions may be designated as pretax or after tax Roth contributions, subject to IRC limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to $5,000 for 2012. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company has elected to make a Safe Harbor matching contribution of 100% of the salary deferrals up to 3% of eligible compensation and 50% of the next two percent of eligible compensation. The Company may also make other contributions subject to IRC limitations, as determined by the Company.

**Note 1 - Description of Plan - (Continued)**

***Participant accounts***

Each participant's account is credited (or in the case of a loss, debited) with the participant's contributions, Company contributions and earnings or losses and may be charged with certain administrative expenses. Plan earnings or losses are applied to a participant's account balance based on the investment experience of the funds held and the number of shares owned in each fund by the participant.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

***Vesting***

Participants are immediately vested in their contributions and Safe Harbor contributions and actual earnings or losses thereon. Vesting in the Company's discretionary matching and profit sharing, if any, contributions is based on years of service as follows:

| Years of Service | Percent Vested |
|---|---|
| Less than 1 | 0% |
| 1 | 20% |
| 2 | 40% |
| 3 | 60% |
| 4 | 80% |
| 5 | 100% |

***Forfeitures***

Amounts which are forfeited as non-vested discretionary matching contributions are retained in the Plan and may first be used to pay administrative expenses. Remaining amounts will be used to reduce future employer contributions to the Plan. At December 31, 2012 and 2011 forfeited accounts totaled approximately $0. There were no forfeitures applied in the reduction of Employer matching or profit sharing contributions for the year ended December 31, 2012.

**Note 1 - Description of Plan - (Continued)**

***Payment of benefits***

The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account balance. Upon termination of service due to death, disability, retirement, or termination of employment from the Company, a participant may elect to receive a lump-sum payment for the participant's vested interest in his or her account. Participants with vested accounts of $1,000 or less upon termination of employment will receive a lump-sum payment.

***Investment options***

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 29 mutual fund options for investment by participants.

***Administrative expenses***

Administrative expenses may be paid by the Employer. However, the Plan may pay transaction fees which are charged directly to the specific participant generating the transaction.

**Note 2 - Summary of Significant Accounting Policies**

***Basis of accounting***

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with U.S. GAAP.

***Investment valuation and income recognition***

Investments are stated at fair value. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

***Payment of benefits***

Benefits paid to participants are recorded as a reduction of net assets available for benefits when paid.

**Note 2 - Summary of Significant Accounting Policies - (Continued)**

***Use of estimates***

The preparation of financial statements in conformity with US GAAP requires the plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates. Significant items subject to such estimates and assumptions include the fair value of investments.

***Risks and uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances.

***Fair value measurements***

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. U.S. GAAP establishes a hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Three levels of inputs may be used to measure fair value:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

An asset or liability's classification within the fair value hierarchy is based on the lowest level of significant input in its valuation.

**Note 2 - Summary of Significant Accounting Policies - (Continued)**

***Fair value measurements - continued***

Fair value estimates are made at a specific point in time, and the methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair value. Although the plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

**Note 3 - Fair Value Measurements**

Plan investments are held in mutual funds and a money market account. Fair value is measured at the net asset value of shares held by the Plan at December 31, 2012 and 2011, as determined by quoted market value at the market close. There have been no changes in the methodologies used to measure fair value at December 31, 2012 and 2011. The following tables present the Plan's fair value hierarchy by asset class for those assets measured at fair value as of December 31, 2012 and 2011:

| | | Fair Value Measurements at 12/31/12 | | |
|---|---|---|---|---|

## Note 5 - Information Prepared and Certified by the Plan Trustee (Unaudited)

The plan administrator has elected the method of annual reporting permitted by Section 2520.103-8 of ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Trustee. The Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the year ended December 31:

| | | **2012** | | 2011 |
|---|---|---|---|---|
| Investments, at fair value | **$** | **2,338,757** | $ | 2,130,316 |
| Investment income: | | | | |
| Net appreciation (depreciation) in fair value of investments | **$** | **199,994** | | |
| Interest and dividends | | **45,079** | | |
| Total investment income | **$** | **245,073** | | |

## Note 6 - Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants' accounts would become fully vested.

## Note 7 - Income Tax Status

On January 1, 2009 the Company adopted a restated prototype plan sponsored by July Business Services. On December 1, 2010, the Company adopted a volume submitter defined contribution plan sponsored by Fidelity Management and Research Company which received an opinion letter from the IRS dated March 31, 2008 which states that the form of the plan documents were in compliance with applicable requirements of the IRC. The Plan has been amended and restated since receiving the determination letter. However, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements.

**Note 7 - Income Tax Status - (Continued)**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

**Note 8 - Party-in-Interest Transactions**

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Employer, and certain others. As such, transactions conducted by Fidelity Management Trust Company and affiliates qualify as party-in-interest transactions.

**Note 9 - Reconciliation of Financial Statements to Form 5500**
