We were engaged to audit the accompanying financial statements of Schmitz & Schmitz Properties, Inc. 401(k) Plan, which comprise the statements of net assets available for benefits as of September 30, 2012 and December 31, 2011, and the related statements of changes in net assets available for benefits for the nine months then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note H, which was certified by the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended September 30, 2012 and December 31, 2011, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Form 5500, Schedules H, Line 4i and Schedule H, Line 4j, which are the responsibility of plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Schmitz & Schmitz Properties, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

September 30, 2012

A. Description of Plan

The following description of the Schmitz & Schmitz Properties, Inc. 401(k) plan (the “Plan”) is provided for general information purposes only. The plan Sponsor is Schmitz & Schmitz Properties, Inc. The Plan changed its name and Federal ID number during 2011. The Plan is filing its Form 5500 under the new Plan name and number in order to notify the Department of Labor and Internal Revenue Service of the change. Participants should refer to the Plan Agreement for more complete information.

General

The Plan was adopted effective January 1, 2008, and amended January 1, 2011 and is a qualified defined contribution plan covering all eligible employees of Schmitz & Schmitz Properties, Inc. and subsidiaries (Company) who have completed three months of service and are 21 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Automatic Data Processing, Inc (ADP), acts as record keeper and third party administrator of the Plan. State Street Bank and Trust Company acts as the trustee of the Plan.

Contributions

Each year, participants may contribute up to 60 percent of either their pretax or after tax (ROTH) compensation, as defined in the Plan, subject to certain maximum dollar amounts, which are indexed for inflation and adjusted for age. The Company makes matching contributions up to 5% of the amount of the participant’s elective deferrals, as defined by the “safe harbor” 401(k) plan election. The Company made a matching contribution in the amount of \$157,253 for 2012 and \$232,526 for 2011.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contribution and (b) Plan earnings. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Vesting

Participants are immediately vested in their contributions plus actual earning thereon. Vesting in the Employer's contribution is also immediate.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant with an account balance of \$5,000 or less may automatically have benefits distributed in a lump-sum payment.

A participant may receive a hardship distribution of his or her salary reduction contributions if the distribution is (1) an account of medical expenses incurred by the participant, his spouse or dependents, (2) to purchase (excluding mortgage payments) a principal residence of the participant, (3) for the payment of tuition, related educational fees and room and board for the next twelve months of post secondary education for the participant, his spouse, children or dependents, (4) needed to prevent eviction of the participant from his principal residence or foreclosure upon the mortgage of the participant's principal residence, (5) for the payment of funeral expenses for your deceased parent, spouse, children or other dependents or your primary beneficiary under the Plan, or (6) expenses for the repair of damage to your principal residence that would qualify for the casualty deduction under the Internal Revenue Code.

Loans to Participants

Participants may borrow up to 50% from their vested balance and the loan is collateralized by their vested balance. Loans must be repaid within five years, unless used to purchase primary residence. Interest is charged at the rate of The Wall Street Journal prime rate plus 2% and is credited to the participant's account when paid.

Description of Plan – continued

Forfeiture

There are no forfeitures as the participants are immediately 100% vested in both employee and employer contributions under the safe harbor rules of the Plan.

Administrative Expenses

The Plan pays substantially all administrative fees and expense related to maintaining the Plan. Fees of \$1,125 and \$750 were charged to the plan in 2012 and 2011 respectively. The Sponsor pays the majority of the administrative costs through their payroll costs of the plan administrator, ADP charges, and other overhead and administrative costs. Indirect fees from mutual funds are paid by the plan and are reductions to the earnings of the mutual funds.

B. Summary of Accounting Principles

Basis of Accounting

The trustee prepares the Plan's fund statements on a modified cash basis and also reports assets on Form 5500 on a modified cash basis. Accordingly, the accompanying financial statements are also presented on the modified cash basis of accounting whereby cash basis assets have been adjusted to reflect investments at fair value. This is a comprehensive basis of accounting other than U. S. generally accepted accounting principles that is acceptable under ERISA and DOL regulations. The Plan does not account for liabilities and, accordingly, recognizes expenditures when money is disbursed.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of American requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Summary of Accounting Principles – Continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. These investments are subject to market and/or credit risks customarily associated with equity investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The investments are subject to market or credit risks customarily associated with debt and equity investments.

The financial statements reflect the adoption of Accounting Standards Update (ASU) 2009-12, which provides amendments to ASC Topic 820, Fair Value Measurements and Disclosures. ASU 2009-12 is effective for financial statements issued for fiscal years ending after December 15, 2009. ASU 2009-12 supersedes SFAS No. 157 which established a single authoritative definition of fair value, sets a framework for measuring fair value, and requires additional disclosures about fair value measurement.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value hierarchy prioritizes the inputs used to measure fair value into three broad levels, Level 1, Level 2, and Level 3.

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets that the Plan has the ability to access at the measurement date (e.g. prices derived from NYSE, NASDAQ or Chicago Board of Trade).

Level 2 inputs are other than quoted prices included with Level 1 that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.

NOTES TO FINANCIAL STATEMENTS (continued)

Investment Valuation and Income Recognition - Continued

Level 3 inputs are unobservable inputs used for valuing the asset or liability.

Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

Input Levels by Investment Category:

<u>Investment Category</u>	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>

D. Plan Termination

The Company terminated the Plan subject to the provisions of ERISA during 2012. The Plan assets were merged with another Plan which has the same benefits and requirements of the former Plan. Because the Plan is a defined contribution plan, it is not covered by Pension Benefit Guaranty Coverage insurance.

E. Tax Status

The Plan has received a determination letter from the Internal Revenue Service (the "IRS") dated March 31, 2008; stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTES TO FINANCIAL STATEMENTS (continued)

F. Plan Amendments and Changes

The Plan amended the Plan Agreement effective September 28, 2012 in order to merge the Plan into another 401(k) plan as of September 30, 2012.

G. Party-In-Interest Transactions

ADP is the record keeper and third party administrator of the plan and as such is a party-in-interest with respect to the plan. Fees paid to ADP aggregated \$1,125 in 2012 which does not include indirect fees paid to ADP as broker/dealer commissions by the mutual funds. State Street Bank & Trust Company is the Plan's trustee.

H. Financial Information Certified by the Plan's Custodians (Unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by State Street Bank, the custodians and parties-in-interest as defined by ERISA, as of September 30, 2012, except for comparing such information certified by the custodians to information included in the Plan's financial statements. The information consists of the following:

Registered investment company funds	\$ 0
Common/collective trusts	0
Participant loans	0
	\$ 0
	=====
Benefits paid	54,457
Trustee to trustee transfer to new plan	2,958,414

Dividend income	10,765

Schmitz & Schmitz Properties, Inc. 401(k) Plan

NOTES TO FINANCIAL STATEMENTS (continued)

September 30, 2012

J. Concentrations of Risk

The Plan's investments are not insured by agencies of the United States government. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits. The maximum amount of loss due to credit risk that the Plan would incur if parties to the financial instruments failed to perform according to the terms of the contracts and the collateral, in any, proved to be of no value would approximate the balances that appear on the Statement of Net Assets Available for Benefits.

K. Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of several investment options, and may change their investment options at anytime via the internet. Before the Plan was terminated on September 30, 2012, the following investment options were available:
