Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Silverlining Interiors 401(k) Plan as of December 31, 2012 and 2011, and the changes in its net assets available for benefits for the year ended December 31, 2012 in conformity with accounting principles generally accepted in the United States of America.

Report on Supplementary Information
Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule of Assets Held for Investment Purposes as of December 31, 2012 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

(1) Description of Plan

The following description of the Silverlining Interiors 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Silverlining Interiors, Inc. (the "Company") who have one year of service and are 21 years of age or older. Joshua Wiener and Robert Forman serve as the Trustees of the Plan, and Frontier Trust Company is the Custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year, participants may contribute the maximum amount of pretax annual compensation currently allowed by Internal Revenue Code limitations. The Company shall make a contribution from current or accumulated net income equal to 3% of the participant's compensation not including bonuses and commissions.

Participant Accounts:

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, and allocations of Plan earnings, and charged with withdrawals and an allocation of Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments:

Participants direct the investment of their contributions into various investment options offered by the Plan.

Retirement Benefits and Vesting:

Participants are immediately 100% vested in their contributions and in their share of employer contributions and earnings thereon. Benefit payments generally commence at the participant's normal retirement age, generally 65, unless the participant elects a later retirement date, whereupon benefit payments will be postponed until such date. Also, participants may withdraw a portion of their account balance once they reach the age of 59-1/2, in the event of financial hardship, or all of their balance if they leave the employment of the Sponsor. The form of the benefit payment is at the discretion of the participant and is to be either a lump sum, installment, partial payment or through the purchase of an annuity contract which will provide a series of fixed-dollar payments. If no benefit election is made by the participant, a lump sum benefit payment will be made.

(1) Description of Plan (continued)

Participant Loans:

Participants may borrow from their accounts a minimum of $1,000 up to a maximum of 50% of the value of the vested interest in their account, but not to exceed $50,000. Such loans are charged a rate of 5% and need to be repaid within 260 weeks.

(2) Summary of Significant Accounting Policies

Basis of Accounting:

The accompanying financial statements of the Plan are prepared under the accrual method of accounting as prescribed by generally accepted accounting principles.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest Income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits:

Benefits are recorded when paid by the Plan.

(3) Federal Tax Status

The Sponsor adopted a standardized prototype plan, which has been approved by the Internal Revenue Service. The Plan Administrator has not received individual approval; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

(4) Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

	Fair value	Quoted prices in active markets for identical assets (Level 1)	Significant unobservable inputs (Level 3)
December 31, 2012			
Money market funds	$ 689,221	$ 689,221	$ -
Mutual funds	2,251,037	2,251,037	-
Participant loans	122,992	-	122,992
Total	$ 3,063,250	$ 2,940,258	$ 122,992
December 31, 2011			
Money market funds	$ 538,033	$ 538,033	$ -
Mutual funds	1,703,079	1,703,079	-
Participant loans	85,258	-	85,258
Total	$ 2,326,370	$ 2,241,112	$ 85,258

Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1, Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on quoted market prices.

Level 3, Fair Value Measurements

The fair value of participant loans is equal to the amortized cost of the loans because the loans are secured by each respective participant's account balance. The following table provides further details of the Level 3 fair value measurements.

(4) Fair Value Measurements (continued)

Fair value measurements using significant unobservable inputs (Level 3):

	Participant loans	Total
December 31, 2012		
Beginning balance	$ 85,258	$ 85,258
Total gains or losses (realized and unrealized) included in changes in net assets available for benefits	-	-
Purchases, sales, issuances, and settlements (net)	37,734	37,734
Ending balance	$ 122,992	$ 122,992
December 31, 2011		
Beginning balance	$ 81,532	$ 81,532
Total gains or losses (realized and unrealized) included in changes in net assets available for benefits	-	-
Purchases, sales, issuances, and settlements (net)	3,726	3,726
Ending balance	$ 85,258	$ 85,258

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2012 are reported in net appreciation in fair value of investments.

Blackrock Global Allocation Fund Class A	357,616

Goldman Sachs Mid Cap Value Fund Class A	149,761
Blackrock Health Sciences Opportunity	148,188

During 2011, the Plan's accounts investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by ($57,976).

(6) Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan were to be terminated, participants would become 100% vested in their account.

(7) Plan Amendment

Effective January 1, 2008, the Plan was amended to change participant eligibility requirements from 6 months of service to 1 year of service and institute the Company's 3% safe harbor contribution.

Effective May 1, 2009, the Plan was amended to ensure compliance with the new Internal Revenue Service regulations.

(8) Evaluation of Subsequent Events
