CHRISTY AND ASSOCIATES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN

The following brief description of Christy and Associates, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Christy and Associates, Inc. (the Company). The Plan is a qualified trust under Sections 401(a) and 401(k) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Full-time employees are eligible to participate in the Plan after completing three months of eligibility service.

Contributions

Each year, participants may elect to contribute up to 75% of pretax annual compensation as defined by the Plan, subject to Internal Revenue Code limits. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. In addition, the Company will make a matching contribution on the employee's behalf. The maximum amount of this matching contribution is equal to 25% of the first 4% of the employee's pretax contribution. Depending on business conditions, the Company may make a discretionary profit sharing contribution. The Company did not make a profit sharing contribution for the plan year ended December 31, 2012.

Participant Directed Investments

Participants direct the investment of their contributions and their allocated share of the matching contributions into various investment options offered by the Plan. The Plan currently offers approximately 20 common/collective trust funds and registered investment companies' funds as investment options for participants.

Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, allocations of the Company's discretionary profit sharing contribution, and plan earnings, net of an allocation of administrative expense, if any. Allocations of the discretionary profit sharing contribution and administrative expense are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CHRISTY AND ASSOCIATES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary profit sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may apply for a loan from their account under the Plan. Certain legal restrictions impose limits on the amount of the loan and repayment terms. The minimum loan amount is \$500 and up to a maximum loan amount equal to the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in *The Wall Street Journal* on the 14th of each month, plus two percentage points. Only one loan may be outstanding at a time. Generally, the participant's loan must be repaid through payroll deductions within five years, unless the loan is for the purchase of a primary residence.

Benefits

The participant's vested account will be used to provide benefits. Payment of amounts greater than \$5,000, upon termination of service, may be deferred until the participant reaches age 70½. If the benefit is \$1,000 or less, the benefit will be paid in a lump-sum payment. If the benefit is between \$1,000 and \$5,000, the vested balance will be transferred to an IRA established by the plan sponsor, unless the participant elects otherwise.

Upon death, a participant's vested account will be paid to their spouse or beneficiary in a single lump-sum payment.

Forfeited Account

As of December 31, 2012 and 2011, forfeited nonvested accounts totaled \$1,290 and \$1,290, respectively. These accounts are used to reduce future employer contributions. Also in 2012, employer contributions were reduced by \$258 from forfeited nonvested accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Subsequent Events

In preparing these financial statements, the plan administrator has evaluated events and transactions for potential recognition or disclosure through July 25, 2013, the date the financial statements were available to be issued.

CHRISTY AND ASSOCIATES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting

The financial statements of the Plan are prepared using the modified cash method of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Transactions are reported on the cash basis except that corrective distributions for excess contributions are recorded in the year they are adjusting.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Income is recorded on the cash basis.

Purchases and sales of securities are recorded on a trade-date basis.

The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTE 4: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements authoritative literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets that the Plan has ability to access for identical assets and liabilities, and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Level 1 Shares of registered investment companies are valued at quoted market prices representing the net asset value of shares held by the Plan.

Level 2 Investments in common and collective trusts are valued at the Plan's proportionate share of net assets of each fund on a daily basis. The assets of the funds are primarily composed of money market securities, stocks, and bonds that are traded on national exchanges. Such securities are valued by the use of published market quotations or on the basis of values obtained by a pricing service.

Level 3 The Plan holds no level 3 investments.

There were no unfunded commitments as of December 31, 2012 and 2011.

- (a) Funds in this category seek a broad diversification and a disciplined rebalancing process to provide growth moderated by exposure to fixed income investments over the long-term.
- (b) Funds in this category utilize a “passive” investment approach, attempting to replicate the investment performance of its benchmark through automated statistical analytical procedures.
- (c) Funds in this category seek long-term growth of capital. It typically invests between 60% and 100% of its assets in underlying funds that typically invest principally in equity securities, including international equities.

NOTE 6: RELATED PARTY TRANSACTIONS

Certain plan investments are shares of common/collective trusts managed by State Street Global Advisors (SSgA), a related company to State Street Bank and Trust Company, the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Administrative functions are performed by officers or employees of the Company. No officer or employee receives compensation from the Plan. Administrative expenses for certain trustee fees and the independent auditor’s fees are paid by the Company at no cost to the Plan.

NOTE 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

CHRISTY AND ASSOCIATES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 8: TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service, the master prototype plan from which the Plan was drafted has received a favorable opinion letter dated March 31, 2008, stating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Even though the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2009.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
