NOTE 1. DESCRIPTION OF PLAN

The following description of the Darvin Furniture & Appliances of Orland Park, Inc. ("Company") Employees' 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who have completed 90 days of service, except for union employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company may make a matching contribution on behalf of all active and terminated participants in an amount equal to a discretionary percentage of the deferral contributions made by each participant during a quarterly calculation period. The Company may also make discretionary profit sharing contributions on behalf of participants who have completed more than 1,000 hours of service and who are employed on the last day of the Plan year. For the year ended December 31, 2012, the Company made $75,862 in matching contributions and no profit sharing contributions.

The Plan currently offers various mutual funds and a common/collective trust fund as investment options for participants. The investment of participant, matching and profit sharing contributions into these investment options is determined by each participant. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts, and charged with an allocation of applicable administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing portions of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of the common/collective trust fund is based on the fair value of the fund's net assets as determined by the trustee of the fund, primarily using quoted prices for similar assets in active markets.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2012 and 2011 are as follows:

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee:

NOTE 6. COMMON/COLLECTIVE TRUST FUND

One of the Plan's investment options is the Fixed Fund, a common/collective trust fund (the "CCT"). The CCT is a commingled pool managed by SEI Trust Company. The CCT invests in underlying assets, such as short-term bonds and other fixed income securities and also purchases wrap contracts issued by insurance companies and other financial institutions. The CCT is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The wrap issuer guarantees a minimum rate of return and provides full benefit responsiveness.

Because the CCT is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the CCT. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the CCT at December 31, 2012 and 2011 was $3,606,168 and $3,403,710, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero percent. Such interest rates are reviewed on a monthly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with SEI Trust Company. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The average yields were as follows:

	2012	2011
Based on actual earnings	1.09 %	1.66 %
Based on interest rate credited to participants	1.72 %	1.17 %

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in the Company's matching and profit sharing portions of their account.

NOTE 8. TAX STATUS

The Plan as adopted is a volume submitter profit sharing plan sponsored by HPL&S Inc. The sponsoring organization has received a determination letter, dated March 31, 2008, covering the volume submitter plan. A separate determination letter providing that the Darvin Furniture Employees' 401(k) Profit Sharing Plan, as adopted, and the related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC") has not been sought from the Internal Revenue Service.

Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan's Annual Return/Report of Employee Benefit Plan (Form 5500) is subject to examination by the Internal Revenue Service and the Department of Labor, generally for three years after the date it was filed.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2012 and 2011 to Form 5500.

	2012	2011
