INDEPENDENT AUDITOR'S REPORT

**To the Plan Administrator of
National Corporate Research, Ltd.
401(K) Plan**

I was engaged to audit the accompanying statements of net assets available for benefits of the National Corporate Research, Ltd. 401(K) Plan (the "Plan") as of December 31, 2012, and the related statement of changes in net assets available for benefits for the year ended December 31, 2012 and the supplemental schedule of Schedule H, Part IV 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2012. These financial Statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Retirement Plan Services, the custodian of the Plan, except for comparing such information with the related information included in the 2012 financial statements and supplemental schedule. I have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2012 that the information provided to the plan administrator by the custodian is complete and accurate.

Because of the significance of the information in the Plan's 2012 financial statements that I did not audit, I am unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule for the year ended December 31, 2012. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, has been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NATIONAL CORPORATE RESEARCH, LTD. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2012

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of National Corporate Research, Ltd. (the "Company") 401(K) Plan (the "Plan") is provided for informational purposes only. Employees should refer to the Plan document for more complete information. A copy of that document can be obtained from National Corporate Research, Ltd., 10 East 40th Street, 10th Floor, New York, NY 10016. Certain information concerning the Plan is summarized herein.

General

The Plan was adopted January 1, 2000. Effective January 1, 2009, the Company amended and restated its 401(k) profit sharing plan (except for those specific provisions that have an earlier effective date). The amended and restated Plan is intended to comply with the requirements of the Employee Retirement income Security Act of 1974 (ERISA) and the Internal Revenue Code of 1986, as amended by subsequent legislation, including the Economic Growth and Tax Relief Reconciliation Act of 2001and the Job Creation and Workers Assistance Act of 2002, and it is also intended to comply with all applicable rulings and Regulations promulgated thereafter. The Plan was completely restated as mandated by the IRS/DOL under EGTRRA. There were no changes made to the provisions of the Plan, but it was a mandated plan reinstatement to update the Plan language in accordance with EGTRRA. The Plan is a defined contribution and salary reduction plan covering all full-time employees upon reaching the age 21 and completing 1 year of service. The Plan contains a cash or deferred arrangement, and once an employee is eligible to participate, the employee can contribute to the Plan on a tax deferred basis through payroll deductions.

Contributions

The participant's 401(k) contributions for any calendar year can't exceed the lesser of 100 % of the participant's compensation or the annual dollar limit on 401(k) contributions. The annual dollar limit is $ 17,000 for calendar year 2012, and will thereafter be the amount set annually by law. 401(k) contributions are allocated to the participant's 401(k) contribution Account. If the participant is "catch-up eligible", the participant can make additional "catch-up contributions" to the Plan in

NOTE 1 - DESCRIPTION OF THE PLAN (continued):

excess of the limits on 401(k) contributions described above. You are a catch-up eligible participant for any calendar year in which you have reached (or will reach) at least age 50 by the end of that calendar year. The catch-up contribution limit is $ 5,500 for calendar year 2012, and will thereafter be the amount set annually by law. The Company will match the participant's contribution up to a maximum of 4% of compensation of an employee who contributes 5 % of salary or up to $ 17,000. All employees contributions are 100 % vested.

Participants' Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contributions and plan earnings. Allocations are based on participant compensation or account balances, as dictated by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants vest immediately in both their contributions and the Company contributions made after 2006 plus the actual earnings thereon. Vesting in the Company's contributions made before 2007 is based on completion of the following number of years of service:

Years of Service	Vesting Percentage
Less than 1	0
1	0
2	20
3	40
4	60
5	80
6	100

NOTE 1 - DESCRIPTION OF THE PLAN (continued):

Investment Options

Upon enrollment in the Plan, a participant may direct how their Elective Deferral Account, Matching Contribution Account, Non-Elective contribution Account and Rollover Contribution Account will be invested. Subject to any rules or procedures established by the Administrator, you can choose from any investment alternatives approved by the Trustees, including but not limited to savings and/or money market accounts, stocks, bonds and mutual funds. A participant can switch between investment alternatives as often as is permitted under the investment alternatives you choose.

Payment of Benefits

Participants separating from service due to retirement, death or disability, will receive 100% of the account balance in a lump sum payment. Upon termination of service, a participant may elect to receive a lump sum amount equal to the vested value of his or her account or have such payment deferred until the participant has attained age seventy and one-half years.

Participants' Loans

Participants may borrow from their fund accounts up to a maximum and, equal to the lesser of $50,000 or 50% of their vested account balance. Loans that are less than $ 1,000 will not be granted. Terms range from one to five years. The notes are secured by the balance in the participant's account and bear a reasonable interest rate (determined at the time the loan is made). Notes are repayable through bi-weekly payroll withholding of principal and interest. Participants have the right to repay notes, in whole or in part, without premium or penalty and with accrued interest on the principal being paid to the date of such payment.

Administrative Expenses

The Plan routinely incurs expenses for the services of lawyers, actuaries, accountants, third party administrators, and other advisors. Some of

NOTE 1 - DESCRIPTION OF THE PLAN (concluded):

these expenses may be paid directly by the Company while other expenses may be paid from the assets of the Plan. The expenses that are paid from Plan assets will either be shared by all Participants or will be charged directly to the Account of the Participant on whose sole behalf the expense is incurred.

Forfeited Accounts

At December 31, 2012 there was $3,768 of forfeitures available to be used to reduce future employer contributions. For 2012 forfeitures in the amount of $ 0 were utilized to reduce the Company's contributions to the plan in 2012.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are administered by John Hancock Retirement Services and are stated at fair value. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on trade date basis. The net asset value includes the Plan's gains and losses on investments bought and sold as well as held during the year. Participants' loans receivable are valued at cost, which approximates fair value.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded):

principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties

The Plan may invest in various types of investment funds. Investment funds are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment funds, it is at least reasonably possible that changes in the values of investment funds will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 3- INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED):

The Plan's only investment is a contract with John Hancock Retirement Plan Services. John Hancock Retirement Plan Services maintains the contributions in a general and separate account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by John Hancock Retirement Plan Services. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

During 2012, the Plan's investments appreciated in value by $702,355 as a result of the contract with John Hancock Retirement Plan Services.

Note 4- INCOME TAX STATUS:

The plan obtained its latest determination letter on March 31, 2006 in which the Internal Revenue Service stated that the Plan was in

Note 4- INCOME TAX STATUS (concluded):

compliance with the applicable requirements of the Internal Revenue Service Code (the "Code"). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operating in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes is included in the Plan's financial statements.

Note 5- RELATED PARTY TRANSACTIONS:

As stated in note (3) above, Plan investments are managed by John Hancock Retirement Plan Services. John Hancock Retirement Plan Services is the custodian of the Plan as defined by the Plan, and therefore, these transactions qualify as party-in-interest.
